Regulations and Information

General

All Pari-Mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by the Canadian Pari-Mutuel Agency. All tickets should be held until the race is declared official and the prices are posted. Notice boards are located in the Grandstand. The approximate odds represent only the probable payout price of the win pool at the time they are posted and have no bearing on the payout price of any other pool.

Where the appropriate odds for any horse posted at "1 to 9" the pay out price based on a \$2.00 ticket in the win pool may be \$2.10. Where the approximate odds for any horse are posted as "99:1", the pay out price based on a \$2.00 ticket in the win pool may be greater than \$200.00.

As per Provincial Regulatory Rules, no person under the age of 19 shall purchase or cash a Pari-Mutuel ticket.

A winning ticket is valid indefinitely.

Entries and Mutuel Fields

"Entry" means two or more horses in the same race which for the purpose of pari-mutuel betting are coupled or considered as the same betting interest. The most common reason for the coupling of horses in entry is the fact that they are owned by the same person. "Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel system. Subject to the Regulations, a bet on one horse of an entry or mutual field shall be considered a bet on all horses in the entry or mutual field starts in the race. All tickets purchased on the entry or mutual field remains valid.

Daily Double Betting (Including Late Double)

A "Daily Double" is a betting transaction in which a purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools opened on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holder of tickets on such horses, coupled with the winner of the first daily double race shall participate in a Consolation Daily Double.

Exactor Betting

An Exactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different betting interest to finish in the exact official order of finish, in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Quinella Betting

A Quinella bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different interest to finish, in either order to finish in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Triactor Betting

A Triactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first three horses representing different interest to finish, in the exact official order to finish, in the race in which the pool is operated.

Superfecta Betting

A Superfecta is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interest to finish in the exact official order of finish, in the race on which the feature is operated.

Pick 3, 4, 5, 6, and 7 Pools

The Pick 3, 4, 5, 6, and 7 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of the 3, 4, 5, 6, or 7 successive races specified for the Pick 3, 4, 5, 6, and 7 respectively. Winning tickets and a mandatory payout of the pick 3, 4, 5, 6, and 7 are determined in the following sequence: a) winners of all legs, b) most winners, c) most second place finishes or d) sequentially thereafter. Where no tickets have been sold coupling the official winners of every leg of the Pick 3, 4, 5, 6, and 7 and a mandatory payout does not apply, 25% of the day's net pool is paid out as detailed above while 75% is accumulated and carried over.

Pick 3, 4, 5, 6, and 7 Scratches

In the event a Pick 3, 4, 5, 6, or 7 ticket designates a selection a horse which is scratched, excused or determined by the judges to be a non-starter in any of the races comprising the pick 3, 4, 5, 6, or 7 the favorite as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratched occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favorites is identical, the selection with the lowest program number shall be substituted for the scratched horse.

Refunds

Subject to the regulations, all monies in all pools on a race are refunded where the race is cancelled, declared no contest, postponed beyond the racing card for which it was scheduled, subject to a change in distance after betting has commenced, or where the running or the finish of the race can not be properly judged.

Common Pool Wagering (Intertrack Betting)

Subject to the regulations, in the unlikely event of a communications or computer system failure, various courses of action may result depending on the nature of the breakdown. Bets from the affected sites, including advance bets, may be refunded. Customers will be advised of the course of action.

Outstanding uncashed tickets from January 1, 2019 to March 31, 2019: \$6,684.21.

The Breaking Rule

All prices in Canada must be broken to the nickel as per section 204 of the Criminal Code of Canada. For every \$1.00 bet, the minimum winning amount you will get is \$1.05 for each dollar wagered.

Drug Testing

Drug testing ensures the integrity of all races contested at Northside Downs and in conjunction with the Atlantic Provinces Harness Racing Commission pre-race blood gas analysis are conducted at random on selected horses. Post race urine tests are conducted according to the Canadian Pari-Mutuel Agency regulations.

Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

2 Types of bets

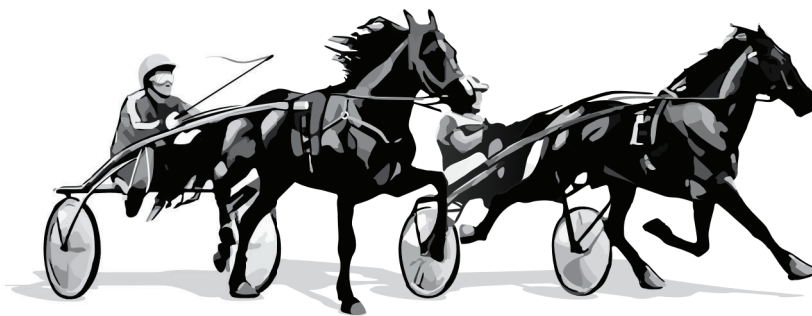

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	UUU	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	UUUU	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	UUUUUU	Pick the winners of two designated consecutive races.
Triactor*	UUUUUUU	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	UUUUUUUU	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.
Pick 4	UUUUUUUU	Pick the winner for 4 consecutive races, big payoff possible. This typically starts in race 4. They you pick race 4-5-6 and 7
Pick 5	UUUUUUUUU	Pick the winner for 5 consecutive races, big payoff possible. This typically starts in race 2. They you pick race 2-3-4-5 and 6

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit

3 Choosing your horse

How to read the program

All of the numbers and letters in the program might seem confusing or overwhelming at first but focusing on these sections makes choosing a horse simple.

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

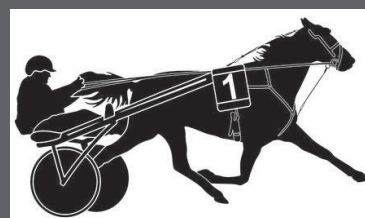

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

#5 AMERICAN STARLIGHT took a maiden breaking score of 2:01 at this bottom level condition earlier in 2026 for team Mitchelitis & trainer Jake Jacobs. Since then, the 6-year-old daughter of American Ideal has struggled to find her footing in the \$201L5 condition, suffering from some tough posts & overland trips. She takes a drop back down to this bottom level condition today for catch driver Mark Pezzarello & I like her to go right down the road from an outside post in a drop & pop to kickstart a 10-dash card.

#1 EYESSOSWEET is a recent purchase for Norm Fiander, the rookie filly travelled here for stakes action last week & in line to Red Doucet finished third but had some major steering issues in the final stages. She gets rail control today in her Fiander barn debut & she should enjoy facing non stakes competition for the first time in her young racing career.

#3 SATURDAYNIGHTFEVER jumped it off behind the gate at this level last week where he was sent off as the odds-on favourite. He gets an inside post to work with today & if he stays flat, he should land somewhere on the ticket.

RACE 2 Selections

#1 BEERS ON ME got stuck with an outside post in his latest start on a drop down to this \$855L5 level & never got involved in the race so we will write that one off. Look back at the start on August 8th where he had rail control like he does today for regular pilot Adam Lynk, he put the hammer down to score in a wire-to-wire seasonal best of 1:58.2. He gets some much-needed post relief today for team Murphy & Adam so if he can stack them up through the first turn, I think he goes all the way to kickstart the pick 5.

#2 DAVID LLOYD GEORGE never seen the pylons last week & was a gutsy runner up to Dontblvmejustwatch for co-owner/driver Keigan Madden. The 32-time winner is hitting his best strides in the 2026 season, cruising to a seasonal best 2:00.1 on September 12th by over 9 lengths. He climbs up one more rung on the class ladder today but gets a good inside spot to work with, he should get a dreamy trip in here & is worth a look for double & pick 5 tickets.

#3 CHOCOLATE SWIRL has been a staple in this \$7,000 optional claimer for Heather Hawkins over the last couple of months, the 20-time winner was a beaten favourite at this level last week where he was on the lead for 7/8ths of the mile but faded late in the stretch. He gets a good post to work with today for Mark Pezzarello & another aggressive steer should see him in contention when they turn for home.

Pick 5 Horse Racing

The Pick 5 in horse racing is a multi-race wager that requires the bettor to select the winners of five consecutive races. It is a type of exotic bet that can offer significant payouts with relatively low risk. The Pick 5 is usually offered on the last five races of the day, but can sometimes be offered on other races. The minimum bet is usually \$2, with the minimum payout being \$2.50. The payouts can be considerably larger, depending on the number of horses in each race and the number of bets placed. To hit the Pick 5, you need to have a good understanding of the horses, the track condition, and the jockey form. It's important to do your homework and research the horses before placing a bet. It's also important to develop a betting strategy. You can use a variety of strategies, such as spreading your bets, betting on favorites, or focusing on longshots.

RACE 3 Selections

#6 **REGALLY MAGNIFIED** took a slight drop down the class ladder last week in line to catch driver Marc Campbell & the classy 14-year-old & Marc were able to cross over to find a spot & rode the pylons to finish fourth in 2:02.3. He gets stuck once again with the dreaded post 6, his fourth in his last six starts but this is the easiest class the 31-time winner has faced so far in his final year at the races. I expect an aggressive steer from Mark Pezzarello who had the choice of a few in here but sided with the Jamie Hogan trainee so I will take a stab that he gets his first win picture taken in his send off year.

#1 **FERN HILL JUBILEE** got a slick steer from catch driver Adam Merner last week at the \$221L5 level from an outside post to finish third at an attractive price. The 1-time winner on the year draws rail control today at the level she had that win at back when she first arrived at Northside. An aggressive steer is in the cards here & she is the other I would consider for multi leg wagers.

#2 **COWBOY GILLES** has been rounding into form as he has landed on the board in 3 of his last 4 starts. The 31-time winner gets an excellent post to work with today for regular pilot Adam Lynk & another on the ticket finish looks to be certain today.

RACE 4 Selections

#2 **DON'T ASK LOGAN** capitalized at an attractive price in the go home pace last week, the now 43-time winner got a perfect pocket ride behind Check Your Source & capitalized getting up in the final strides to win in 2:00.3. Mark Pezzarello stays aboard today & gets a great inside post to work with in the first of 3 Celtic eliminations. The great post will find him on the lead playing catch me if you can, I love him to double up to start the pick 4.

#6 **HOWMAC NAPOLEON** rallied off back-to-back wins off the rail for lifetime wins #31 & #32 in his last two starts. The son of Articulator comes into this one red hot & looks to become the first horse to capture the Celtic series for the second time as he won the inaugural race a few years back. He gets stuck with the dreaded post 6 in this elimination & will have to do a lot of the roadwork in here, I still like him & catch driver Keigan Madden to punch their ticket to next weeks final despite the tough post.

#1 **TOBINS PARTY** picked up his lone win of the year off the rail 3 starts back for Adam Lynk & Kenzie MacDonald. A small drop down in class seen Adam right line the speedy son of Malicious in the third quarter & cruise to a 2:01.4 win. He gets rail control to work with today in his elimination & his great brush can be used by Adam late in the mile to make next weeks final.

**STEPHEN "STEF"
O'DONNELL**
1967 – 2023

Stephen "Stef" O'Donnell was born and raised in New Waterford, where his love of horses began at a young age. As a boy, he spent much of his time jogging and training horses for Emerson Heffernan. If you didn't find him walking the horses up Miner Avenue for a jogging session at Number 14 Track, there was a good chance you would find him at Tartan Downs Raceway on Sunday and Thursday evenings. Horses were more than just a hobby to Stephen — they were a part of who he was.

Later in life, Stephen moved to Ontario for employment, and then to Alberta, where he worked rotational and shutdown jobs. In 2018, he returned home to Cape Breton after being diagnosed with prostate cancer.

It was during his long and courageous battle with cancer that Stephen rediscovered his love for horses. He became deeply involved with the horses owned by his brothers, Richie and Brian, and quickly became part of their ownership team. It quickly became clear what his role would be:

"He was there to take care of the horses."

To Stephen, every horse was special. It didn't matter if they won, lost, raced, or never even made it to the track. The horses that weren't racing often got extra attention because he felt sorry for them. If you asked him which horse was his favourite, his answer was always the same:

"I like them all the same."

Everyone who knew Stephen would say the last five years of his life were the toughest, but also the happiest and most fulfilling. The horses gave him something special — a reason to get up, something to care for, and a place where he felt at home. And for that, we have to give some credit to "The Horses."

Rest easy, Stef.
Your horses will always remember you.

RACE 5 Selections

#4 WINDEMERE RYAN is having a great 9-year-old campaign for team Leblanc sporting 3 wins & 12 top 3 finishes from 19 starts. He gets some considerable class relief today dropping down from the \$855L5 to this \$601L5 level after consecutive third place finishes. A mid pack post to work with today for Keigan Madden should see him forwardly placed on the choo-choo where he loves to be, a drop & pop is imminent here.

#1 WENITRAINSITPOURS was one we took a chance on from a tricky back tier post last week in line to catch driver Marc Campbell, the daughter of Camystic closed home well in :30.2 while suffering interference to finish third. She stays put in the same class today & gets the coveted rail control today for Mark Pezzarello. She will be the early leader in here or she will get a great trip behind our top choice. In her current form & the best post to work with she cannot be left off your ticket today.

#2 CROSSCUT is one of the most consistent horses on the grounds to use on the bottom of the exotics as you can see looking down his lines. A solid fourth place finish in his latest in this optional \$5,000 claimer gets him primed for today with a much better post compared to what he has had since the middle of August. Joey can map out a good trip from this spot & I like him to land somewhere underneath again today.

RACE 6 Selections

#6 RED DIRT LOVENLIFE has been racing in the mid-upper-level conditions for most of 2026, the 17-time winner jiggy jogged at the \$601L5 level in line to catch driver Red Doucet two starts back in a seasonal best effort of 1:59.3. She took a jump up in class last week & got away at the back of the bus but still put forward a nice effort of 1:59.4. She draws the dreaded post 6 in the second Celtic elimination, but this is easier company for her compared to what she has raced against this year. She is the one to beat in this elimination even with the tough post.

#1 MJ RAE invades from the Inverness Raceway for Ryder & Andrew MacLean sporting a solid 3 wins & 6 top 3 finishes from 18 starts in 2026 including a new speed badge of 2:00.4. This fella usually does his best work when on the front end as you can see back on August 30th he was a wire-to-wire winner for Andrew in 2:01.4. A front-end speed mission is his best chance at punching his ticket to next weeks final & I think he does so.

#2 CHECK YOUR SOURCE just missed going back-to-back last week as he was picked off in the final strides by Don't Ask Logan. Joe Poirier put the 17-time winner right on the choo-choo in the go home pace & raced well in anticipation for this series. He gets a great inside post to work with for Joe today & should get a great trip behind the

RACE 7 Selections

#5 THUNDER ALLEY takes a drop down out of the top class after some very respectable efforts dating back to the beginning of August. The classy 43-time winner has been consistently pacing in the 1:56-1:57 range while chasing the best the Downs has to offer & has finished as best as second in the top class. Everytime he drops down from the top class to this level he is usually sent right to the front & does not look back. Mark Pezzarello keeps the drive from an outside post today & he looks to be the clear cut one to beat in the anchor leg of the pick 4.

#1 KOUNTRY DIAMOND made his first start in well over a month last week from an outside post in line to catch driver Corey MacPherson. Considering it was the first time we have seen the son of Lazarus since August 13th I thought he put forward a nice effort finishing fourth stopping his own clock in 1:59.2. He has a start under his belt and gets rail control today, I don't see him tackling our top choice but if TA for some reason doesn't bring his best, he becomes the one to beat.

#7 PAYLINE has had some tough luck at the draw since returning from Old Home Week for Roddie Gillis. He was able to pickup a cheque at this level last week from the far outside post 6, he gets a back tier post to work with today & has some serious speed to follow so I like him to spice up the exotics.

RACE 8 Selections

#1 IGOT SOCKS is the second Inverness invader for this Celtic Financial series, the Donald Beaton trainee has rallied off back-to-back wins leading up to this elimination including a seasonal best of 2:00.3 in his latest with a couple snappy 28 second final quarters in those wins. He gets rail control in the third & final elimination today for Keigan Madden who picks up the livest of catch drives here. I think it is 4 turns & onto next weeks final for this guy so I like him to pickup career win #30 & is my best bet of the day.

#2 SAULSBROOK HONEY is just 1 for 16 in the win column in 2026 but has raced well right from the very start while hitting the top 3 at a 50% rate coming into this elimination including 5 of her last 6 being on the ticket. She gets a great inside post to work with for trainer John Hawco today & I like her to be glued to our best bets helmet the whole way to spice up the exactor & make next weeks final.

#3 GENTRY SEELSTER took a step up to the \$601L5 last week but unfortunately the trip didn't work out & he finished 7th. The start before that one however was a gusty runner up finish to a class dropping Savoir Duharas. Adam Lynk will catch drive the 24-time winner today & with a good post to work with I like him to land somewhere on the ticket.

RACE 9 Selections

#5 ARAGONITE is making his fourth start since joining team Rankin & Sherry Gillis, he never seen the pylons in his Northside debut on August 29th & raced well finishing fourth. Red Doucet picked up the catch drive the last two weeks & air mailed the son of Sportswriter two starts back to a 1:56.3 top class score. He ran into Mappos Lion last week but was the best of the rest finishing second after a long first over trip. Keigan Madden picks up a very live catch drive today in the top-class winners over & even with the outside post today, he is the sharpest in here right now & the one to knockoff.

#4 ALRITEALRITEALRITE had rail control in last weeks top class & Kevin Bailey put the hammer down through the first turn to guard the rail before relinquishing to Mappos Lion just before the opening quarter. The stud son of Lazarus kept up in the pocket for as long as he could, but when the winner sprinted away it was an all-out battle for second which he just got nipped for by Aragonite in the final strides. Mark Pezzarello gets the catch drive call for the second time with regular pilot Kevin Bailey out of town, he gets a middle of the pack post to work with today & has his two biggest threats draw outside of him so a return trip to the winners circle is certainly in the cards for him today.

#6 HUGH HEFF was also involved in the 4 across battle for second place in last weeks top class, the defending back-to-back horse of the year at Northside had been rounding into form going into last weeks contest & still put forward a good effort of 1:57.2 despite the fifth-place finish. He gets stuck with the dreaded outside post 6 today so we will use Hughie & Randy underneath.

RACE 10 Selections

#1 SUNNY BO has been a mainstay in the optional \$5,000 claimer since arriving at Northside for team Hawco earlier in 2026. The classy 35-time winner suffered a broken hopple before the word go last week & had to be pulled up because of it. He takes a slight drop down the class ladder today to this \$451L5 level & gets the coveted rail for trainer/driver John Hawco. This guy loves to be on the front end & that is where he will be today when the wings fold if everything goes right making him the one to beat in the go home pace.

#5 KISS ME IM IRISH took a big drop down to the \$351L5 level last start for team MacNeil making her second start back on a regular race rotation & she cleared to the front in the second quarter but could not fend off Rockinforreal in the late goings to finish second. The classy 41-time winner takes a small step back up the class ladder today & was pilot Mark Pezzarello's choice to drive over 3 others in here, she may not be the mare of the year we once knew but this is still a spot where she can find the winners circle.

#2 RED DIRT LEGACY was interfered with at this level last week from a tricky back tier post & some hot fractions never seen her get in the race. The 5-time winner by Shanghai Phil gets a much-improved post today & should enjoy a snug ride behind Sunny Bo to land on the ticket.
