Regulations and Information

General

All Pari-Mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by the Canadian Pari-Mutuel Agency. All tickets should be held until the race is declared official and the prices are posted. Notice boards are located in the Grandstand. The approximate odds represent only the probable payout price of the win pool at the time they are posted and have no bearing on the payout price of any other pool.

Where the appropriate odds for any horse posted at "1 to 9" the pay out price based on a \$2.00 ticket in the win pool may be \$2.10. Where the approximate odds for any horse are posted as "99:1", the pay out price based on a \$2.00 ticket in the win pool may be greater than \$200.00.

As per Provincial Regulatory Rules, no person under the age of 19 shall purchase or cash a Pari-Mutuel ticket.

A winning ticket is valid indefinitely.

Entries and Mutuel Fields

"Entry" means two or more horses in the same race which for the purpose of pari-mutuel betting are coupled or considered as the same betting interest. The most common reason for the coupling of horses in entry is the fact that they are owned by the same person. "Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel system. Subject to the Regulations, a bet on one horse of an entry or mutual field shall be considered a bet on all horses in the entry or mutual field starts in the race. All tickets purchased on the entry or mutual field remains valid.

Daily Double Betting (Including Late Double)

A "Daily Double" is a betting transaction in which a purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools opened on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holder of tickets on such horses, coupled with the winner of the first daily double race shall participate in a Consolation Daily Double.

Exactor Betting

An Exactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different betting interest to finish in the exact official order of finish, in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Quinella Betting

A Quinella bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different interest to finish, in either order to finish in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Triactor Betting

A Triactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first three horses representing different interest to finish, in the exact official order to finish, in the race in which the pool is operated.

Superfecta Betting

A Superfecta is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interest to finish in the exact official order of finish, in the race on which the feature is operated.

Pick 3, 4, 5, 6, and 7 Pools

The Pick 3, 4, 5, 6, and 7 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of the 3, 4, 5, 6, or 7 successive races specified for the Pick 3, 4, 5, 6, and 7 respectively. Winning tickets and a mandatory payout of the pick 3, 4, 5, 6, and 7 are determined in the following sequence: a) winners of all legs, b) most winners, c) most second place finishes or d) sequentially thereafter. Where no tickets have been sold coupling the official winners of every leg of the Pick 3, 4, 5, 6, and 7 and a mandatory payout does not apply, 25% of the day's net pool is paid out as detailed above while 75% is accumulated and carried over.

Pick 3, 4, 5, 6, and 7 Scratches

In the event a Pick 3, 4, 5, 6, or 7 ticket designates as a selection a horse which is scratched, excused or determined by the judges to be a non-starter in any of the races comprising the pick 3, 4, 5, 6, or 7 the favorite as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratched occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favorites is identical, the selection with the lowest program number shall be substituted for the scratched horse.

Refunds

Subject to the regulations, all monies in all pools on a race are refunded where the race is cancelled, declared no contest, postponed beyond the racing card for which it was scheduled, subject to a change in distance after betting has commenced, or where the running or the finish of the race can not be properly judged.

Common Pool Wagering (Intertrack Betting)

Subject to the regulations, in the unlikely event of a communications or computer system failure, various courses of action may result depending on the nature of the breakdown. Bets from the affected sites, including advance bets, may be refunded. Customers will be advised of the course of action.

Outstanding uncashed tickets from January 1, 2019 to March 31, 2019: \$6,684.21.

The Breaking Rule

All prices in Canada must be broken to the nickel as per section 204 of the Criminal Code of Canada. For every \$1.00 bet, the minimum winning amount you will get is \$1.05 for each dollar wagered.

Drug Testing

Drug testing ensures the integrity of all races contested at Northside Downs and in conjunction with the Atlantic Provinces Harness Racing Commission pre-race blood gas analysis are conducted at random on selected horses. Post race urine tests are conducted according to the Canadian Pari-Mutuel Agency regulations.

Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

2 Types of bets

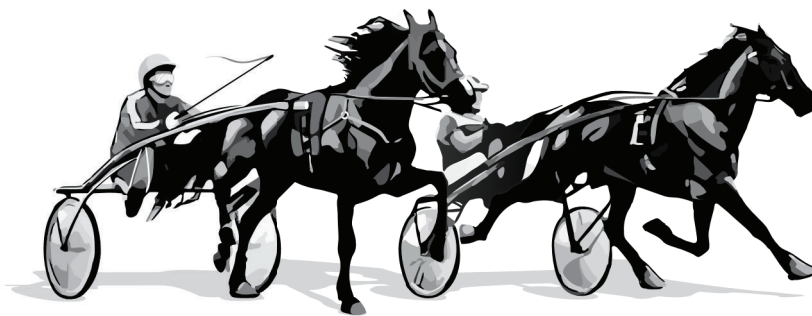

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	UUU	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	UUUU	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	UUUUUU	Pick the winners of two designated consecutive races.
Triactor*	UUUUUUU	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	UUUUUUUU	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.
Pick 4	UUUUUUUU	Pick the winner for 4 consecutive races, big payoff possible. This typically starts in race 4. They you pick race 4-5-6 and 7
Pick 5	UUUUUUUUU	Pick the winner for 5 consecutive races, big payoff possible. This typically starts in race 2. They you pick race 2-3-4-5 and 6

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit

3 Choosing your horse

How to read the program

All of the numbers and letters in the program might seem confusing or overwhelming at first but focusing on these sections makes choosing a horse simple.

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

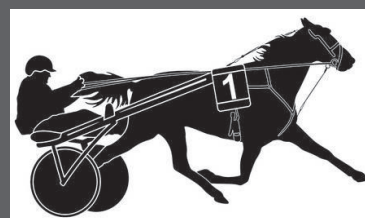

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

CHARLES “CHARLIE” AUCOIN

August 23, 1946 - September 12, 2026

On September 12th of this year, the racing community lost long time horseman Charlie Aucoin. Charlie was a coal miner for 35 years but found his true passion in the early 70's when he teamed up with longtime friend Julie Reuland to purchase his first horse Miramichi Beth. This was the beginning of a lifetime passion that lasted over fifty years.

Charlie had owned several horses over the years, including RE's Byrd and Bound For Glory with Georgie Reuland, SB Artist with longtime friend Peter MacKinnon and most recently stake winner Pictonians Cyrus and his personal favorite Broadway Bill with his nephew Jamie Hogan. Charlie always found a way to sneak away from work to look after his horses and was known to be an exceptional caretaker. He was committed to making sure they were jogged no matter what the weather, even if everyone else was taking the day off.

Charlie considered Tartan Downs to be his home track, but he loved travelling to tracks around the Maritimes where he found and made many lifelong friends. He had a deep sense of humor and was known for his quick wit. He was also well known for his love of food, and road trips were always planned around multiple pit stops at various restaurants along the way. If there is a racetrack in Heaven, we know he is there with all those that have gone before him cheering on from the skies. His presence will be truly missed by his family, friends, and his horses at home.

RACE 1 SELECTIONS

4

BY RON ROSE has struggled to find his footing in his first season as an aged racehorse for the red-hot Jake Jacobs stable. The roan son of Tobago Cays flashed ability last season, sporting 2 wins from 13 starts with a best of 2:03.1. 2026 has not been as kind as he comes into this event last racing on July 11th where he made a break. He reunites with Redmond Doucet today however who got along well with him when he piloted him last year. A clean line will be priority #1 & if he does stay flat, he will prove tough to handle to kickoff an exciting 10 dash card.

5

TOPOFTHEBARMATMAGS has endured some overland trips since getting back on a regular race rotation three starts back for Ken Passerini. The stud son of Cougar Hall has hit the board in 3 of his 5 starts in 2026 with his best placing being a runner up finish to Finer Things two starts back from the dreaded post 6. He takes a small step down the class ladder today to this bottom level condition for Passerini & with an outside post I expect another trip on the outside as the grinder looks for career win #2 today in a wide-open race.

7

SATURDAYNIGHTFEVER was the best of the rest at this level last week as the son of Dancin Lou was a runner-up finisher to American Starlight who romped. Martin Bates & the Angus Gillis trainee have hit the board in 3 of their 4 starts so far in 2026, he gets a tricky back tier post to work with today so I can see Martin letting the dust settle & then making his move in attempt to get him to the winner's circle for the first time since arriving at the Downs.

RACE 2 SELECTIONS

2

KOUNTRY DIAMOND made his first start in over a month two starts back & was a solid fourth place finisher from an outside post. Last week he was off the rail in line to catch driver Harold Leblanc Jr he put the hammer down early to command the lead but could not fend off a class dropping Thunder Alley & had to settle for the deuce. He stays put at the same level today & reunites with top driver Mark Pezzarello & gets a wicked inside post, he has a little early speed to his inside, but I think Payline would enjoy a perfect pocket ride behind this guy in the opening leg of today's pick 5, I like him to go gate to wire.

4

BETTIE WHITE invades from the Inverness Raceway today for trainer/driver Zach Mullins & the MacLellan family, the beauty grey daughter of Arthur Blue Chip is having a solid season, sporting two wins & nine top 3 finishes from 19 starts with a seasonal best of 1:58.2 coming back on September 2nd. She gets a mid pack post to work with today for Zach & should find cover to follow, she has won at the Downs before at a nice price so she cannot be left off daily double & pick 5 tickets today.

1

PAYLINE is coming off a vet scratch sick, he took a trip to Old Home Week in PEI in August & raced well but since returning has had no luck at the draw drawing 4,5,6 in his last three starts. That changes today as he & Roddie Gillis get rail control today, I would expect our top choice to beat him out when the wings fold, but either way in the pocket or off the front, he can get his picture taken today in this compact but competitive field of 6.

RACE 3 SELECTIONS

1

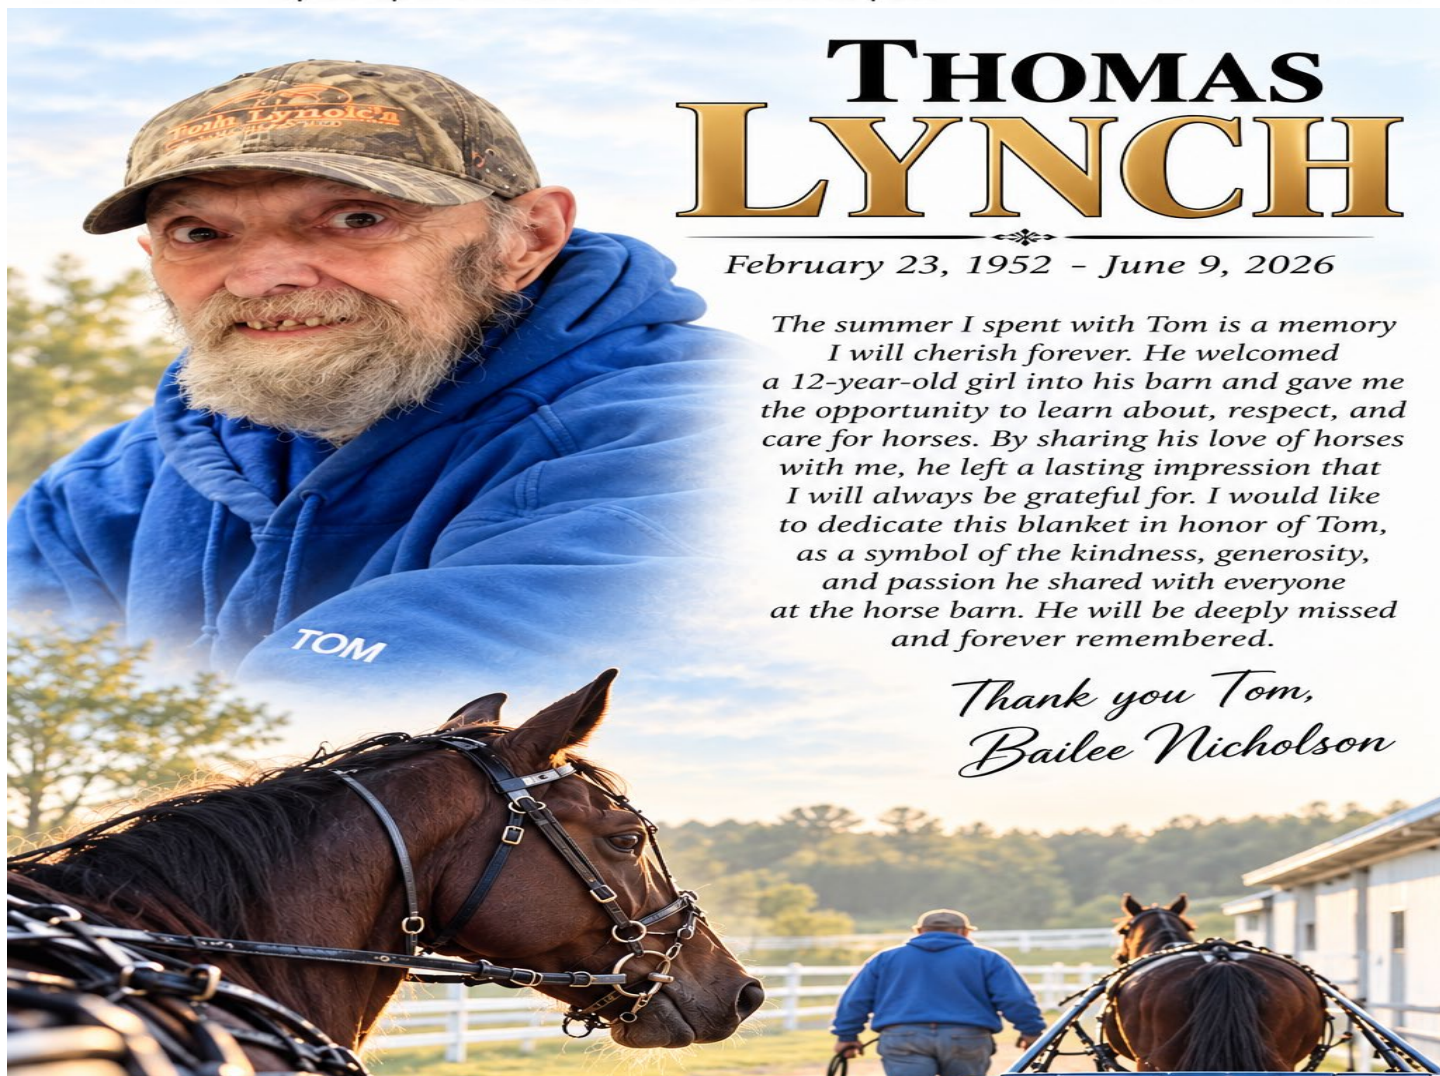

AMERICAN STARLIGHT dropped & popped last week by over 14 lengths just missing her lifetime best stopping the clock in 2:01.1 for the hot trainer/driver tandem of Jake Jacobs & Mark Pezzarello. She takes one step up the class ladder today but gets the coveted rail control for Mark, she will be handed the lead in here off the rail & any effort close to last weeks will see her double at a short price.

2

WINE N CHEDDAR gets some serious class relief today for the Big M & trainer Warren MacKinnon. The 14-time winner has hit the board in 10 of her 19 starts so far in 2026 with a new speed badge of 1:58.1 coming earlier on in the summertime. Since then, the mare has struggled to refind that form but gets a great post to work with on the drop down, she should get a great trip in here & is in with a shot.

6

A FIGHTING CHANCE tried his luck in the Celtic series but unfortunately drew a tough division & never got into the race for catch driver Carey Romeo as he finished 7th but still paced in a solid 2:02.1. He returns to the NW3 today & gets stuck with the dreaded post 6 but does get the services of Red Doucet between the wheels. He can spice up the exotics from the outside post.

THOMAS LYNCH

February 23, 1952 - June 9, 2026

The summer I spent with Tom is a memory I will cherish forever. He welcomed a 12-year-old girl into his barn and gave me the opportunity to learn about, respect, and care for horses. By sharing his love of horses with me, he left a lasting impression that I will always be grateful for. I would like to dedicate this blanket in honor of Tom, as a symbol of the kindness, generosity, and passion he shared with everyone at the horse barn. He will be deeply missed and forever remembered.

*Thank you Tom,
Bailee Nicholson*

PETER'S PICKS

RACE 4 SELECTIONS

4

GENTRY SEELSTER just missed getting in the \$4,000 final as he finished third but unfortunately paced the slowest mile of the 3 third place finishers so he gets a spot in this \$2,500 Celtic financial consolation. Catch driver Adam Lynk pulled the son of Mach Three first up in the second quarter over some slow fraction & fired home a 29.2 final quarter. Larry Snow is back in town today & has 2 entries in this consolation & he opts to stick with Gentry. His stablemate guards the rail & Larry keeps on coming to clear to the lead, so I like him to score career win #25 with Gentry today.

1

BOYS TURN was first to sacrifice in his elimination last week for catch driver Andrew Maclean & the classy 38-time winner held tough until the head of the stretch & faded to sixth but still paced a very respectable mile of 2:01.2. He is the second horse in this \$2,500 consolation being sent out by team Snow/Poswiata & he gets rail control to work with for Adam Lynk. He guards the rail & releases his stablemate, I can a Snow trainee exactor happening here.

7

HOWMAN NAPOLEON was one of the favourites for this series coming into last weeks elimination as he had 2 wins in a row coming into that contest but unfortunately got stuck with the dreaded post 6 & had to race from off the pace which isn't his cup of tea. He still fired home a 29.4 closing quarter while being out for most of the mile, he gets a back tier post to work with today for catch driver Zach Mullins & has some speed to follow, he will get a ground saving trip in here to land somewhere on the ticket.

Thank You

FOR YOUR SUPPORT

IN HELPING BUILD OUR FUTURE

To the **Province of Nova Scotia** and all Government officials who played a part in helping Northside Downs obtain the funding required to make this vision possible we thank you.

To **Hon. Minister Fred Tilley** and his office for their unwavering support and patience.

Thank you to the **Department of Communities, Culture, Tourism and Heritage** through the **Business ACCESS-Ability** funding for approving our applications in order that we could make our property more accessible for all to enjoy.

To the **Cape Breton Regional Municipality** for all you have done for us, your support and guidance we thank you.

Thank you to **Herridge's Contracting** for their continued hard work in helping to revitalize our grounds, your time, effort, and patience has resulted in our new barn, our viewing deck area and the extension on the grandstand to make them an accessible part of our grounds, are truly appreciated.

To **MacDonald's Backhoe and Trucking** thank you for the addition to our parking area which was very much needed for our patrons and horse owners alike to have a place to park. This addition came at the end of the other projects as we didn't realize we needed it until the end.

A special thanks to the **Harness Racing Cape Breton Board of Directors, the horse owners and staff** for their patience and support.

And a Special Thank You to Diane Collins and Joel LeBlanc
for their countless hours campaigning, filling out paperwork,
calling in favors, and overseeing the entire project.

PETER'S PICKS

RACE 5 SELECTIONS

4

SIDEKICK got issued a doozy of a Regent Street parking ticket last week by the Inverness invader MJ Rae in an elimination of the Celtic series. The 15-time winner from the same mid pack post he has today was sent by Carey Romeo as soon as the wings folded but could not clear the lead & faded in the final half. He takes a considerable drop down the class ladder today to a similar level where he was a winner at back on August 13th. I think catch driver Red Doucet is in for a large day at the Downs & I like his chances with the son of Racing Hill if the trip is right.

3

SUNNY BO almost went gate to wire last week in the go home pace but got collared late in the stretch by Kiss Me Im Irish & Bobjohnski to finish third. He finally gets to make his second start in a row after being laid up for two weeks & then suffered broken equipment on September 19th. He takes a small step down the class ladder for team Hawco today & will be gunning for the lead when the wings close, he is the other I would use in multi leg wagers.

1

RED DIRT LEGACY drops back down to the level she took her lifetime mark of 2:00.2 at back on August 8th for team O'Donnell & Mark Pezzarello. Since then, the daughter of Shanghai Phil has one top 3 finish but gets rail control today on the drop down. I think she relinquishes to Sunny Bo today to get a perfect pocket ride or potentially put the hammer down & try to go wire-to-wire like the day she took her career best.

PETER'S PICKS

RACE 6 SELECTIONS

2

ELM GROVE QWIGGLY gets some serious class relief today after being a mainstay in the top-class winners over & backup \$1001L5 class since re-entering the Larry Snow stable earlier this season. The 24-time winner left from the dreaded post 6 last week so we will write that one off but the start before that one he was a handy runner up to Revenant in 1:59.1. He gets a great post to work with today for Larry & I like him to go right down the highway in the anchor leg of the pick 5.

3

RED RUM SHE WROTE took a drop down to this level two starts back & was issued a Regent Street parking ticket from an inside post & faded to seventh, last week the classy 42-time winner was taken to the back of the bus from an outside post. She gets a much better post to work with today for Martin Bates & will lock horns with our top choice at some point in the mile & is his main threat.

4

DAVID LLOYD GEORGE is finding his best form in 2026 for team Madden & trainer Harold Leblanc Jr, parked every step of the way last week on a jump up in class the 32-time winner raced wicked to finish third in 1:59.2. George & Keigan get a mid pack post to work with today & I like them to hit the ticket for the 10th time in 2026 today.

MICHELLE RICH MEMORIAL

December 27th, 1969 - January 28th, 2018

Michelle Rich's love for harness racing began over 30 years ago with her husband Kenny Rich. If you were ever looking for Michelle on a Saturday you would find her at the fence at Northside Downs cheering on her horses. Michelle had owned many horses over the years, such as Means to the end, St. Paddy's luck, Camco Qready and her favorite Gracious Minnie. She would love making special trips to the barn to give the horses peppermints. Michelle enjoyed watching Kenny and her daughter Stephanie working together with the horses. She also loved bringing the grandchildren over to cheer on the races. When Michelle was in the hospital you would find her and Kenny hooking up the computer on Saturday to make sure they wouldn't miss a race day.

*Michelle's smile will always be remembered
and she will be forever missed around the track.*

PETER'S PICKS

RACE 7 SELECTIONS

2

ROLLINREAD left from the back tier post 7 in his last two starts, last week he took a drop down to this class level & raced well to finish fourth stopping his own clock in 2:01.3. He sports 2 wins from 17 starts in 2026 coming into this contest for team Morrison with a seasonal best of 2:00.1 taken back on August 8th at this level. Red Doucet gets the catch drive call today from an inside post, it will be a cavalry charge into the first turn in a compact but competitive field of 6. Red has found the winners circle already once this year with him, so I like him to cap off the pick 4.

1

D A PLAYERSDELIGHT gets some major post relief today for Martin Bates, the improving son of Shadow Play took a drop down to this level two starts back but has drawn the dreaded post 6 in both of those races, not giving him much of a shot. He paced two sub 2:00 miles in those dashes & gets rail control today, he certainly will be guarding his position when the wings fold & he is in with a great shot at getting lifetime win #8.

3

BEERS ON ME had the rail at this level last week for team Murphy & regular pilot Adam Lynk, he got a textbook two-hole trip behind Chocolate Swirl but could not get near the sharp front runner finishing second in 1:58.4. He gets a good post in this short field, but I'll opt to use him underneath today.

DON'T ASK LOGAN put the hammer down in his elimination last week & got a :31 second quarter breather in for Mark Pezzarello & it was game, set, match as the 44-time winner scored by over 4 lengths in 1:59.4. The 3 elimination winners all drawing 4 or better sets this up to be a fantastic race for \$4,000. The trainer/driver duo of Jake Jacobs & Mark Pezzarello has been red hot scoring 2 wins in last weeks card, he gets a wicked inside draw with a non-frontrunner to his inside so he will be the early leader in here. You could genuinely make a case for a handful of horses to capture the final, but we will side with the one who draws the best.

4

IGOT SOCKS invaded from the Inverness Raceway last week & in line to catch driver Keigan Madden cruised to an easy score by 2 lengths in 2:01.4. He came back the very next day on Sunday at Inverness and paced a mile in 2:00.2 for Keigan finishing third. Rodney Gillis his regular pilot makes the trip down today & they get a spot right behind the starting car. He will have to do it the hard way with DAL to his inside, but he can take some air, he will be hard to fend off in here.

7

RED DIRT LOVENLIFE never seen the pylons in last weeks elimination from the dreaded post 6 & was able to pickup a solid third place finish, punching her ticket to today's race. Trainer John Hawco sends out 3 starters in this \$4,000 final & unfortunately posts 6, 7 & 8. Catch driver Red Doucet reunites with the 17-time winner today who linked up for a win with this mare back on September 12th. She was one of the major contenders coming into this series & she gets a back tier draw to work with in the final. If she can stay glued to DAL helmet when the wings fold, she can get a great trip in here & capture it all.

PETER'S PICKS

RACE 9 SELECTIONS

1

ALRITEALRITEALRITE didn't have to worry about Mappos Lion last week & Jiggy jogged off a half in 1:00.4 in line to catch driver Mark Pezzarello who scooted away from them in the back half stopping the clock in 1:58.2. Mark gets the call again from trainer Heather Hawkins with Kevin Bailey out of town. He gets rail control for the fourth time in his last six starts in the top-class winners over. There is a big chance this race lines up in the programmed order when the wings fold so this fella should get all the respect up front & double up at a short price on the tote board.

2

THUNDER ALLEY took a drop down from the top-class last week & did not disappoint the betting public as the classy 44-time winner delivered as the odd on favourite by over 2 lengths in 1:57.3. He steps back up to face the top dogs once again today where he has had some very respectable finishes against the best the Downs has had to offer all year. He gets a great inside post to work with today for catch driver Red Doucet who should have him glued to his stablemates helmet the entire way.

3

HUGH HEFF raced great again last week from the dreaded post 6 firing home a 28.1 final quarter just getting nipped for second by Ranked Contender. The 52-time winner & Randy get a better post to work with today but cannot seem to draw inside his main rivals, he will be out & going early in his patented style & we have seen him tackle Alritealritealrite before despite drawing to his outside.

GERALD JARDINE MEMORIAL

Gerald started his career in the 1950s, training and driving for 'The Boys from Port Hood' — Richard Moran, Henry Macmillan and D.A. McDonnell.

Some of his favourite horses were Mack Stout, Lou Dominion, and West River Ed.

After retiring from training and driving he was paddock judge first at Tartan Downs and then at Northside Downs. He was a member of the Maritime Harness Racing Commission and was inducted into the Cape Breton Horsemen's Hall of Fame.

Gerald truly loved the horse racing industry. His legacy and love of horses continues to live on through his sons Ralph and Kevin, who are still involved in the industry through breeding and racing horses such as Harborlite Jerry and Harborlite Ambrose.

RACE 10 SELECTIONS

1

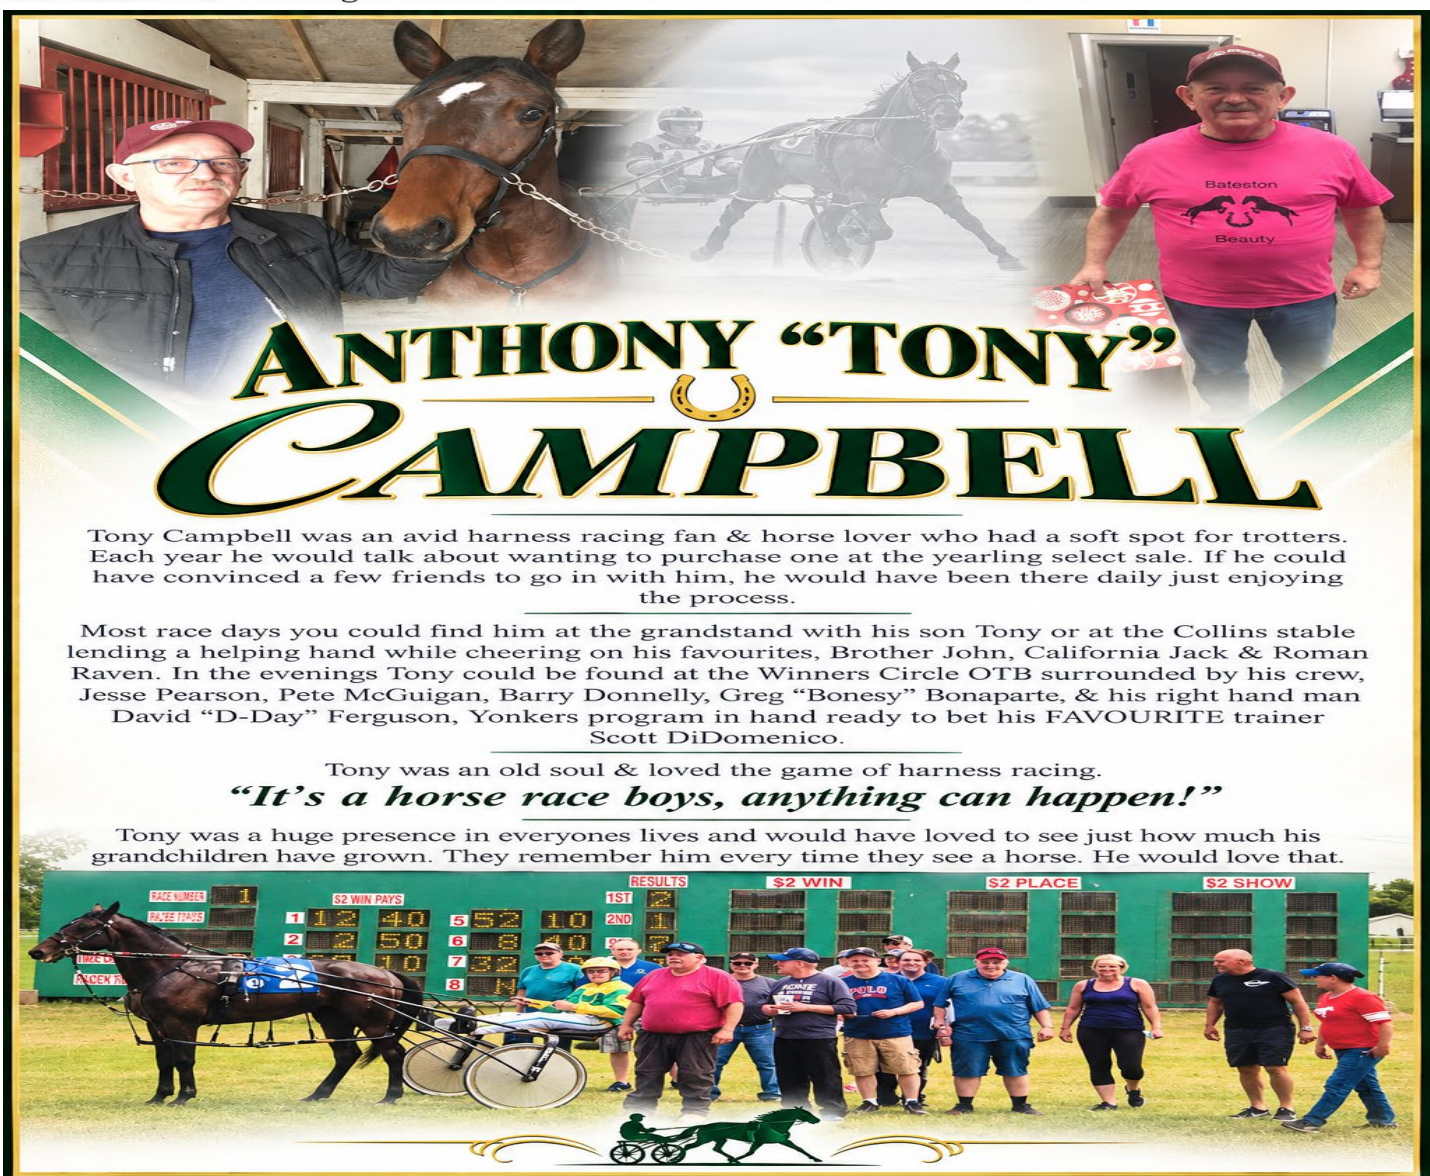

DONTBLVMEJUSTWATCH takes a drop back down to this \$601L5 level where he was the easiest of winners in 1:59.2 two starts back for team Getto, Wayne Hardy & Susan Macsween. He jumped up to the \$855L5 level last week & from the back tier finished fourth for Randy in 1:59.2. He gets rail control today in the go home pace as he searches for career win #33. A drop & pop right down the highway score looks to be imminent here off the rail so he is my best bet of the day.

7

MAVERICK TREASURE had the dreaded post 6 last week & was on the outside for most of the mile so we will write that one off. Two starts back in line to catch driver Marc Campbell off the rail in the \$5,000 claimer he cruised to an easy victory in 2:01. He gets a back tier post & will leave right behind our best bet so I like him & catch driver Larry Snow to stay right on his helmet for as long as possible.

3

CROSSCUT hit the ticket once again last week for Caleb MacNeil & Joe Poirier, the classy 35-time winner I've referred to as an ATM machine over the year as he is one of the best to include on your triactor & superfectas. He gets a good post to work with today for Joey & he will be the thorn in our best bets side as he grinds him down.
