Emailed association on Oct 22, 2024 to find out if Is 25.50% the correct rate for the Superfecta and the Trifecta? Or should be it be 21.50%? Reply from Klaus: Arizona Downs hasn't run for a while, so we'll leave it be for now until I see they're running again.

Comments

Authorization for ATG Swedish tracks and Marieham, Aland Island (Finland) A Place pool (at the same rate as the Show pool) has been added to this application to align the approval with the tote data, as Amtote presents Show pool (that pays up to 3 dividends) as a Place pool.
