## Regulations and Information

### General

All Pari-Mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by the Canadian Pari-Mutuel Agency. All tickets should be held until the race is declared official and the prices are posted. Notice boards are located in the Grandstand. The approximate odds represent only the probable payout price of the win pool at the time they are posted and have no bearing on the payout price of any other pool.

Where the appropriate odds for any horse posted at "1 to 9" the pay out price based on a \$2.00 ticket in the win pool may be \$2.10. Where the approximate odds for any horse are posted as "99:1", the pay out price based on a \$2.00 ticket in the win pool may be greater than \$200.00.

**As per Provincial Regulatory Rules, no person under the age of 19 shall purchase or cash a Pari-Mutuel ticket.**

A winning ticket is valid indefinitely.

### Entries and Mutuel Fields

"Entry" means two or more horses in the same race which for the purpose of pari-mutuel betting are coupled or considered as the same betting interest. The most common reason for the coupling of horses in entry is the fact that they are owned by the same person. "Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel system. Subject to the Regulations, a bet on one horse of an entry or mutual field shall be considered a bet on all horses in the entry or mutual field starts in the race. All tickets purchased on the entry or mutual field remains valid.

### Daily Double Betting (Including Late Double)

A "Daily Double" is a betting transaction in which a purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools opened on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holder of tickets on such horses, coupled with the winner of the first daily double race shall participate in a Consolation Daily Double.

### Exactor Betting

An Exactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different betting interest to finish in the exact official order of finish, in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

### Quinella Betting

A Quinella bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different interest to finish, in either order to finish in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

### Triactor Betting

A Triactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first three horses representing different interest to finish, in the exact official order to finish, in the race in which the pool is operated.

### Superfecta Betting

A Superfecta is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interest to finish in the exact official order of finish, in the race on which the feature is operated.

### Pick 3, 4, 5, 6, and 7 Pools

The Pick 3, 4, 5, 6, and 7 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of the 3, 4, 5, 6, or 7 successive races specified for the Pick 3, 4, 5, 6, and 7 respectively. Winning tickets and a mandatory payout of the pick 3, 4, 5, 6, and 7 are determined in the following sequence: a) winners of all legs, b) most winners, c) most second place finishes or d) sequentially thereafter. Where no tickets have been sold coupling the official winners of every leg of the Pick 3, 4, 5, 6, and 7 and a mandatory payout does not apply, 25% of the day's net pool is paid out as detailed above while 75% is accumulated and carried over.

### Pick 3, 4, 5, 6, and 7 Scratches

In the event a Pick 3, 4, 5, 6, or 7 ticket designates as a selection a horse which is scratched, excused or determined by the judges to be a non-starter in any of the races comprising the pick 3, 4, 5, 6, or 7 the favorite as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratched occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favorites is identical, the selection with the lowest program number shall be substituted for the scratched horse.

### Refunds

Subject to the regulations, all monies in all pools on a race are refunded where the race is cancelled, declared no contest, postponed beyond the racing card for which it was scheduled, subject to a change in distance after betting has commenced, or where the running or the finish of the race can not be properly judged.

### Common Pool Wagering (Intertrack Betting)

Subject to the regulations, in the unlikely event of a communications or computer system failure, various courses of action may result depending on the nature of the breakdown. Bets from the affected sites, including advance bets, may be refunded. Customers will be advised of the course of action.

Outstanding uncashed tickets from January 1, 2019 to March 31, 2019: \$6,684.21.

### The Breaking Rule

All prices in Canada must be broken to the nickel as per section 204 of the Criminal Code of Canada. For every \$1.00 bet, the minimum winning amount you will get it \$1.05 for each dollar wagered.

### Drug Testing

Drug testing ensures the integrity of all races contested at Northside Downs and in conjunction with the Atlantic Provinces Harness Racing Commission pre-race blood gas analysis are conducted at random on selected horses. Post race urine tests are conducted according to the Canadian Pari-Mutuel Agency regulations.

# Betting Basics

Some essentials to get you started with making a wager.

## 1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

## 2 Types of bets

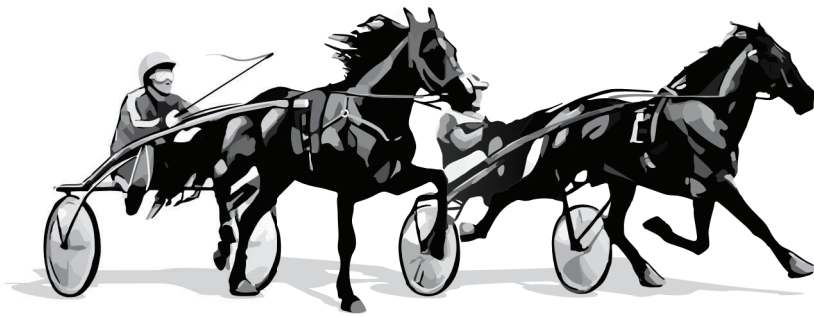

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U U	Pick the winners of two designated consecutive races.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.
Pick 4	U U U U U U U U	Pick the winner for 4 consecutive races, big payoff possible. This typically starts in race 4. They you pick race 4-5-6 and 7
Pick 5	U U U U U U U U U	Pick the winner for 5 consecutive races, big payoff possible. This typically starts in race 2. They you pick race 2-3-4-5 and 6

\* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit

## 3 Choosing your horse

### How to read the program

All of the numbers and letters in the program might seem confusing or overwhelming at first but focusing on these sections makes choosing a horse simple.

## 4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

### Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

### Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

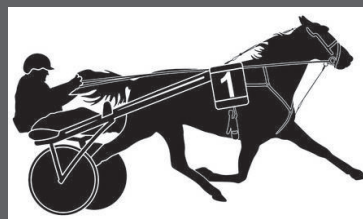

### Helpful facts for betting

- Some racetracks have a television simulcastcommentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses withcurrent odds two to three times higher than their morning line odds.

### 3 Tips to remember

**PLACE BETS** on the **FAVOURITE** pay 53% of the time **SHOW BETS** on the **FAVOURITE** pay 67% of the time

# Peter's Picks

## RACE 1 Selections

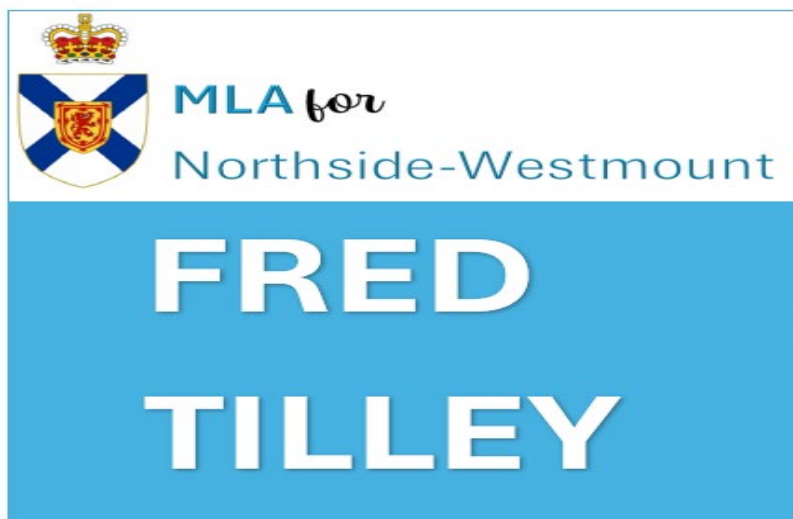

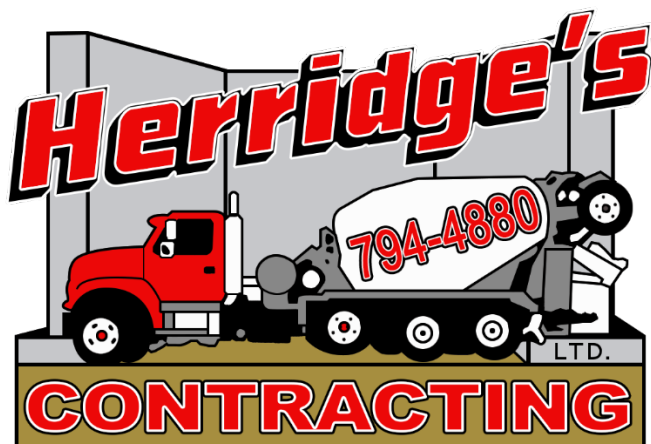

#4 **SUNSHINE LUCAS** settled away last in his qualifier, then brushed in the third quarter for Kevin Bailey & was able to fend off a stubborn Saulsbrook Honey. The three-year-old Sunshine Beach colt took a maiden mark of 2:04.1 at two & was the only one in this field to record a win in 2025. In a short field of five, Kevin has plenty of options, he can race the colt aggressive and put him on the lead or let the dust settle like he did in the qualifier & then hit the go button. He looks like the clear one to beat in the season opener.

#5 **WINDEMERE FLUSTER** the lone four-year-old in the field banked just shy of \$3,000 in 2025 and hit the board in 9 of 24 starts for Norm Fiander. She went up against much tougher in her qualifier compared to what she faces here today & I expect Adam to have her out & going early in the mile & she will be in contention to pickup her first win since her two-year-old campaign.

#1 **A VERY FANCY MAN** makes his seasonal & Cape Breton debut for new owner/trainer Danny Campbell. He finished third in his qualifier behind our top choice, pacing his own mile in 2:05.1. Larry Snow gets the catch drive call again today & with rail control; I expect him to be the early leader or enjoying a nice pocket trip.

## RACE 2 Selections

#1 **PAY LINE** had a fantastic season last year for owner/trainer/driver Roddie Gillis, recording 6 wins from 27 starts & just over \$7,500 in earnings. The stone cold closer qualified nicely for Roddie coming home in 29 seconds for a mile of 2:04.2. In a short but competitive field of 5, the 7-year-old Betterthancheddar gelding draws rail control to kickoff the first pick 5 at the Downs in 2026 & I fully expect Roddie to use it to his advantage here & go gate to wire.

#5 **KRAKEN SEELSTER** was very impressive in his qualifier last week for the Big M, getting away second behind Thunder Alley who we will see in our top-class later today, he closed home in 29.1 for a sharp 2:01.4 mile. He draws the outermost post in this short field of 5 but I still expect Ardon to be aggressive with the talented son of Lazarus. When this guy brings his "A" game he is one of the best horses on the grounds, even with the tough post, he is our top choices major danger.

#2 **ROCK AND TWIST** joined team Hawco midway through the 2025 season & raced mainly in the top two classes against the very best the Downs has to offer. He dropped & popped to the \$801L5 to end his 2025 season winning in 2:00.4. He qualified in 2:06.2 on a very windy day so that line is a bit misleading compared to some others in here. John can work out a nice trip with the now 9-year-old 34-time winner. He is the other one I would include in your pick 5 ticket.

### Pick 5 Horse Racing

The Pick 5 in horse racing is a multi-race wager that requires the bettor to select the winners of five consecutive races. It is a type of exotic bet that can offer significant payouts with relatively low risk. The Pick 5 is usually offered on the last five races of the day, but can sometimes be offered on other races. The minimum bet is usually \$2, with the minimum payout being \$2.50. The payouts can be considerably larger, depending on the number of horses in each race and the number of bets placed. To hit the Pick 5, you need to have a good understanding of the horses, the track condition, and the jockey form. It's important to do your homework and research the horses before placing a bet. It's also important to develop a betting strategy. You can use a variety of strategies, such as spreading your bets, betting on favorites, or focusing on longshots.

## RACE 3 Selections

#1 **AFAIR SOMEWHERE** had an up & down 2025 season, recording over \$4,000 in purses & a seasonal best of 1:59.2. He starts his 2026 campaign off with rail control for the Big M & new trainer Warren MacKinnon. A tidy qualifier of 2:04 with a nice closing quarter of 30.1 should have him ready to roll today in a short field of 6. With hardly any gate speed to his outside, he should be handed the lead in here & not look back to start his 2026 season off with a win.

#5 **MAVERICK TREASURE** started his racing career in 2025, recording 2 wins & hitting the board in 7 of 10 starts. He really impressed me in his qualifier, moving out of the 3-hole going up the backside & was able to nose out Rollinread at the wire in 2:03.3 with a closing quarter of 30.3. Warren MacKinnon also now trains & will drive the now 4-year-old Malicious gelding. He could wind up right on his stablemates helmet early & will round out our MacKinnon trainee exactor.

#4 **SONNY JAX** took a new lifetime mark last season for Debra Rankin of 1:59.1 while recording 4 wins from 28 starts. The son of Pang Shui was covered up the whole qualifying mile in 2:04.1. With the two to his inside not known for leaving, he should be forwardly placed here & cannot be left off your exotic wagers.

## RACE 4 Selections

**#2 SAULSBROOK HONEY** got an aggressive steer in her qualifier with trainer John Hawco in the sulky, he had the mare under tight lines finishing in 2:04.2. Shawn Lynk will pickup the catch drive on the 6-year-old mare who had a good 2025 season, picking up 3 wins & hitting the board in 8 of 25 starts. A compact field of 5 & an excellent post to work with I fully expect Shawn to have her on or near the lead. This race goes through her, so she has an excellent chance of kicking off the pick 4 & starting 2026 off with a win.

**#4 ROLLINREAD** was just nosed out by Maverick Treasure in his qualifier, pacing in 2:03.3. The now 4-year-old gelding was bought towards the end of the 2025 season by team Morrison. He leaves from post 4 today just like he did in his qualifying effort where he hit the front just past the quarter pole. He shows some breaks on his card at the end of last year, so we hope those troubles are left behind in 2025. If they are, he is our top choices major threat.

**#5 FARMERS FIELDSTONE** took a new speed badge last season of 2:01.2 for Richie O'Donnell & driver of the year Mark Pezzarello. She was sent to the front in her qualifier & finished third pacing in 2:04.1 with a closing quarter of 30.3. She gets stuck with a bad draw in her 2026 debut, but Mark is more than capable of working out a good trip for her here.

### Explanation of Pick 4 in Horse Racing

The Pick 4 in horse racing is a multi-race wager where bettors must correctly select the winners of four consecutive races on a single race card. This type of bet is more challenging than single-race bets and can yield larger payouts if all four winners are correctly predicted. The Pick 4 bet is structured so that you select the winning horse in each of the four designated races, with each win increasing the potential payout. If one selection fails to win, the entire wager is void. The Pick 4 bet is a sophisticated way to enjoy horse racing, combining strategy, risk, and the excitement of the sport.

# Peter's Picks

## RACE 5 Selections

**#2 CANDID CAMERON** was razor sharp in his qualifying effort, closing home in a snappy 29.2 & pacing his own mile in 2:03.1. He was wrapped up finishing the mile & gets a nice draw to work with today. Larry Snow gets the catch drive call on the classy veteran pacer today. He won 8 times from 30 starts in 2025 & should get a garden trip either on the lead or in the pocket. Co-owner & now trainer Colin Rankin looks for his first standardbred training win & he's in with a great shot at doing so here.

**#1 JIMS BIG THRILL** finished second to our top choice in his qualifier but did have the best final quarter of the bunch, closing home in 28.4 with trainer Warren MacKinnon in the sulky. He took a seasonal best of 1:58.4 his last start of the 2025 season. He draws rail control & gets the Big M back in the bike who gets along well with 18-time winner. Expect a regent street parking ticket to be issued here if he can beat the one to his outside off the gate & the son of Big Jim cannot be left off multi leg tickets.

**#3 CROSSCUT** makes his Cape Breton debut for new owner Caleb MacNeil & trainer Joe Poirier. Joe qualified the classy 10-year-old in 2:03.4 closing home in 30.1 while being on the outside first up. Out of the two Poirier trainees, Joey opted to stick and drive the 31-time winner. He is a notorious grinder/closer type of horse from his time in Ontario & PEI, so I like his chances to hit the ticket on opening day.

## RACE 6 Selections

#2 **THUNDER ALLEY** was an easy winner in his lone qualifying effort stopping the clock in 2:01.3 with a nice 29.2 last quarter. The now 10-year-old gelding racked up 7 wins & over \$8,500 in purses last season. Known for his amazing gate speed, he gets a great inside draw to work with & picks up Kevin Bailey who has no problem sending one down the road. This guy usually does his best racing early in the year, so the 2025 iron horse of the year is my best bet of the day on opening day.

#1 **RANKED CONTENDER** was one of if not the best story of the 2025 racing season here at the Downs, climbing the class ladder for Peter MacKinnon, racking up 8 wins from 24 starts & earning a new speed badge of 1:56.4. Pete's son Warren did an excellent job qualifying the 6-year-old last week, where he was a hard charging second with a final quarter of 28.4. He draws rail control with the big M hopping back in the bike & I expect him to get a dreamy pocket trip here, I just think our top choice might get the jump on him turning for home.

#3 **KOUNTRY DIAMOND** is the only horse that has two qualifiers under his belt in this field. Both winning efforts in 2:03 with a beauty 28.3 closing quarter in his most recent. He hit the board in over 50% of his starts last season, so him & Larry must be included in all exotic wagers.

## RACE 7 Selections

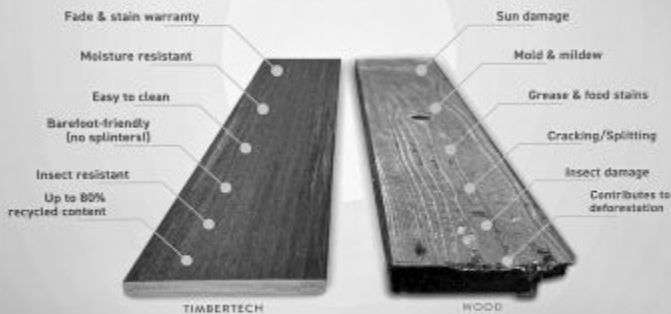

#3 **SAVOIR DUHARAS** picked up right where he left off in 2025 in his qualifier, hitting the front for team Leblanc & was an easy winner by 5 expanding lengths in 2:04.3. The son of Sunshine Beach found a great run of form in the last month of the racing season, hitting the board in 4 of his final 5 starts including two trips to the winners circle. He gets a mid pack draw to work with today, so I expect Harold to have the go button pressed right when the wings fold. I like him to go gate to wire to round out our first live card of racing in 2026.

#4 **DELLAS PLAYBOY** was also a winner in his lone qualifier for regular pilot Ardon Moffard in 2:04.3 with a 30.3 closing quarter. Ardon must drive his own mare in here, so Keigan Madden picks up a live catch drive on the veteran 19-time winner. He's always been known to endure some very tough trips over the years, so a short field should help him get settled early & then Keigan can workout a trip from there. He's one to include in your late daily double ticket.

#6 **WHIMS WONDER** banked just over \$5,000 in 2025 for Travis Campbell while also picking up a new speed badge of 158.2. I liked her lone qualifier, coming home in 30.2 under snug lines for Larry Snow. She gets the dreaded post 6 to start her year so she might be one to "circle for next week" but can still hit the ticket here.
