Regulations and Information

General

All Pari-Mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by the Canadian Pari-Mutuel Agency. All tickets should be held until the race is declared official and the prices are posted. Notice boards are located in the Grandstand. The approximate odds represent only the probable payout price of the win pool at the time they are posted and have no bearing on the payout price of any other pool.

Where the appropriate odds for any horse posted at "1 to 9" the pay out price based on a \$2.00 ticket in the win pool may be \$2.10. Where the approximate odds for any horse are posted as "99:1", the pay out price based on a \$2.00 ticket in the win pool may be greater than \$200.00.

As per Provincial Regulatory Rules, no person under the age of 19 shall purchase or cash a Pari-Mutuel ticket.

A winning ticket is valid indefinitely.

Entries and Mutuel Fields

"Entry" means two or more horses in the same race which for the purpose of pari-mutuel betting are coupled or considered as the same betting interest. The most common reason for the coupling of horses in entry is the fact that they are owned by the same person. "Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel system. Subject to the Regulations, a bet on one horse of an entry or mutual field shall be considered a bet on all horses in the entry or mutual field starts in the race. All tickets purchased on the entry or mutual field remains valid.

Daily Double Betting (Including Late Double)

A "Daily Double" is a betting transaction in which a purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools opened on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holder of tickets on such horses, coupled with the winner of the first daily double race shall participate in a Consolation Daily Double.

Exactor Betting

An Exactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different betting interest to finish in the exact official order of finish, in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Quinella Betting

A Quinella bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different interest to finish, in either order to finish in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Triactor Betting

A Triactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first three horses representing different interest to finish, in the exact official order to finish, in the race in which the pool is operated.

Superfecta Betting

A Superfecta is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interest to finish in the exact official order of finish, in the race on which the feature is operated.

Pick 3, 4, 5, 6, and 7 Pools

The Pick 3, 4, 5, 6, and 7 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of the 3, 4, 5, 6, or 7 successive races specified for the Pick 3, 4, 5, 6, and 7 respectively. Winning tickets and a mandatory payout of the pick 3, 4, 5, 6, and 7 are determined in the following sequence: a) winners of all legs, b) most winners, c) most second place finishes or d) sequentially thereafter. Where no tickets have been sold coupling the official winners of every leg of the Pick 3, 4, 5, 6, and 7 and a mandatory payout does not apply, 25% of the day's net pool is paid out as detailed above while 75% is accumulated and carried over.

Pick 3, 4, 5, 6, and 7 Scratches

In the event a Pick 3, 4, 5, 6, or 7 ticket designates a selection a horse which is scratched, excused or determined by the judges to be a non-starter in any of the races comprising the pick 3, 4, 5, 6, or 7 the favorite as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratched occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favorites is identical, the selection with the lowest program number shall be substituted for the scratched horse.

Refunds

Subject to the regulations, all monies in all pools on a race are refunded where the race is cancelled, declared no contest, postponed beyond the racing card for which it was scheduled, subject to a change in distance after betting has commenced, or where the running or the finish of the race can not be properly judged.

Common Pool Wagering (Intertrack Betting)

Subject to the regulations, in the unlikely event of a communications or computer system failure, various courses of action may result depending on the nature of the breakdown. Bets from the affected sites, including advance bets, may be refunded. Customers will be advised of the course of action.

Outstanding uncashed tickets from January 1, 2019 to March 31, 2019: \$6,684.21.

The Breaking Rule

All prices in Canada must be broken to the nickel as per section 204 of the Criminal Code of Canada. For every \$1.00 bet, the minimum winning amount you will get is \$1.05 for each dollar wagered.

Drug Testing

Drug testing ensures the integrity of all races contested at Northside Downs and in conjunction with the Atlantic Provinces Harness Racing Commission pre-race blood gas analysis are conducted at random on selected horses. Post race urine tests are conducted according to the Canadian Pari-Mutuel Agency regulations.

Mappos Lion Large And In Charge Again

The chances of defeating Mappos Lion after an uncontested middle half of 63 seconds are somewhere between slim and none. And as the saying goes, slim just left town.

Back at Northside Downs after taking his show on the road to Inverness Raceway this past Sunday, Mappos Lion picked up his fifth win of the season in five outings, extending his current win streak to eight in the \$1,600 Winners Over Pace feature at Northside on Saturday, June 13.

Bet down expectedly to 1-9, Mappos Lion wasn't sent right to the top by driver Ryan Campbell this week. Instead, Campbell floated Mappos Lion off the gate allowed the duty to settle up top first before giving the pacer his cue around the opening turn. With swift strides, Mappos Lion advanced first over and cleared Kountry Diamond (Larry Snow) before the :29.4 opening quarter.

Here, Campbell ratcheted down the tempo and stole a 10-ply middle half of 1:03 — half in 1:02 and three-quarters in 1:32.4 — over the 'good' going and then sprinted home in :30.1 to easily best Kountry Diamond by three in 2:03. Thunder Alley (Kevin Bailey) completed the triactor ticket.

Nine-year-old [Mappos Lion](#) is now 10-1-0 in 11 starts since owners Hailee Currie of Rocky Point, P.E.I and Carol Campbell of Baddeck, N.S. brought the altered son of Sunshine Beach-Pacific Playmate back to Atlantic Canada at the start of 2025. He's now a 35-time winner in his career with more than \$321,000 in purses earned.

Mappos Lion paid a predictable \$2.10 to win.

Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	UUU	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	UUUU	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	UUUUUU	Pick the winners of two designated consecutive races.
Triactor*	UUUUUUU	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	UUUUUUUU	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.
Pick 4	UUUUUUUU	Pick the winner for 4 consecutive races, big payoff possible. This typically starts in race 4. They you pick race 4-5-6 and 7
Pick 5	UUUUUUUUU	Pick the winner for 5 consecutive races, big payoff possible. This typically starts in race 2. They you pick race 2-3-4-5 and 6

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit

A black silhouette of a horse and jockey in mid-stride, racing to the right. The jockey is wearing a helmet and holding the reins. The horse is in a full gallop, with its front legs extended forward and its hind legs pushing off. The entire image is rendered in solid black against a white background.

All of the numbers and letters in the program might seem confusing or overwhelming at first but focusing on these sections makes choosing a horse simple.

RACE 1 Selections

#7 ZAYA ships in from Truro Raceway today for trainer Gardner McCallum & their reigning top driver Keith Legge. This 3-year-old Mcwicked filly did not hit the board in 5 starts as a 2-year-old but has been steadily improving in each start as a sophomore, hitting the ticket in her first 2 starts of the season. Her most recent on June 12th saw her getting away 7th in the early going but she rallied nice late to pickup a cheque & paced her fastest mile to date, 1:58.4. Her & Keith get a tricky back-tier post to work with today that has only produced 2 winners so far in the 2026 season. This condition is much softer than she has been used to back home in Truro, so we will take a shot on the invader to kickoff a stake filled card at the Downs.

#5 AMERICAN STARLIGHT was much better in her second time around the Regent Street oval last week, minding her manners & recording her first lifetime win for Jake Jacobs & Carey Romeo, stopping the clock in 2:01 with a wicked :29 final quarter. The 6-year-old American Ideal mare has hit the wire first in both of her starts since arriving but was very green on the lead on June 6th & was disqualified. She had 0 problems last week & was the easiest of winners in this NW 1&2 condition off the rail. She draws an outside post today but faces an almost identical field that she faced last week with the addition of our top choice. Her & Carey have a great shot to go back-to-back & to start the Daily Double.

#6 WINDEMERE FLUSTER finished second to American Starlight last week pacing her own mile in 2:01.2 with a nice :29 closing kicker. She has hit the board in her last 4 starts after missing the ticket in her first 2 to start 2026. She gets stuck with the dreaded outside post 6 to work with today but does get Marc Campbell in the sulky who won 6 dashes here in 2025. If anyone is going to get her across the wire first, it is him.

RACE 2 Selections

#2 PAYLINE is coming off a third-place effort in his latest for owner/trainer/driver Roddie Gillis, he never saw the pylons in that one & still managed to fire home a 30:3 closing quarter. The son of Betterthancheddar was a perennial Winners Over horse for a majority of 2025 but has not drawn well so far in 2026 as you can see looking down his chart lines. He gets his by far best post to date & stays in this \$815L5 condition & should get a much easier trip today. I do not see him cutting this mile out with Chocolate Swirl to his inside, but the known stone cold closer has big rebound potential with the improved post, he can get his first win of the year to kickstart the pick 5.

#1 CHOCOLATE SWIRL has raced well in his return year to the races for Heather Hawkins, the 11-year-old son of Mach Three made his first start in almost 4 years on June 6th where he finished fourth from the back tier post 7 in 2:00. He hit the board for the first time since entering the Hawkins barn last week where he took a drop in class to this condition & almost went gate to wire finishing third. He gets rail control to work with so he should be off the choo-choo again today. With the great post & now having 2 starts under his belt, I would love to see him return to the winners circle today & he is a must use in the pick 5.

#3 D A PLAYERSDELIGHT makes his fourth start in a row in this condition for owner/trainer/driver Martin Bates. His best effort at this level came two starts back on June 6th where he was a hard charging second in 2:01 from the outer most post 6. He has hit the ticket in 3 of his 5 races this season & with a good post to work with today, can make that 4 of 6.

Pick 5 Horse Racing

The Pick 5 in horse racing is a multi-race wager that requires the bettor to select the winners of five consecutive races. It is a type of exotic bet that can offer significant payouts with relatively low risk. The Pick 5 is usually offered on the last five races of the day, but can sometimes be offered on other races. The minimum bet is usually \$2, with the minimum payout being \$2.50. The payouts can be considerably larger, depending on the number of horses in each race and the number of bets placed. To hit the Pick 5, you need to have a good understanding of the horses, the track condition, and the jockey form. It's important to do your homework and research the horses before placing a bet. It's also important to develop a betting strategy. You can use a variety of strategies, such as spreading your bets, betting on favorites, or focusing on longshots.

Peter's Picks

RACE 3 Selections

#2 FINER THINGS makes her return to the Downs & joins the Peter MacKinnon stable today. She had been racing in the bottom end condition at the Inverness Raceway to start 2026 but drew terrible in those 3 starts. In her return start over the Regent Street oval, she gets the live hands of catch driver Marc Campbell between the wheels today, which makes her an instant contender. Marc was on fire when he came here last year winning 6 dashes in a single day. The 19-time winner gets a great post to work with for the first time in 2026 so whether Marc tries to cut it or sit on a helmet, she can do either or & can break the goose egg in the win column.

#1 BOBJOHNSKI qualified nicely last week for Jake Jacobs & Carey Romeo, finishing second to Elm Grove Qwiggly pacing his own mile in 2:03. The now 10-year-old Western Paradise gelding banked just shy of \$3,200 in 2025 which included 2 wins with a seasonal best of 2:00.2. He gets rail control to work with in his first start of the season & he has always done his best work when on the lead. He faces easier today compared to what he raced against last year. It is very possible he starts his year 1 for 1.

#3 BRIENNE THE BEAUTY finished behind Bobjohnski in her qualifier last week for Warren & Jane MacKinnon, the veteran pacing mare paced her own mile in 2:03.4 in that one. She gets a good post to work with today & picks up the catch driving services of Brodie MacPhee. If she minds her manners she should be well situated in here & can hit the bottom end of exotics.

We're a proud sponsor of
the **Northside Downs**.

RACE 4 Selections

#1 ROSE KNOWS MONEY got a textbook drive from Corey Macpherson in her first lifetime start on June 12th, getting away in the pocket behind heavy favourite The Feast who posted some hot fractions. Corey angled the Blood Money filly out on the 7/8ths turn & she cruised past her rival, scoring in 1:57.1. She looked like a true professional that night in the NW1 condition at Truro Raceway. She gets rail control in this \$6,000 Atlantic Sire Stakes "B" division & picks up Brodie MacPhee in the sulky today. She is 1 of 3 fillies in here racing out of the powerful George Rennison barn, who usually does well when he travels to the Downs. In a short field of 5 everyone of these fillies will be going home with a slice of the pie, but I like her chances at picking up the biggest of slices & starting her young racing career off 2 for 2.

#5 TARARISER THIS was making a first over bid in her latest for trainer/driver Landon Campbell at Red Shores Summerside but made an unfortunate break rounding the final turn. She was not going to win that one, but she was going to be handy for a part of the bottom end of the exotics. The Stonebridge Terror filly broke her maiden 3 starts back with Landon in the sulky in 2:02.1. Father Marc takes back over the driving duties today in this "B" division. She draws the worst in this short field, but I expect Marc to have her on the go early, she cannot be left off multi leg tickets.

#4 WEST RIVER KENNEDY finished third to Rose Knows Money in her second lifetime start for Haley & Clare Macdonald. She shaved 4 seconds off from her first start on May 29th & looked strong closing home in 29.2 pacing her own mile in 1:58.1. The home bred daughter of Bet The Moon gets an outside post to work with today in a short field. She is improving with every start & Clare can map out a trip to get a good chunk of the \$6,000 purse.

RACE 5 Selections

#7 PLAY N BAD got 2 outside posts to start his racing career in Cape Breton but managed to race well in both. He finished second in his debut for the Big M going a tough trip on the outside for a majority of that mile. In his latest he had some traffic troubles but still managed to pick up a cheque. Camera shy would be an understatement for this fella as he has not recorded a win in 52 starts dating back to the beginning of 2025. The main angle here is that he picks up Marc Campbell between with wheels today who has had a lot of success finding the winners circle with horses that have struggled to do so at the Downs. He gets a back tier draw to work with today & I expect Marc to have the chestnut son of Shadow Play in contention early. If anyone is going to bring him back to get his picture taken, its Marc.

#2 RED RUM SHE WROTE I thought was going to return to her winning ways last week as she was off the front turning for home, but the seas parted & the locked up Alritealritealrite was able to find room down the rail & overtake the 2025 Governors Cup champ late in the lane as did Shadow of A Daut. The classy 39-time winner & Martin get another inside post to work with today in this \$610L5 condition. It has been a disappointing start to the year for the Vintage Master mare, but she is due to bounce back one of these weeks & pickup her 40th lifetime win.

#3 RED DIRT LOVENLIFE takes a drop down to this \$610L5 condition for the first time in 2026, the Tobago Cays daughter hit the ticket in 2 of her first 4 starts for regular pilot Shawn Lynk in the \$801L5. She gets a solid mid-pack post to work with today but does have some gate speed to her inside. She has dropped & popped before at this level & I can see her doing so today.

RACE 6 Selections

#4 ALWAYSINFULLFORCE ships into the Downs today racing out of the hot stable of Mike McGuigan, this 3-year-old daughter of Force N Fury is a homebred for James Whalen Jr who has just over \$35,000 on her card coming into this "A" division going for \$16,300. Her most recent start on June 12th was a third-place effort in Truro where she sat the pocket to Windemere Skye, she was picked off late by Elm Grove Uncannie for the place spot, but she still put forward a great effort of 1:55.1 with a closing quarter of 28.4. Marc Campbell gets the catch drive call today & she gets the second outermost post in a short field of 5. This is her first stakes action this year that she doesn't have to chase Windemere Skye, she comes out of a hot barn & picks up the best driver in the Maritimes, that is a recipe for success so we must back her in the first of two ATSS "A" division for fillies & the anchor leg of the pick 5.

#3 MYSTERIOUS WAYS has been racing very well in the non winners 3-5 condition over in PEI for team Quinn hitting the board in 5 of 6 starts so far in 2026. Her lone stakes race on the year came back on May 24th in Summerside where she finished fourth to Windemere Skye. Since then, she has picked up a win & two second place finishes including a wicked 1:54.4 effort with a nice 28.4 final quarter. Local driver Ryan Campbell picks up a very live catch drive here on the Blood Money filly & she gets a great post to work with. I can see her cutting this mile & a gate to wire speed mission is in the cards here.

#1 SAULSBROOK DESI draws rail control for the third straight start for trainer Danny Romo & Grayland Farms. Her most recent on June 12th was a fourth-place finish in 1:55.1 in a division of a Turner in Truro. She lowered her lifetime mark to 1:57.2 in her 3-year-old debut in a ATSS "B" division in Summerside on May 24th. She draws the best in a short field of 5 & she raced well here as a 2-year-old finishing second to Windemere Skye, she has an outside chance of capturing her first "A" division of the year.

Peter's Picks

RACE 7 Selections

#3 SPICYSONOFABEACH made an unfortunate break going to the opening quarter last week in the \$451L5. He takes another drop down the class ladder today for Heather Hawkins & reunites with Kevin Bailey today who drove the handsome free legged son of Pang Shui to a second-place effort in his first start of the year back on May 16th. He gets a much better post to work with today than he had in his most recent two starts in higher conditions. This is a prime drop & pop candidate as he looks for his first win as an aged horse. Him & Kevin are the clear one to beat in the anchor leg of the pick 4 if he minds his manners.

#1 BLONDIES BOY has really blossomed to start his three-year-old year season after only hitting the board once in 7 starts in 2025. The Richie Odonnell trainee has yet to miss an exactor this year, recording 2 wins & 4 seconds from 6 starts. He sat the pocket to gate to wire winner David Lloyd George last week & lowered his lifetime mark to 2:03.2 in the one before that. He draws rail control today for 2025 leading dash winner Mark Pezzarello, who I expect to put the Somewhere Fancy colt on the lead. If the one we picked above him does not mind his manners, he becomes the one to knock off.

#4 TOBINS PARTY I thought was well on his way to getting his picture taken last week coming for home, but veteran Accelerator was able to battle back against the Malicious gelding. He still raced well & has been able to pick up two second place finishes in his first 2 starts in 2026. He gets a mid pack draw to work with today & should be able to find cover to follow to land on the bottom end of the exotics.

RACE 8 Selections

#2 SMILIN WITH LOU raced here as a 2-year-old for trainer/driver Bernard McCallum in the same stake race he will be in today, the Phil Pinkney N.S. Stake, he left off the rail & got away mid-pack, he was loaded with pace coming off the 7/8ths turn & rallied almost 5 wide to finish second behind stablemate Darbies Fancy. So far in his sophomore campaign he broke his maiden on June 5th where he was the easiest of winners in 1:59.2. He then raced great in his most recent in a division of the Turner, finishing a barely beaten third in 1:56.2, with a wicked 27.4 final quarter. The extremely fast son of Blood Money returns to the Regent Street oval today looking to capture his first stakes win. He gets a great post to work with in a short field of 5 & looks to be the one to knock off in the first of two divisions of the Pinkey stake.

#3 TIZIANO also raced here as a 2-year-old in the division of the Pinkney stake, he finished third in behind our top choice & Darbies Fancy for co-owner/trainer/driver Clare Macdonald. He ended up banking just over \$28,000 in his 2-year-old season with a seasonal best time of 1:58. So far in his second year at the races he has hit the board in 2 of 3 starts & also picked up a prize in a division of the Turner in his most recent. The gelded son of Blood Money draws the middle of the gate in a short field with his biggest competition drawing one spot to his inside. He raced well here last year & the queen of the Maritimes has captured plenty of hardware here before, so he has a great shot today.

#5 SUNSHINE LUCAS has been racing in the lower-level NW condition for breeder/owner/trainer/driver Kevin Bailey, he has yet to miss the board in 6 starts & has lowered his lifetime mark to 2:02.3 in 2026. He draws the furthest of the 5 today but has been racing great against older competition. I think he can put forward a good effort in his first stakes test & can spice up the Tri.

Peter's Picks

RACE 9 Selections

#4 RANKED CONTENDER dropped & popped for the Big M & Peter MacKinnon from a tricky back tier post 7 last week in 2:00.3. He climbs up one rung on the class ladder to the \$1001L5 condition & the 2025 most improved horse of the year picks up the Maritimes leading dash winner Marc Campbell. He gets a mid pack post to work with today & has some serious speed to his inside, so it should set up well for the Tobago Cays gelding. This is the best betting race of the day as you could genuinely make a case for every single horse in the race. It should be an action-packed race with lots of flow so I trust Marc can map out a good trip & double up the 12-time winner.

#1 ROCK AND TWIST blew the doors off this class last week in a short field of 4 for Butch Hawco & trainer/driver John Hawco. John hit the go button heading to the 3/4 pole & went around Candid Cameron like he was standing still, cruising to a 6-length victory in 1:58.4. The classy 36-time winner has 7 foes to tackle this week instead of 3 but draws rail control today. He has some serious gate speed to his outside so I can see John getting settled away & then activating the Sunshine Beach gelding when things straighten out. He has won every start that has not been against Mappos Lion or Hugh Heff so far in 2026, so he also has a great shot at going back-to-back.

#8 THUNDER ALLEY takes a drop out of the top-class Winners Over for the first time in 2026, he has raced well up to this point hitting the board in 4 of 6 starts including a 1:58.4 score on opening day. He has had to settle for minor shares since opening day trying to tackle Mappos & Heff but has still raced well week in, week out. A tricky back tier draw for regular pilot Kevin Bailey but he does have some gate speed to leave behind. It would not shock me one bit for him to drop & pop here, but I will side with the two above him because of the back tier draw.

RACE 10 Selections

#1 WINDEMERE SKYE the O'Brien award nominee filly started right where she left off in 2025 on May 24th in an ATSS "A" division, scoring in 1:55.3 for regular pilot Marc Campbell, she followed that up by equaling the Truro 3-year-old filly track record of 1:54.3, scoring by just over 2 lengths on June 12th. She did race at the Downs as a 2-year-old in September of 2025, where she was the easiest of winners in 1:57.2. The daughter of Somewhere Fancy returns today still rocking her perfect record & draws rail control in search of her 15th win in a row. It is not every day we get to see a horse of this caliber race over the Regent Street oval, so it is a treat to have her back. The final ATSS "A" division goes through her & I am sure the crowd will be cheering her on as she potentially chases down the 1:56 track record that was set by Dustylane Zambucca back in August of 2020.

#2 MATTNIFICENT ROSE made a big time move in the second quarter in her most recent race in a division of the Turner in Truro, driver Darren Crowe brushed the daughter of Tobago Cays hard but was unable to clear to the pylons, she held really tough only being beaten a half length, pacing her own mile in 1:57.4. She had a great rookie season, banking over \$24,000 & a seasonal best of 1:58.1. She has one real wicked brush & she gets a great post to work with today, so I think she can round out the exactor & grab a nice slice of the \$16,300 purse.

#5 LILA BERRY comes into her first "A" stake of the year for trainer/driver Mike McGuigan, she has gone back-to-back against low end condition mares & most recently in a NW 1-2 event where she earned a new speed badge of 1:55.4. She unfortunately draws the tougher of the two divisions & draws the far outside in a small field of 5. I think Mike will be able to pick a few off coming for home to land on the ticket.

RACE 11 Selections

#2 DON'T ASK LOGAN is a 40-time winner who started his 11-year-old campaign off on June 6th for trainer Jake Jacobs, he had some traffic troubles in that one & then drew the dreaded post 6 in his second start of the season, he rallied nice in that one to pickup his first cheque of the year & came home in a snappy 29.2 for regular pilot Carey Romeo. Jake hands the lines over to Marc Campbell today who guided the classy son of McArdle to his seasonal best in 2025 of 1:58.2 by a dozen lengths or so. I would consider this a small dip in class & he gets major post relief today. A gate to wire score with Marc looks highly likely here & that is why he is my best bet of the day.

#3 SONNY JAX has had a solid start to his 2026 season so far for team Rankin, hitting the board in 4 of 6 starts including a win two starts back in 2:02.1 for Shawn Lynk. Larry Snow catch drove the son of Pang Shui last week from the dreaded post 6 where he was a non-factor. He takes a drop down in class & gets a much-improved post to work with today. It is likely that he sits the pocket to our best bet & stays there to round out our exactor.

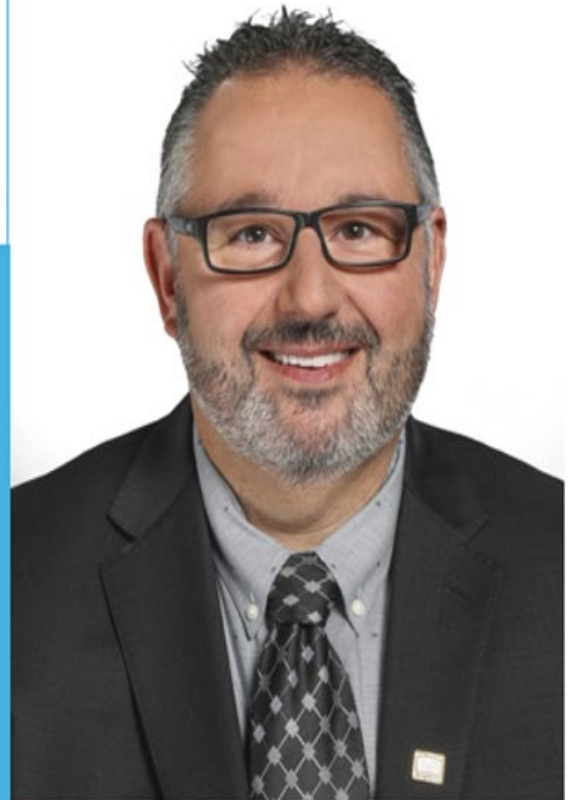

#1 BEERS ON ME draws rail control for the second time in 3 starts in 2026, his first start of the year was a solid third place effort behind Whims Wonder & Shadowcross Hooper. In his most recent, he had a tow up into it but did not capitalize on it & faded to 7th in the stretch but was still only beaten 4 lengths. He gets another good post today & now has 2 starts under his belt while also taking a small drop in class. He can hit the ticket.

RACE 12 Selections

#1 DARBIES FANCY the locally owned colt had a stellar rookie season at the races, hitting the board in 10 of 11 races including a seasonal best of 1:59.4 over the Regent Street oval in a division of the Pinkney stake for local driver Mark Pezzarello. He started off his 3-year-old season a perfect 2 for 2 capturing an ATSS "A" division where he got a slick steer from Gilles Barrieau to get up the passing lane & get a new speed badge of 1:57.1. He followed that up with an overnight score in Truro & then raced large on June 12th in a division of the Turner where he had to do all the heavy lifting. He returns to the Downs today in the last stake race of the day & second division of the Pinkney stake, he reunites with the man that piloted him to victory as a 2-year-old here & I think they can go gate to wire to capture the Pinkney stake for the second year in a row.

#5 TOBINS GEM took 3 wins from 6 starts in 2025 for team Rennison including a seasonal best of 1:56.4 taken over Red Shores Charlottetown last Old Home Week. They shut down the fast son of Flameproof Hanover after he made a break on September 13th, but boy did he ever comeback nice at 3. He raced well in an overnight race in his first start of the season for George Rennison, finishing second to Darbies Fancy, he then handed the lines over to Marc Campbell in a division of the Turner & he did not disappoint as the odds-on favourite, scoring in 1:56.1 by just over 2 lengths. Marc had the choice to drive either him or Darbies Fancy & he opted to stick with the Rennison trainee. It looks to be quite the matchup between these two colts today & I could see either one of them taking it.

#3 PROVEN HOUDINI is a lightly raced son of Proven Lover for Clare MacDonald & connections; he raced just once at 2 & has two starts under his belt so far in 2026. He raced well from a far outside post in a NW1 condition where he was a hard charging third, he had his first stakes action of the year in his most recent & paced his fastest mile & last quarter to date while also picking up a slice of the \$9,320 purse. I think he would have to take another step forward to get his picture taken today, but he has been improving every time he goes behind the car & Clare is no stranger to the Northside winners circle.

RACE 13 Selections

#6 ALRITEALRITEALRITE was extremely impressive in his Northside debut on June 6th for Heather Hawkins & catch driver Brett Leblanc, scoring by over 7 lengths in 1:59.3 under wraps with a :28 closing quarter. He then had major traffic troubles in his most recent & looked doomed entering the 7/8ths turn, but the hot hands of Kevin Bailey were able to find a seam up the inside & the son of Lazarus exploded to get up over Shadow Of A Daut & Red Rum She Wrote in 2:03.3 over an off track. He takes another step up the class ladder today & gets blessed with the dreaded post 6 but he does pick up Marc Campbell between the wheels. He has not shown me a reason to not pick him on top & the addition of Marc only helps his case even from the tough post.

#1 HOWMAC NAPOLEON picked up his 30th career win on June 6th in gate to wire fashion stopping the clock in 2:00. He got a two-hole trip behind Chocolate Swirl in his most recent & was able to rally in the stretch to finish second to Ranked Contender. He draws rail control for the first time in 2026 & picks up the red-hot Ryan Campbell who has gotten along well with the 9-year-old son of Articulator in the past. He does have some speed to his outside, but Ryan will be all systems go off the rail today.

#7 ROCKINFORREAL raced great in his first start of 2026 last week for Jason MacNeil, Jason was able to map out a nice pocket trip behind eventual winner Windemere Ryan & finished second pacing his own mile in 2:02.1. He gets a back tier post to work with today in his second start of 2026, Jason can follow Howmac Napoleon out of there & spice up the exotics.

RACE 14 Selections

#6 MAPPOS LION is a perfect 5 for 5 so far in 2026 for Hailee Currie, Carol Campbell & trainer Lee Collins, he brushed to the lead up the backside in a short field of 5 last week for regular pilot Ryan Campbell, he got all the respect & cruised to an easy score in 2:03 over an off track. He was only over the half in 1:02 which quite frankly I do not think the horse had ever seen before, so I doubt it happens again this week. He gets handicapped to the far outside post 6 again but you will have to settle for \$2.10 on the tote board still. Anything can happen in a horse race, but the castle is his until someone knocks him off & I do not see it happening today.

#5 KRAKEN SEELSTER was involved in a no contest at the Inverness Raceway in his most recent. The last time we saw him at the Downs back on May 30th he was a winner in 2:00.3 by over 3 lengths in the \$965L5 condition over a track rated 3 seconds off. He steps up to the top-class Winners Over today & gets a tricky outside post, but he does pick up Marc Campbell for the first time today. The fast son of Lazarus & Marc could be a deadly duo & I like him to round out our Baddeck connection exactor.

#4 HUGH HEFF the back-to-back horse of the year at the Downs picked up his first win of the 2026 season 2 starts back on June 6th in 1:58.4. He got away last in a short field of 5 last week & the fractions just did not play into his favour & he missed the board for the first time in 4 starts. He gets a mid pack post to work with today & he can bounce back with a much better effort today. His next win will be his 50th lifetime & you will get an attractive price if you think he does it today.

RACE 15 Selections

#4 SIDEKICK is 1 of 2 Jake Jacobs trainees in the go home pace today, this son of Racing Hill hit the board for the first time in 2026 last week where he was a narrowly beaten 3rd behind a stick handling Shadowcross Hooper & Check Your Source. He takes a drop down to this \$451L5 condition & gets a mid pack post to work with. Jake hands the lines off to Marc Campbell this week with Carey driving the other Jacobs trainee. The drop in class & the addition of Marc is a great recipe for success. I expect Marc to have a large day at the Downs like he did last year so a win here with the 13-time winner would be the cherry on top of a wonderful day of racing.

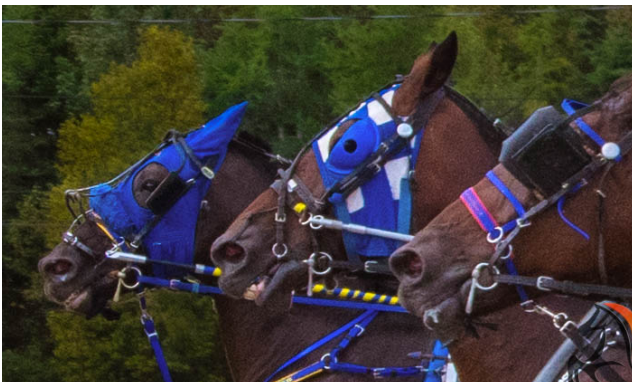

#1 SAULSBROOK HONEY draws rail control for trainer John Hawco & regular pilot Shawn Lynk. John drove the Big Jim mare himself last week & mapped out a perfect trip, she was able to fire home a sub :30 final quarter for the second straight week & finished a solid 4th. She is not known to have a ton of gate speed, but I still think Shawn has her sitting up close today. She had some tough racing luck to start the year but has still put forward some great efforts. She is the other one I would use in late Daily Double tickets.

#6 ZAIDANS LUCKS has probably drawn the worst of any horse since the 2026 season has started, the chestnut son of Sir Luck has drawn 4,5 or 6 in his 5 starts so far but has hit the board in 2 of those. He takes a drop down in class today & if he drew inside would take a lot more betting action. You will get an attractive price on him if you think he can do it from the dreaded post 6.
