Regulations and Information

General

All Pari-Mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by the Canadian Pari-Mutuel Agency. All tickets should be held until the race is declared official and the prices are posted. Notice boards are located in the Grandstand. The approximate odds represent only the probable payout price of the win pool at the time they are posted and have no bearing on the payout price of any other pool.

Where the appropriate odds for any horse posted at "1 to 9" the pay out price based on a \$2.00 ticket in the win pool may be \$2.10. Where the approximate odds for any horse are posted as "99:1", the pay out price based on a \$2.00 ticket in the win pool may be greater than \$200.00.

As per Provincial Regulatory Rules, no person under the age of 19 shall purchase or cash a Pari-Mutuel ticket.

A winning ticket is valid indefinitely.

Entries and Mutuel Fields

"Entry" means two or more horses in the same race which for the purpose of pari-mutuel betting are coupled or considered as the same betting interest. The most common reason for the coupling of horses in entry is the fact that they are owned by the same person. "Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel system. Subject to the Regulations, a bet on one horse of an entry or mutual field shall be considered a bet on all horses in the entry or mutual field starts in the race. All tickets purchased on the entry or mutual field remains valid.

Daily Double Betting (Including Late Double)

A "Daily Double" is a betting transaction in which a purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools opened on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holder of tickets on such horses, coupled with the winner of the first daily double race shall participate in a Consolation Daily Double.

Exactor Betting

An Exactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different betting interest to finish in the exact official order of finish, in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Quinella Betting

A Quinella bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different interest to finish, in either order to finish in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Triactor Betting

A Triactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first three horses representing different interest to finish, in the exact official order to finish, in the race in which the pool is operated.

Superfecta Betting

A Superfecta is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interest to finish in the exact official order of finish, in the race on which the feature is operated.

Pick 3, 4, 5, 6, and 7 Pools

The Pick 3, 4, 5, 6, and 7 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of the 3, 4, 5, 6, or 7 successive races specified for the Pick 3, 4, 5, 6, and 7 respectively. Winning tickets and a mandatory payout of the pick 3, 4, 5, 6, and 7 are determined in the following sequence: a) winners of all legs, b) most winners, c) most second place finishes or d) sequentially thereafter. Where no tickets have been sold coupling the official winners of every leg of the Pick 3, 4, 5, 6, and 7 and a mandatory payout does not apply, 25% of the day's net pool is paid out as detailed above while 75% is accumulated and carried over.

Pick 3, 4, 5, 6, and 7 Scratches

In the event a Pick 3, 4, 5, 6, or 7 ticket designates a selection a horse which is scratched, excused or determined by the judges to be a non-starter in any of the races comprising the pick 3, 4, 5, 6, or 7 the favorite as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratched occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favorites is identical, the selection with the lowest program number shall be substituted for the scratched horse.

Refunds

Subject to the regulations, all monies in all pools on a race are refunded where the race is cancelled, declared no contest, postponed beyond the racing card for which it was scheduled, subject to a change in distance after betting has commenced, or where the running or the finish of the race can not be properly judged.

Common Pool Wagering (Intertrack Betting)

Subject to the regulations, in the unlikely event of a communications or computer system failure, various courses of action may result depending on the nature of the breakdown. Bets from the affected sites, including advance bets, may be refunded. Customers will be advised of the course of action.

Outstanding uncashed tickets from January 1, 2019 to March 31, 2019: \$6,684.21.

The Breaking Rule

All prices in Canada must be broken to the nickel as per section 204 of the Criminal Code of Canada. For every \$1.00 bet, the minimum winning amount you will get is \$1.05 for each dollar wagered.

Drug Testing

Drug testing ensures the integrity of all races contested at Northside Downs and in conjunction with the Atlantic Provinces Harness Racing Commission pre-race blood gas analysis are conducted at random on selected horses. Post race urine tests are conducted according to the Canadian Pari-Mutuel Agency regulations.

Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

2 Types of bets

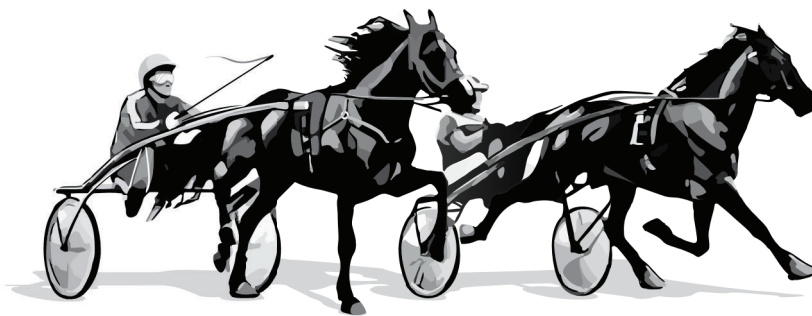

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	UUU	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	UUUU	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	UUUUUU	Pick the winners of two designated consecutive races.
Triactor*	UUUUUUU	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	UUUUUUUU	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.
Pick 4	UUUUUUUU	Pick the winner for 4 consecutive races, big payoff possible. This typically starts in race 4. They you pick race 4-5-6 and 7
Pick 5	UUUUUUUUU	Pick the winner for 5 consecutive races, big payoff possible. This typically starts in race 2. They you pick race 2-3-4-5 and 6

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit

3 Choosing your horse

How to read the program

All of the numbers and letters in the program might seem confusing or overwhelming at first but focusing on these sections makes choosing a horse simple.

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

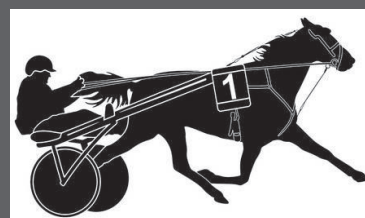

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the **FAVOURITE** pay 32% of the time
PLACE BETS on the **FAVOURITE** pay 53% of the time **SHOW BETS** on the **FAVOURITE** pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Peter's Picks

RACE 1 Selections

#4 A FIGHTING CHANCE picked up the 2025 leading dash winner Mark Pezzarello for the first time in his young racing career last week & upset heavy favourite Last Chance to break his maiden in an impressive mile of 2:00.2. Mark worked out a perfect pocket trip with the stallion son of Bet The Moon & he responded in the stretch winning by 2 lengths. He draws the middle of the gate today in a very similar NW 1-2 event that he was in last week. Adam Lynk gets a very live catch drive here & any effort close to last weeks & he should be kicking off this 11-dash card with his second lifetime win.

#5 MOONLIGHT is a new accusation for Jayce Mercer & trainer Heather Hawkins shipping in from the CDP in PEI, the four-year-old son from Bet The Moon has been racing in the bottom end \$301L5 condition to start his career as an aged horse but hasn't found much success. His first start at the Downs will have the hot hands of Shawn Lynk piloting him around the track from the outside post but this is a considerable class drop. He does just have 1 win from 38 starts dating back to the beginning of last year, so I want to see a start before putting him on top.

#1 BRINGONTHE SUNSHINE makes his first lifetime start for Wayne McGean today after a solid qualifier at the CDP in line to Marc Campbell, he closed home in :30 stopping his own clock in 2:04.1. He gets rail control being the lone two-year-old in the group of seven. Mark Pezzarello picked him over two others in here, but I will side with the more experienced racehorses over the first-time starter in the first leg of the early daily double.

THOMAS LYNCH

February 23, 1952 - June 9, 2026

Tom started off his racing passion at an early age at Northside Downs along side his father then with Gerald Jardine and Howie Collins.

From there Tom made the journey to Foxborough in the early 1970's with Dave Ratchford and then Florida with Freddy Grant breaking yearlings and helping with Freddy with his growing stable.

Tom spent time travelling to numerous tracks within Canada and the United States and made and left a great many of friends along the way. Tom always had numerous stories of the time he spent away working with horses and would always stop and share them with anyone.

Tom owned, breed and trained many horses of his own along side of his brother Robert, nephew Geffory and son Josh in recent years. Including Jills Reason, and Calderhill Jill,

Calderhill Geoff both of which he bred and raced out of Tartan Downs and Inverness Raceway and in recent years Cowboy Gilles and his last acquisition Two Tone Terror both of which are still racing at Northside Downs just to name a few. Tom partnered with a few people over the years with horses but to name them all we could be here awhile. After all Tom's passion was horses and the love of the sport, it was never about winning or losing it was always about the thrill of the race.

Tom always considered Northside Downs his home and was always there to lend anyone a hand whether it was a tire that needed fixing or a bit of advice, you only needed drop by his tack room (were he could always be found anytime) and he would take care of it.

Tom will be deeply missed; his smile and outgoing personality will long be remembered by all who knew him.

#2 SUNNY BO made a miscue behind the gate as the heaviest of favourites back on July 4th in the optional \$7,000 claimer for trainer/driver John Hawco. The two starts before that one were impressive, winning in 1:59.2 on June 20th & was second to a class dropping Thunder Alley the next week stopping his own clock in 1:58.3. He is off a week but does take a drop down to the optional \$5,000 claimer today for team Hawco & gets a great post to work with. The classy 35-time winner is the one to beat if he minds his manners in the opening leg of the pick 5.

#1 BOYS TURN cruised to his seasonal best 1:59.4 three starts back in this optional \$5,000 claiming condition for Larry Snow & Henry Poswiata. Since then, has drawn bad & the classy 38-time winner had to go first over last week trying to track down a sharp Payline, he finished a good third pacing in 2:00 in that one & draws rail control today. There is some serious gate speed in the form of Sunny Bo to his outside so Larry can map out a less taxing trip behind him today, I would include him in your pick 5 ticket.

#3 SONNY JAX takes a small step down the class ladder today to this \$5,000 claiming condition for team Rankin, he was a non-factor in his latest from the dreaded post 6 but blew up the tote board back on July 4th from a tough back tier post. He reunites with Shawn Lynk today who drove the Pang Shui son to a win back on June 6th. He gets a good post to work with today & can land somewhere on the ticket

RACE 3 Selections

#1 WINDEMERE FLUSTER has been knocking on the door all year for Norm Fiander, the big daughter of Articulator has hit the board in 7 of her 10 starts so far in 2026 & has been oh so close to picking up her first win over the Regent Street oval. She narrowly missed back on July 4th in line to Shawn Lynk almost picking off the class dropping Red Dirt Legacy. She draws rail control for the first time in a dogs age & this is her best shot at breaking her 0 for 34 goose egg dating back to the beginning of last year. It should be all systems go off the rail & I like her chances to go right down the road with Shawn to get off the schneid.

#5 ELM GROVE QWINN takes a drop down to this bottom level \$110L5 condition for the MacDonald brothers & trainer Jamie Hogan today after not hitting the board in either of her first two starts of the season in the \$351L5. Reigning driver of the year Mark Pezzarello will sit behind the daughter of Rollwithitharry for the first time this season from the outside post, she lowered her lifetime mark to 1:59.1 last year while hitting the board in 8 of her 21 starts. She cannot be left off multi leg wagers on this class drop & the first time Mark angle.

#7 DON'T TELL KIM is one that has had no luck at the draw, drawing either 5 or 6 in all four of her starts in 2026. She gets a back tier draw to work with today which is still tricky, but much better than the far outside. She has hit the board in two of those four starts & should get away great leaving behind our top choice & can land somewhere on the ticket.

Peter's Picks

RACE 4 Selections

#2 MAVERICK TREASURE was my top choice in the go home pace last week & he did not disappoint, not seeing the pylons in line to Brodie MacPhee he hounded Howmac Napoleon from the quarter pole onward, collaring him late to pickup his fourth win in his last five starts stopping the clock in 2:00.3. He scored a gutsy win just days earlier at the Inverness Raceway for Zach Mullins lowering his speed badge to 1:59.3. He gets a great post to work with today as he continues to climb the class ladder & he is hard to go against in the opening leg of the pick 4.

#7 WINE N CHEDDAR had her three-race win streak snapped last start where she was a beaten favourite in this optional \$7,000 claimer. She lowered her lifetime mark two starts back to 1:58.1 in an incredible trip where she did not see the pylons in line to Shawn Lynk. She stays in the optional claiming tag & gets a back tier post to work with today, she will round out our Warren MacKinnon trainee exactor.

#5 CHOCOLATE SWIRL got roughed up last week in the optional \$9,000 claimer where he was sent off as the slight odds-on favourite. He takes a step down the class ladder today to this \$801L5 condition & was Mark Pezzarello's choice over two other horses in here. He gets stuck with an outside post for the first time in 2026 so I will opt to use him underneath today.

Peter's Picks

RACE 5 Selections

#3 LAST CHANCE took a big drop down in class last week for catch driver Brodie MacPhee & was collared late by A Fighting Chance after cutting out every fraction, she interfered with a horse early in the mile & was placed back to fourth because of it. She stays put in a similar condition today, the \$201L5 & gets a good post to work with for catch driver Keigan Madden, she is still looking for her first win on the 2026 season after recording 5 wins from 27 starts last year. I will go right back to her today in hopes she bounces back & successfully goes right down the road.

#5 DADDYS EYES like our top choice, is winless so far in seven starts in 2026 for owner/trainer Shann Cox. The classy stallion from Mr Brightside takes a considerable drop down in class today to this \$201L5 & gets the catch driving services of reigning driver of the year Mark Pezzarello. He was sent off as a slight favourite two starts back in the \$535L5 & where he was a good second to Don't Ask Logan, pacing in 2:02. An outside post may require him to do a lot of the roadwork in this one so we will slot him in to round out the exactor.

#7 MISS CHILLI PEPPER invades from the Inverness Raceway today for owner/trainer/driver Tim Gillis, the veteran daughter from Dali narrowly missed last start at her home track in line to catch driver Keigan Madden. She gets a back tier post to work with for Tim today & I like her to spice up the bottom end of the exotics here.

RACE 6 Selections

#1 SUNSHINE LUCAS made a costly miscue in his most recent start for Kevin Bailey, who does everything with the three-year-old son of Sunshine Beach, from the dreaded post 6 Kevin was able to map out a garden second over trip but the colt got doubled up on a helmet just past the 3/4 pole & made a break. It was just the second time the steadily improving Colt missed the board in his sophomore campaign & he looked to be full of pace before the break. He gets rail control today after some horrific posts in his last four starts. I love his chances to rebound & pickup lifetime win #4 so he is my best bet of the day in the anchor leg of the pick 5.

#8 SPICYSONOFABEACH took a massive step up in class last start to the \$801L5 for Heather Hawkins & looked like he was getting a slice after going most of the mile on the outside but faded in the stretch. He takes a needed drop back down to the \$451L5 which is a slight step up from the class he sprinted away from two starts back in 2:00 in line to Kevin Bailey to record his first win as an aged horse. Kevin must drive his own in here so Mark Pezzarello picks up a very live catch drive on the speedy son of Pang Shui, a tricky back tier post to work with today but Mark can find a helmet to follow in here & is the other one I would consider for multi leg wagers.

#7 SAVOIR DUHARAS just missed in this class last week for catch driver Brett Leblanc, from a back tier post he was able to map out a great trip with the 8-year-old Sunshine Beach gelding, only getting beaten half a length by a class dropping Jim's Big Thrill. He gets another back tier post to work with today for team Leblanc & is poised for another on the board finish.

RACE 7 Selections

#4 ELM GROVE QWIGGLY takes a drop down from the top class Winners Over for the first time since starting his second chapter in his Cape Breton racing career for trainer/driver Larry Snow, the classy 23-time winner avoided disaster last week just past the 3/8ths when Kountry Diamond scattered the field of six, Larry was able to stay level-headed and put Qwiggly on the front before the half but was collared late by a red hot Ranked Contender, pacing his own mile in 1:58.4. The \$1001L5 condition is what he will try to tackle today from the mid pack post 4, he has not put forward a bad effort yet since returning to the Regent Street oval & with the drop down in class, I love him to return to the winner's circle where it all started for him in the anchor leg of the pick 4.

#3 WINDEMERE RYAN did not disappoint as my top choice last week when the classy now 37-time winner & Brett Leblanc took a new seasonal best record of 1:59.1 in the \$801L5 condition. He drew off on that bunch in the stretch after duking it out with the hot Rollinread for the better part of half the mile, he steps back up to this optional \$9,000 claimer today & is slated to leave 2 Wednesday night at the Inverness Raceway in line to Harold Leblanc Jr, who retains driving duties today. He gets a good post to work with but does have some early speed to his inside, he has raced well in his first year back in the Maritimes for co-owner/trainer Joel Leblanc, he is the other I would use in multi leg wagers.

#7 DONTBLVMEJUSTWATCH entered this optional \$9,000 claimer for team Getto for the first time in 2026 last week from the dreaded post 6 & closed well, finishing third to Kiss Me I'm Irish & Big Boy Hill, stopping his own clock in 2:00.1. Winless in eight starts to kickoff his 9-year-old campaign but he has hit the board in five of those efforts including back-to-back runner up finishes for Randy on June 27th & July 4th. He should have plenty of speed to chase from the back tier post 7 & is poised for another on the board finish. .

RACE 8 Selections

#2 DAVID LLOYD GEORGE is entered to go at the Inverness Raceway Wednesday night in line to co-owner/driver Keigan Madden, I like his chances to take that one which would be lifetime win #30 for the American Ideal gelding. He takes a small class drop here today to the \$351L5 after a sixth-place effort in the \$451L5 from a tough outside post last week for Keigan. You can see at the bottom of his lines, he drew inside at the same level for a drop & pop score in line to Harold Leblanc Jr in 2:04 back on June 13th. He has a nice shot at picking up two wins this week if things go to plan.

#3 STARSHIP SLX has made three starts since entering the Kevin Bailey barn, he was a good second to Boys Turn in his Northside debut for Kevin, pacing his own mile in 2:00.4. He has missed getting a cheque in his last two starts but is one of a few that get considerable class relief in this race. A good post to work with in what is lining up to be one of the best betting races of the day, the 4-year-old son of Bet The Moon is in with a shot for his first win for the Kevin Bailey stable.

#1 HARRY HOLMES draws rail control for team Snow/Poswiata for the third time in four starts, he took his talents to the Inverness Raceway in the \$601L5 last week & was a gutsy third place finisher in 2:02. He drop & popped at this level back on June 6th for Larry from a much worse post, so he is also in with a shot in an extremely competitive field of 7.

Peter's Picks

RACE 9 Selections

#4 CANDID CAMERON is one of two in here racing Wednesday night at the Inverness Raceway, the classy veteran was a game second to a sharp Payline last week at the Downs for catch driver Shawn Lynk, pacing his own mile in 1:59.3. He will stay put today in this \$601L5 condition for team Rankin & will get Shawn Lynk between the wheels for the second straight week. A slightly improved post should see him activated right when the wings fold once again but there is some speed to his inside, regardless, I love him to go gate to wire here as he searches for lifetime win #30.

#2 HOWMAC NAPOLEON like our top choice, is slated to race Wednesday evening in Inverness, he left off the rail at this condition last week in line to catch driver Brett Leblanc & was hounded for three quarters of the mile by a pesky Maverick Treasure who collared the 30-time winner at the wire. He gets another great post to work with today & stays put in the same class & an effort similar to last weeks would put him right in the mix.

#7 CROSSCUT takes a small drop down in class back to a similar condition where he was a winner two starts back at an attractive price for catch driver Keigan Madden in 2:02. He picked up a cheque last week in the optional \$7,000 claimer & gets a \$5,000 tag today, the veteran 33-time winner gets a tricky back tier post to work with but if he is able to get away alright, he can spice up the ticket.

Dr. Carl "Bucky" Buchanan Memorial

Dr. Carl "Bucky" Buchanan was born in Sussex NB. Bucky moved away for college, later returning to Cape Breton in 1968 as the Athletic Director at Xavier College, now known as Cape Breton University. He along with his beautiful wife Ann raised 4 daughters Kim, Sue, Allison and Maryellen. Bucky had 7 grandchildren whom he loved dearly. Bucky passed away Sept 12, 2024.

Bucky built himself a barn out on the Mira (not by himself but be sure to know he was wearing the white hat) where he started with miniature horses, riding horses and eventually standardbred's in 1990. Bucky became an active member in the Standardbred community, faithfully watching his horses every race day.

Bucky started in harness racing with the late Bobby Wadden owning Ball Baby, the filly never made it to the races, but this began the love of the sport. Bucky teamed up with his partner Jake Jacobs in 2000, where the duo owned their first horse together Minervas Pride. Bucky and Jake went on to own Fletwood Cam, J Jetstar, D Island Rebel, Putnams Shark, Tommy To, and Dusty Lane Marj, to name a few. With his last two horses being Culpepper and Bobjohnski. Culpepper has recently retired to Annapolis Valley to live out his best days as promised with Shauna Jacobs, Bucky's "extra" daughter (because 4 girls weren't enough), and Bobjohnski is still racing at the Downs.

Along with his interest in standardbreds Bucky has been actively involved with the show circuit and miniature horses (Bucky and the minis did see eye to eye), with his favourite being Duke of the Mira. Bucky had been active in Cape Breton Horse Owners Association, as well as Harness Racing Cape Breton, and has held executive positions with both.

Bucky was inducted into the Cape Breton Horse Owners All of Fame in 2017. In 2023 the CBU Sports Hall of Fame was renamed the Dr. Carl "Bucky" Buchanan Capers Hall of Fame.

Bucky has achieved many more milestones and accomplishments in his life. But, above everything, Bucky has been a husband, father, mentor and friend. Bucky has left a legacy in the horse and sport world, and even more so with the people he interacted with daily. Bucky was always pushing new initiatives, advocating for the next best thing and providing support and advice to anyone who asked (or didn't). Bucky loved to laugh and tell a good story (which ones were true we may never know). Bucky wore his heart on his sleeve and believed most in those who didn't believe in themselves, until they could.

Bucky is deeply missed and forever loved.

RACE 10 Selections

#1 ALRITEALRITEALRITE was involved in a scary incident in the top-class last week heading to the half, thankfully, all drivers & horses came out of it with only minor scrapes & bumps. He gets rail control to work with today for Heather Hawkins & regular pilot Kevin Bailey, the son of Lazarus was a very impressive second to Mappos Lion back on July 4th in his first attempt at the top class, pacing his own mile in 1:56.2 while firing home a 28.2 final quarter. With Mappos in PEI for another week this is his race to lose with the best post & is the clear top choice to start the late daily double.

#2 RANKED CONTENDER capitalized on last weeks confusion going to the half for Brodie MacPhee, the red-hot son of Tobago Cays was able to grind down Elm Grove Qwiggly in the final stages of the race & drew off on his rivals to score his second Winners Over victory on the year & fourth total in 1:58.2. The Big M is back in the bike today to sit behind the now 15-time winner, he gets a great post to work with & should round out a very chalky looking exactor in today's top class.

#4 HUGH HEFF bad luck at the draw continues as he has drawn one of the outside three spots on the wings in his last six starts, he has not put forward a bad effort in any of those however, finishing third in his last four tries in the top class for co-owner/driver Randy Getto. It will have to be another overland trip today on the outside with the early speed to his inside, so I will use him underneath as he searches for career win #50.

RACE 11 Selections

#2 POPLAR ARTIE has missed a cheque in his last three efforts for Keri MacAskill & trainer John Hawco but the classy son of Mach Three gets some very considerable class relief today. He has missed a week of racing action, last racing on July 4th, but I do not think that will negatively affect the 19-time winner. A drop down to this \$118 per start L10 condition for regular pilot Shawn Lynk & he gets an excellent post to work with to utilize his great gate speed. Shawn guided this fella to his lone win on the year at a very similar level that he faces today, so I like him to go gate to wire in a great betting race in the go home pace.

#3 TWO TONE TERROR gets some major post relief today for team Lynch & trainer Joe Poirier, the classy veteran mare showed shades of her former self last week in the \$201L5 condition, rallying from last to finish second to a sharp The Ironman. She has hit the board in four of her ten starts to start her 9-year-old campaign & gets catch driver Adam Lynk in the sulky today. We will take a shot on her & her great late kick to round out our Lynk brother exactor.

#7 ZAIDANS LUCK never saw the pylons last week in line to catch driver Brett Leblanc from the outside post, the chestnut gelding was a beaten favourite in that one but held tough to finish fourth despite getting issued a nasty parking ticket. A tricky back tier draw today will limit him from hitting the front, where he does his best work, so I prefer him on the bottom end of the exotics.

Tobins Gem Sparkles Saturday At Northside

Tobins Gem was never better than on Saturday, July 11 at Northside Downs, pacing to a new lifetime mark in the faster of two \$16,200 Atlantic Sires Stakes "A" divisions contested.

Starting from the innermost post, Tobins Gem got away in third early for driver Clare MacDonald as Starship Sharky (Mark Pezzarello) put up opening panels of :27 and :56.2. MacDonald edged to the outer flow just prior to the midway mark and impressively cleared to the top around the turn before heading down the backside. After three quarters in 1:25.1, MacDonald had Tobins Gem on cruise control for the final quarter as the pacing gelding tripped the timer in 1:55.2. Favoured Oceanview Lou (Brodie MacPhee) finished second, just less than four lengths back, with Darbies Fancy (Pooker McCallum) rounding out the top trio.

A son of Flameproof Hanover-Grace Seelster owned by Rennison Racing Inc. of Truro, N.S., [Tobins Gem](#) (\$6.80) is now a five-time winner with \$32,435 in career earnings. George Rennison trains.

Shekhan delivered a 9-1 upset in the first ATSS "A" division, closing from off cover to score in 1:58 for driver Colin and trainer Morgan Sheppard.

With Tiziano (MacDonald), Windemere Britt (MacPhee) and Smilin With Lou (McCallum) all taking turns on the lead early, Shekhan and Sheppard sat back off the front-end speed in fourth. Smilin Lou cleared through a :29 opener and hit the half in :57.3, but favoured Windemere Britt was back out to challenge. Sheppard briefly followed that one into second over position as the third station was reached in 1:28, then fanned into the three path around the far turn. Turning for home, Shekhan shot past his rivals and paced away in the lane for the lifetime best tally. Windemere Britt was second best, 2-3/4 lengths of the winner, followed by Smiling With Lou.

A son of Blood Money-Just Breathe, [Shekhan](#) is owned by Walter Deagle of Inverness, N.S. He's now a four-time winner in his career with \$32,330 in purses accrued. The longest shot on the board returned \$21.80 to win.

Galway Bay (\$3.80) prevailed in the single \$6,000 ATSS "B" division in 2:00.3 for trainer-driver-owner Monica Sutherland of Port Hood, N.S.

Ranked Contender (\$10.50) emerged unscathed and victorious in an eventful \$1,600 Winners Over Pace. Kountry Diamond stumbled heading out of the turn approaching the half and nearly fell, but Mark Pezzarello maintained a strong hold and managed to collect the pacer — who, at the time, didn't have another horse following behind in the pocket as Alritealritealrite and driver Brett Leblanc had started an overland bid. The trailing drivers kept their horses on their feet, but both Leblanc and Pezzarello pulled up their respective mounts and did not finish.

Brodie MacPhee and Ranked Contender wore down Elm Grove Qwiggly (Larry Snow) down the backside and pulled away to win by 2-1/2 lengths in 1:58.2. Hugh Heff (Randy Getto) finished in the show spot.

A six-year-old son of Tobago Cays-Euphoria Seelster, [Ranked Contender](#) is owned by his trainer, Peter MacKinnon of Sydney, N.S. The pacer picked up his 15th career victory, and now sports \$20,564 in purses.
