Regulations and Information

General

All Pari-Mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by the Canadian Pari-Mutuel Agency. All tickets should be held until the race is declared official and the prices are posted. Notice boards are located in the Grandstand. The approximate odds represent only the probable payout price of the win pool at the time they are posted and have no bearing on the payout price of any other pool.

Where the appropriate odds for any horse posted at "1 to 9" the pay out price based on a \$2.00 ticket in the win pool may be \$2.10. Where the approximate odds for any horse are posted as "99:1", the pay out price based on a \$2.00 ticket in the win pool may be greater than \$200.00.

As per Provincial Regulatory Rules, no person under the age of 19 shall purchase or cash a Pari-Mutuel ticket.

A winning ticket is valid indefinitely.

Entries and Mutuel Fields

"Entry" means two or more horses in the same race which for the purpose of pari-mutuel betting are coupled or considered as the same betting interest. The most common reason for the coupling of horses in entry is the fact that they are owned by the same person. "Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel system. Subject to the Regulations, a bet on one horse of an entry or mutual field shall be considered a bet on all horses in the entry or mutual field starts in the race. All tickets purchased on the entry or mutual field remains valid.

Daily Double Betting (Including Late Double)

A "Daily Double" is a betting transaction in which a purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools opened on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holder of tickets on such horses, coupled with the winner of the first daily double race shall participate in a Consolation Daily Double.

Exactor Betting

An Exactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different betting interest to finish in the exact official order of finish, in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Quinella Betting

A Quinella bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different interest to finish, in either order to finish in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Triactor Betting

A Triactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first three horses representing different interest to finish, in the exact official order to finish, in the race in which the pool is operated.

Superfecta Betting

A Superfecta is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interest to finish in the exact official order of finish, in the race on which the feature is operated.

Pick 3, 4, 5, 6, and 7 Pools

The Pick 3, 4, 5, 6, and 7 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of the 3, 4, 5, 6, or 7 successive races specified for the Pick 3, 4, 5, 6, and 7 respectively. Winning tickets and a mandatory payout of the pick 3, 4, 5, 6, and 7 are determined in the following sequence: a) winners of all legs, b) most winners, c) most second place finishes or d) sequentially thereafter. Where no tickets have been sold coupling the official winners of every leg of the Pick 3, 4, 5, 6, and 7 and a mandatory payout does not apply, 25% of the day's net pool is paid out as detailed above while 75% is accumulated and carried over.

Pick 3, 4, 5, 6, and 7 Scratches

In the event a Pick 3, 4, 5, 6, or 7 ticket designates as a selection a horse which is scratched, excused or determined by the judges to be a non-starter in any of the races comprising the pick 3, 4, 5, 6, or 7 the favorite as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratched occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favorites is identical, the selection with the lowest program number shall be substituted for the scratched horse.

Refunds

Subject to the regulations, all monies in all pools on a race are refunded where the race is cancelled, declared no contest, postponed beyond the racing card for which it was scheduled, subject to a change in distance after betting has commenced, or where the running or the finish of the race can not be properly judged.

Common Pool Wagering (Intertrack Betting)

Subject to the regulations, in the unlikely event of a communications or computer system failure, various courses of action may result depending on the nature of the breakdown. Bets from the affected sites, including advance bets, may be refunded. Customers will be advised of the course of action.

Outstanding uncashed tickets from January 1, 2019 to March 31, 2019: \$6,684.21.

The Breaking Rule

All prices in Canada must be broken to the nickel as per section 204 of the Criminal Code of Canada. For every \$1.00 bet, the minimum winning amount you will get is \$1.05 for each dollar wagered.

Drug Testing

Drug testing ensures the integrity of all races contested at Northside Downs and in conjunction with the Atlantic Provinces Harness Racing Commission pre-race blood gas analysis are conducted at random on selected horses. Post race urine tests are conducted according to the Canadian Pari-Mutuel Agency regulations.

Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

2 Types of bets

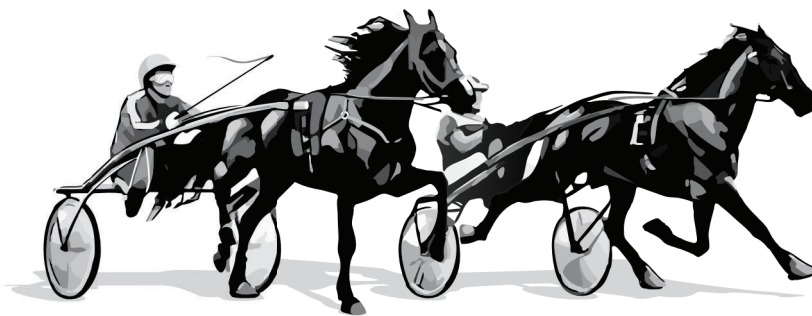

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	UUU	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	UUUU	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	UUUUUU	Pick the winners of two designated consecutive races.
Triactor*	UUUUUUU	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	UUUUUUUU	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.
Pick 4	UUUUUUUU	Pick the winner for 4 consecutive races, big payoff possible. This typically starts in race 4. They you pick race 4-5-6 and 7
Pick 5	UUUUUUUUU	Pick the winner for 5 consecutive races, big payoff possible. This typically starts in race 2. They you pick race 2-3-4-5 and 6

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit

3 Choosing your horse

How to read the program

All of the numbers and letters in the program might seem confusing or overwhelming at first but focusing on these sections makes choosing a horse simple.

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

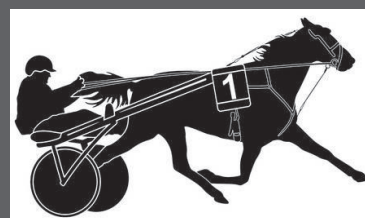

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

PLACE BETS on the **FAVOURITE** pay 53% of the time **SHOW BETS** on the **FAVOURITE** pay 67% of the time

RACE 1 SELECTIONS

4	SATURDAYNIGHTFEVER is a steadily improving son by Dancin Lou for the Done For The Day stable & Angus Gillis, regular pilot Martin Bates right lined the colt in the second quarter last week & put forward a rock-solid effort going by front runner Sonny Jax but was unable to fend off a hard charging class dropping Starship SLX. He has hit the board in 5 of his 6 starts in his first year at the races, him & Martin get a spot right behind the starting car & I like him to break his maiden today.
3	OH POSITIVE has hit the board just twice in 22 lifetime starts but this son of Blood Money gets John Hawco in the sulky once again who piloted him last week & was able to snag a fourth on a ground saving trip. They get another good post to work with today & he can spice up the exotics if he can ride the pylons again.
1	EYESSOSWEET just missed at this level two starts back on October 3rd in line to the Big M. She gets rail control again being the lone freshman in the field of 6, good chance she is the earlier leader in here & she can rebound to hit the ticket.

PETER'S PICKS

RACE 2 SELECTIONS

1	CHOCOLATE SWIRL is having a terrific return year to the races sporting 5 wins from 17 starts for Heather Hawkins. The most recent of those 5 wins came back on September 26th in 1:58.2, he got two tough outside posts in his last two starts but still managed to pickup money. He gets the coveted rail control today in this optional \$7,000 claimer & should be handed the lead in here. Catch driver Randy Getto's strategy will be 4 left turns & parade back to get his picture taken in the first leg of the pick 5.
2	RED DIRT LOVENLIFE takes a slight drop down the class ladder today, the ironside tough mare was at the \$1001L5 level last week & in line to Keigan Madden was able to get fourth from a tough outside post. The 17-time winner gets some big-time post relief today to go along with the drop down in class, Keigan can map out a great trip behind Chocolate Swirl from the inside post, she cannot be left off early daily double & pick 5 tickets.
5	ELM GROVE QWIGGLY was a beaten favourite at the \$1001L5 level last week, the 24-time winner got collared in the late goings of the mile by Don't Ask Logan. He takes a slight drop down in class today for Larry Snow but gets stuck with an outside post. I expect him to be out & rolling early like he was on October 3rd; he is in with a shot today.

SPIKE AND RAY GILLIS

MEMORIAL PACE

Spike and Ray began racing horses at the Cape Breton Sports Centre in the late 50's. In the early years each had their own stable and drove their own horses. It soon became apparent that Ray was the better driver, while Spike was the trainer. Over the years they campaigned such horses as Guy Lock, Lusty Hanover, Mr. Thunderbolt and Jackie Jackson to name a few.

As brothers tend to be they had their squabbles. On race days Ray would arrive late to drive, whistling with his uniform over his shoulder, Spike fuming waiting for him.

The brothers really had the most fun when Busy Ed came along. With Spike training and Ray driving the big black, come from behind horse, racked up 14 wins to tie for the most wins at the Sports Centre. For them that was the best of times.

When Busy Ed finished racing Spike became an associate judge while Ray helped Angus and Martin train, and he was always willing to go to the yearling's sales.

We lost Spike in 1992 and Ray in 1997, but they are still in our hearts, and every so often a Spike and Ray story will pop up and a good laugh usually follows.

PETER'S PICKS

RACE 3 SELECTIONS

7	WINE N CHEDDAR made an unfortunate miscue going to the half last week. The 14-time winner for the Big M takes a slight drop down in class today to the \$201L5 level. She dropped to this level two starts back & was a solid runner up to American Starlight in 2:00.2. She took a new lifetime best of 1:58.1 just earlier this year so with the back tier post today she looks to be the clear cut one to beat in here.
3	BLONDIES BOY makes his 2nd start in a row at this level for team O'Donnell & pilot Carey Romeo Jr. The 3-year-old son of Somewhere Fancy raced well from the dreaded post 6 last week finishing fourth, passing 3 rivals in the final quarter. He gets a much-improved post today for Carey & can use his early gate speed to land on the lead in here where he races much better from. He is the other I would consider for multi leg wagers.
6	TWO TONE TERROR picked up lifetime win #33 three starts back at this level for team Lynch & trainer/driver Joe Poirier. The classy daughter by Mystician was a good fourth last week for Adam Lynk. She gets the dreaded post 6 today but does face a tad easier company, she can find a helmet to follow in here to spice up the exotics.

PETER'S PICKS

RACE 4 SELECTIONS

7	<p>DAVID LLOYD GEORGE got the dreaded post 6 last week at the \$810L5 level & with not a single toonie to win on him, ended up on the grandstand side down the stretch & finished a hard charging fourth. He gets some significant class relief today dropping down to the \$451L5 level where he romped by over 9 lengths back on September 12th. The 32-time winner will leave from a back tier post today which has proven to be tricky for him in recent times but with some early speed to follow in the form of Zaidans Luck he should be well situated early & hard to fend off in here to kickstart the pick 4.</p>
1	<p>ZAIDANS LUCK brought his "A" game on Turkey Day in the go home pace from an outside post in line to Mark Pezzarello. Mark rifled the Chestnut to the front & did not look back scoring by 3 lengths in 2:01.2. He climbs up the class ladder to the \$451L5 level today & gets rail control for the red-hot hands of Mark Pezzarello. It will be another catch me if you can speed mission as the big chestnut looks for career win #15.</p>
3	<p>ELECTRAFLYING is a new purchase for Danny Campbell out of PEI. The 3-year-old daughter by Source Of Pride banked just over \$27,000 in her two years of stakes & overnight action with a lifetime best of 1:57.3 taken earlier this season. She gets a good post to work with in her Northside debut & she is worth a look if the two above do not bring their best.</p>

PETER'S PICKS

RACE 5 SELECTIONS

5	ROCK AND TWIST made his 1st start since September 19th last week & was a solid runner up to Wenitrainsitpours in his return race for team Hawco stopping his clock in 2:01. The classy 36-time winner takes a step up in class to the \$601L5 today for regular pilot John Hawco & they get an outside post to work with. There is some serious early speed to his inside so I can see some hot early fractions setting it up for a stone cold closer to take it all. John can find a helmet to follow in here & workout a nice trip, I will take a shot he rebounds today at an attractive price in a wide-open competitive field here in the fifth.
2	BEERS ON ME is 1 of 2 class droppers in this race. The 12-time winner for team Murphy & regular pilot Adam Lynk finished sixth at the \$810L5 level last week but they were only beaten just over 2 lengths. He raced at this level two back & was a runner-up to D A Playersdelight in 2:00.1. He gets a wicked inside post to work with today & should be well situated in the top half of the group. He is in with a great shot at picking up career win 13.
6	RED RUM SHE WROTE was a non-factor from the dreaded post 6 at the \$1001L5 level last week. The defending mare of the year at Northside gets some serious class relief today for Martin Bates but they unfortunately get stuck with that ugly yellow number again today. She will have to do a lot of the road work in here, but this is a spot where she can do some damage even from the far outside starting position.

RACE 6 SELECTIONS

1	DONTBLVMEJUSTWATCH put the hammer down for the second consecutive week on Thanksgiving Monday & did not disappoint as the odds-on favourite at the \$810L5 level scoring by a half length in 1:59.4. He continues to re climb the class ladder as he reaches the \$1001L5 level today & gets his fourth rail in his last five starts. The 34-time winner reunites with the red-hot Mark Pezzarello today who piloted him to his seasonal best 1:56.3 performance in 2025. Mark will be taking no prisoners off the rail & I will take a stab on him to pickup his third straight win in the anchor leg of the pick 5.
6	HUGH HEFF has the opposite luck as his stablemate as he gets the dreaded far outside post 6 once again this week. The back to-back horse of the year at the Downs drops down in class for the first time since arriving on Cape Breton Island today after a fifth-place finish in the winners over last week. He is the clear cut one to beat in here & may make me look foolish not putting him on top, but I will side with his stablemate who draws much better as Hughie & Randy round out our Getto stable exactor.
7	BIG BOY HILL did not have any friends last week as he was issued a Regent Street parking ticket by Elm Grove Qwiggly. He held tough to pickup money in that one & he returns in the same class today with a back tier post behind our top choice. He should get a much less taxing trip today, so I like him to spice up the bottom of the exotics.

BARRY BATES

JANUARY 11, 1970 – APRIL 14, 2022

Barry had an undeniable love for his wife Wanda and their 3 beautiful children Jaret, Faith and Rohan which he was so proud of. He developed an interest for horses at a very young age. By age 12 he would be seen helping Martin and Angus in the barn and going to the races. He quickly developed a passion for driving and training and he excelled in both. Over the years Barry and Martin bought and owned several horses. Barry was known to call Martin to discuss a new horse to purchase when in fact he had already purchased the horse.

Each year Barry was one of the top drivers. He started with Harrods Lady and continuing with Dusty Lane Laura, Scotty Dude, Gottobeareason, Windsong Katie, Blacky Black and Red Rum She Wrote who were all top-class horses.

Barry was a tough competitor on the track who loved putting one on the front and never looking back. He loved being at the barn or track with the horses. Barry was loved and respected by all who knew him.

*He will be forever missed by his family
and his track family.*

PETER'S PICKS

RACE 7 SELECTIONS

2	BOBJOHNSKI left from a back tier post last week in line to catch driver Randy Getto & got a ground saving trip to finish third. He gets some significant class relief today & gets a great inside post to work with while reuniting with the leading dash winner Mark Pezzarello coming off a 6 pack on Thanksgiving Monday. Mark should be glued to Poplar Artie's helmet in here & get a great trip. This is a wide-open race in the anchor leg of the pick 4 so we will side with the hot tandem of Jake Jacobs & Mark Pezzarello.
1	POPLAR ARTIE got an excellent steer from Keigan Madden last week from his fourth consecutive back tier post to finish second in 2:02. The son of Mach Three is 2 for 46 in the win column dating back to the beginning of 2025 but has 5 runners-up finishes in 2026. He gets rail control & can be right on the choo-choo where he loves to be, he has a great shot at getting his picture taken for the 20th time in his career.
4	MOONLIGHT was able to stay flat for the whole mile last week & wound up finishing fifth for regular pilot Shawn Lynk. The free legged son of Bet The Moon stays put at the same class level today & gets Carey Romeo Jr between the wheels today, there could be some serious early speed to his inside so if they mix it up on the front end, I can see him rallying in the late stages.

RACE 8 SELECTIONS

2	D A PLAYERSDELIGHT tried a big 3-wide sweeping move in the 3rd quarter last week on a big jump up in class in line to catch driver Randy Getto & looked to be circling the field but bottomed out in the final stages to finish 6th. Look back at the start on October 3rd at the \$601L5 level, the same class he drops into today, Martin Bates rolled the son of Shadow Play off the rail in 2:00 to pickup his 3rd win in 2026. He gets inside post to work with today & should be handed the lead in here with Crosscut to his inside. A drop & pop for his 9th lifetime win looks to be looming in this spot so he will be my best bet of the day
7	HOWMAC POWERBALL dropped down to the \$1001L5 level last week from the top-class winners over & from a back tier post was able to land on the ticket finishing third in 1:59.4. He takes an even bigger drop down the class ladder today to the \$601L5 & gets the same back tier post to work with today. He can follow out our top choice when the wings fold to get a great trip in here & is in with a great shot at picking up his first win for Danny Campbell.
1	CROSSCUT gets some big-time post relief today as some hot fractions from the outside post last week did not see him get towed into the race. He has been a mainstay in this optional \$5,000 claimer & has raced well picking up money in most of his tries. With rail control he is not known for his early speed but should still be situated in the front half of the field, I like him to land somewhere on the ticket today but will side with the two class droppers above him.

RACE 9 SELECTIONS

6	<p>ALRITEALRITEALRITE was a beaten favourite in the top-class winners over last week from an inside post. Kevin Bailey opted to watch the battle up front unfold as stablemate Thunder Alley & Aragonite battled for close to 3/4 of the mile last week. The son of Lazarus was gaining with every stride coming down the stretch but was in a blind switch & had to settle for third but I do not think he was catching TA anyway. Mark Pezzarello jogged with Thunder Alley last week & opted to drive this 13-time winner from the far outside post 6 today instead of last weeks winner, that to me points all the fingers that a rebound score is likely today & the dreaded post 6 should hopefully add a little bit of value.</p>
4	<p>RANKED CONTENDER left from an outside post last week & found himself last going into the final quarter, but the uber consistent son of Tobago Cays made up some nice ground in the final stages of the race to finish 4th. Pete MacKinnon trainee has hit the board in 14 of 21 tries this season & he gets regular pilot the Big M back in the bike for the 2nd start in a row. He can find a helmet to follow in here & add some serious value to the exactor or late daily double.</p>
2	<p>THUNDER ALLEY was as sharp as he ever has been last week since arriving on Cape Breton Island as Mark Pezzarello airmailed the now 45-time winner to a 1:57.3 score in a shocking upset. Mark opted to drive his stablemate that we selected above so Keigan Madden gets a very live catch drive today from an excellent post. Aragonite might have something to say again about him making the lead but after last weeks performance he is hard to leave out of your ticket today.</p>

3	ROCKINFORREAL has hit the board in 6 of his 14 tries this season with his lone win coming back on September 19th for Jason MacNeil at the same class level he drops down into today. The son of Rockin Image takes a drop down the class ladder today to the \$355L5 level after a fifth-place finish from an outside post last week. He gets a good inside post to work with today for Jason & in what looks to be a wide open go home pace, we will side with this class dropper.
5	SIDEKICK got a perfect pocket ride behind a heavy favourite class dropping Candid Cameron last week & raced well to finish third for the hot tandem of Jake Jacobs & Mark Pezzarello. He takes a small drop down today to the \$355L5 level where he was a beaten runner-up finisher to Red Dirt Legacy two starts back. He should be activated once the wings fold from an outside post for Mark today & looks to be a main contender in a head scratching finale.
1	LAST CHANCE made her first start in a month last week in line to catch driver Carey Romeo Jr, she was taken to the back of the bus by Carey but rallied well to finish third. The 2-time winner on the year gets John Hawco between the wheels today & they get the coveted rail control to work with. She has a decent amount of gate speed & from the rail should be well situated to pickup another good cheque today.

Thunder Alley Heads Pezzarello Northside Six-Bagger

Driver Mark Pezzarello was white-hot on Monday, Oct. 12 at Northside Downs, scoring six driving victories including the Winners Over Pace aboard Thunder Alley.

Leaving from post four in the field of six for the featured \$1,600 Winners Over, Thunder Alley pushed the gate away as he outsprinted Aragonite (Lawrence Snow) to the opening turn and blitzed the opening panel in :27.4 with the top pair racing well clear of the rest. Revved-up from the pocket, Aragonite pulled the pocket and applied pressure to Thunder Alley as the duo raced to the half in :57. Spinning onto the backstretch for the final time, Thunder Alley began to shrug off the pesky Aragonite as he tripped the timer at three-quarters in 1:26.4.

Thunder Alley turned for home three lengths clear, with the tightly packed field giving chase and beginning to cut into the deficit. Despite the middle half throwdown, Thunder Alley held sway to reach the wire first by a length in 1:57.3. Payline (Roderick Gillis) rallied up the cones for second, with Alritealritealrite (Kevin Bailey) securing third.

Trained by Heather Hawkins, [Thunder Alley](#) has won five of 21 races this year, and 45 times over the course of his career. The 10-year-old Mystery Chase-The Three Of Us gelding is owned by Terri Morrison of Marion Bridge, N.S., Irwin Claener of New Waterford, N.S., Kirk MacRae of Ben Eoin, N.S., and Angus MacEachern of Howie Center, N.S.

Prior to the score in the feature, [Pezzarelli](#) scored a natural grand slam in races two through five, winning with Dont Ask Logan (\$11.40, 1:59.1) for trainer Edgar Jacobs, A Fighting Chance (\$5.70, 2:04) for trainer Robert Blanchard, Whims Wonder (\$5.80, 1:59.1) for trainer Travis Campbell, and Wenitrainsitpours (\$2.50, 2:00.3) for trainer James Hogan. Pezzarello's sixth and final victory on the day was aboard Zaidans Luck (\$11.20, 2:01.2), once again for Edgar Jacobs.
