Regulations and Information

General

All Pari-Mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by the Canadian Pari-Mutuel Agency. All tickets should be held until the race is declared official and the prices are posted. Notice boards are located in the Grandstand. The approximate odds represent only the probable payout price of the win pool at the time they are posted and have no bearing on the payout price of any other pool.

Where the appropriate odds for any horse posted at "1 to 9" the pay out price based on a \$2.00 ticket in the win pool may be \$2.10. Where the approximate odds for any horse are posted as "99:1", the pay out price based on a \$2.00 ticket in the win pool may be greater than \$200.00.

As per Provincial Regulatory Rules, no person under the age of 19 shall purchase or cash a Pari-Mutuel ticket.

A winning ticket is valid indefinitely.

Entries and Mutuel Fields

"Entry" means two or more horses in the same race which for the purpose of pari-mutuel betting are coupled or considered as the same betting interest. The most common reason for the coupling of horses in entry is the fact that they are owned by the same person. "Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel system. Subject to the Regulations, a bet on one horse of an entry or mutual field shall be considered a bet on all horses in the entry or mutual field starts in the race. All tickets purchased on the entry or mutual field remains valid.

Daily Double Betting (Including Late Double)

A "Daily Double" is a betting transaction in which a purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools opened on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holder of tickets on such horses, coupled with the winner of the first daily double race shall participate in a Consolation Daily Double.

Exactor Betting

An Exactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different betting interest to finish in the exact official order of finish, in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Quinella Betting

A Quinella bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different interest to finish, in either order to finish in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Triactor Betting

A Triactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first three horses representing different interest to finish, in the exact official order to finish, in the race in which the pool is operated.

Superfecta Betting

A Superfecta is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interest to finish in the exact official order of finish, in the race on which the feature is operated.

Pick 3, 4, 5, 6, and 7 Pools

The Pick 3, 4, 5, 6, and 7 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of the 3, 4, 5, 6, or 7 successive races specified for the Pick 3, 4, 5, 6, and 7 respectively. Winning tickets and a mandatory payout of the pick 3, 4, 5, 6, and 7 are determined in the following sequence: a) winners of all legs, b) most winners, c) most second place finishes or d) sequentially thereafter. Where no tickets have been sold coupling the official winners of every leg of the Pick 3, 4, 5, 6, and 7 and a mandatory payout does not apply, 25% of the day's net pool is paid out as detailed above while 75% is accumulated and carried over.

Pick 3, 4, 5, 6, and 7 Scratches

In the event a Pick 3, 4, 5, 6, or 7 ticket designates as a selection a horse which is scratched, excused or determined by the judges to be a non-starter in any of the races comprising the pick 3, 4, 5, 6, or 7 the favorite as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratched occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favorites is identical, the selection with the lowest program number shall be substituted for the scratched horse.

Refunds

Subject to the regulations, all monies in all pools on a race are refunded where the race is cancelled, declared no contest, postponed beyond the racing card for which it was scheduled, subject to a change in distance after betting has commenced, or where the running or the finish of the race can not be properly judged.

Common Pool Wagering (Intertrack Betting)

Subject to the regulations, in the unlikely event of a communications or computer system failure, various courses of action may result depending on the nature of the breakdown. Bets from the affected sites, including advance bets, may be refunded. Customers will be advised of the course of action.

Outstanding uncashed tickets from January 1, 2019 to March 31, 2019: \$6,684.21.

The Breaking Rule

All prices in Canada must be broken to the nickel as per section 204 of the Criminal Code of Canada. For every \$1.00 bet, the minimum winning amount you will get is \$1.05 for each dollar wagered.

Drug Testing

Drug testing ensures the integrity of all races contested at Northside Downs and in conjunction with the Atlantic Provinces Harness Racing Commission pre-race blood gas analysis are conducted at random on selected horses. Post race urine tests are conducted according to the Canadian Pari-Mutuel Agency regulations.

Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

2 Types of bets

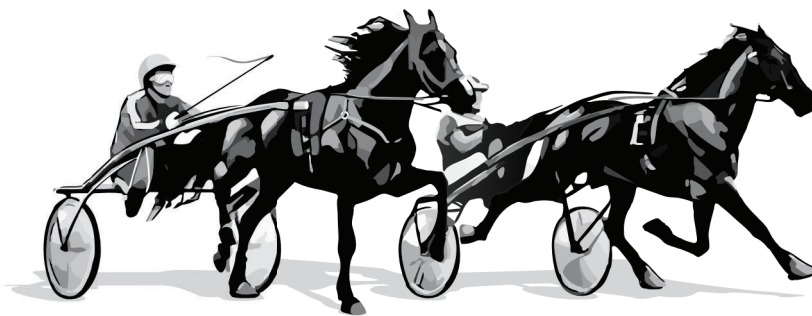

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	UUU	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	UUUU	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	UUUUUU	Pick the winners of two designated consecutive races.
Triactor*	UUUUUUU	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	UUUUUUUU	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.
Pick 4	UUUUUUUU	Pick the winner for 4 consecutive races, big payoff possible. This typically starts in race 4. They you pick race 4-5-6 and 7
Pick 5	UUUUUUUUU	Pick the winner for 5 consecutive races, big payoff possible. This typically starts in race 2. They you pick race 2-3-4-5 and 6

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit

3 Choosing your horse

How to read the program

All of the numbers and letters in the program might seem confusing or overwhelming at first but focusing on these sections makes choosing a horse simple.

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

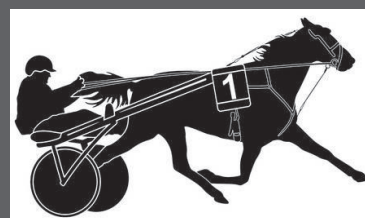

Helpful facts for betting

- Some racetracks have a television simulcastcommentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses withcurrent odds two to three times higher than their morning line odds.

PLACE BETS on the **FAVOURITE** pay 53% of the time **SHOW BETS** on the **FAVOURITE** pay 67% of the time

RACE 1 SELECTIONS

5	SATURDAYNIGHTFEVER broke his maiden last week in line to Martin Bates by 5 lengths in 2:08 on a cold windy off track. The improving son by Dancin Lou cleared in the third quarter around Eyessosweet & did not look back to pickup his first lifetime win. He stays put at the same level today & slides out one spot on the wings. He looks to go back-to-back to kickoff a 10-dash card as he looks to be the clear cut one to beat & will offer a short price.
3	COWBOY GILLES is the class of this field having 31 career wins under his belt with most of them coming right here at Northside. The son of Brandons Cowboy for team Lynch is winless in 21 attempts in 2026 but was a handy third place finisher last week in the \$201L5 level. He takes a drop down to the bottom level condition today & gets a good post to work with for longtime pilot Adam Lynk. The drop down should have him in contention for his first win this year.
7	BY RON ROSE has made an early break in his last two starts. The roan son by Tobago Cays recovered well after the miscue to finish second to Saturdaynightfever. He gets a back tier post for the hot tandem of Jake Jacobs & Mark Pezzarello so if he minds his manners, he can land somewhere on the ticket again.

PETER'S PICKS

RACE 2 SELECTIONS

1	WINDEMERE RYAN gets some big-time post relief today for team Leblanc. The classy 39-time winner has been consistent in 2026 hitting the board in 14 of his 23 starts while sporting 4 wins on the year. He took a step up in class to this level last week & from an outside post was able to finish fourth. He draws the coveted rail control today for Harold & will be the early leader in here. Last time he was on the choo-choo he went wire to wire for his seasonal best 1:58.3 in line to catch driver Keigan Madden. The hammer will be put down by Harold from this spot, so I like him to get his picture taken for the 40th time to start the pick 5.
2	KOUNTRY DIAMOND has a case of seconditis currently, the son of Lazarus has finished second in 4 consecutive starts for Leonard McLellan. The 13-time winner pocketed up behind Dontblvmejustwatch last week in line to catch driver Adam Lynk & took a late run at the leader but was just late finishing three quarters of a length back. He gets another great inside post to work with today & reunites with Larry Snow who drove him two starts back. This one looks like it will line up in programmed order so he should get a perfect pocket ride again.
4	RED DIRT LOVENLIFE was barely photo'd out by Chocolate Swirl last week. Keigan Madden hopped aboard the 17-time winner for the second straight week & mapped out a beautiful trip but needed 1 more stride for the win. She takes a step back up the class ladder today to the \$1001L5 level where she was a fourth-place finisher two starts back. This mare is in great form right now & Keigan gets along great with her so she can spice up the bottom of the exotics.

RACE 3 SELECTIONS

1	BLONDIES BOY raced at this \$201L5 level last week for the second consecutive start & got away in the pocket behind Finer Things but got an unfortunate shuffle & never found a seam until halfway down the stretch so he had to settle for fifth. The son of Somewhere Fancy gets the coveted rail control today for team O'Donnell & catch driver Larry Snow on his third attempt at this level since dropping down. He does his best racing when on the lead & that is exactly where he will be with rail control. Larry is a great fit for this colt, so I like him to go right down the road today.
4	MOONLIGHT last raced on October 12th after a vet scratch sick last week. In line to Shawn Lynk the free legged pacer off the rail was able to stay flat for the whole mile & came away with a fifth-place prize. He takes a small step down the class ladder today & reunites with Zach Mullins who blew up the tote board with the Jayce Mercer trainee back on September 12th. Other than the times he has broke stride he has not put forward a bad effort yet since arriving at the Regent Street oval for Jayce so with Zach back in the bike he is hard to overlook here.
7	TWO TONE TERROR suffered broken equipment after the word go last week and made an uncharacteristic break because of it. She stays put in the same class today & gets a back tier post for Adam Lynk. She can spice up the exotics today.

RACE 4 SELECTIONS

3	THE IRONMAN gets some considerable class & post relief for Joe Nearing today. The 22-time winner tried his luck in the Celtic Financial series & was able to salvage a third from a tough outside post in the \$2,500 consolation. He was a non-factor in his last two starts from outside posts in the \$601L5 & \$451L5 level but takes a considerable drop down the class ladder today & gets a good post to work with for catch driver Carey Romeo. Carey & Joe have teamed up for a win earlier this year with Big Boy Hill & this guy should get a great trip in here whether he is on the front or in the pocket. He looks like the one to beat to start the pick 4.
2	SIDEKICK had no friends last week as he was parked out the whole mile & ended up fading to sixth. The son of Racing Hill takes another stab at this \$351L5 level for Jake Jacobs & Mark Pezzarello but this time around they get a much better post position. The 2-time winner in 2026 does his best racing when free wheeling on the front end & that is exactly where Mark will have him today. He is the other I would use in multi leg wagers.
1	A FIGHTING CHANCE takes a drop down the class ladder today for team Blanchard & catch driver Zach Mullins. The improving son of Bet The Moon gets some big-time post relief having drawn 4,5 or 6 in his last six starts. He is not known for his gate speed but should still be situated in the front half of the field of 7 to land on the ticket.

PETER'S PICKS

RACE 5 SELECTIONS

2	THUNDER ALLEY shocked everyone on October 12th in the top class as Mark Pezzarello rifled the 45-time winner to the front from the middle of the gate & did not look back scoring by a length in 1:57.3 at an attractive price. He came back on October 17th & in line to catch driver Keigan Madden had to take a tuck behind Aragonite going to the opening quarter & tried to rally around the front runner but had to settle for fourth. Mark Pezzarello hops back aboard for trainer Heather Hawkins today in the first week of Governors Cup eliminations. His great early gate speed will see him try to beat Dontblvmejustwatch out & land on the lead where he does his best racing. I think Mark can get him on the lead & not look back to kickoff another year of Governors Cup action.
4	ARAGONITE was tortured on October 12th in the top-class winners over, but it did not knock a tick off the now 12-time winner as he came back five whole days later & in line to Carey Romeo put the hammer down off the rail to score his second top class win since arriving here for team Rankin in 1:57.2. He has gone some extremely rugged trips since arriving at the Regent Street oval & with an outside post in a field of five he will have to do a lot of the heavy lifting on the outside in here. He is as tough as they come & will be hard to fend off if he brings an effort like last weeks.
5	PAYLINE has been racing great for Roddie Gillis this year hitting the board in 16 of his 23 races with 3 wins under his belt. Roddie has driven the 21-time winner perfect in his last two starts in the top class getting second on October 12th & a hard charging third on October 17th, both ground saving trips. He unfortunately gets the short end of the stick in the post draw in week 1 of eliminations but he can find a helmet to follow in here. He is my dark horse for this years Governors Cup.

PETER'S PICKS

RACE 6 SELECTIONS

4	CHOCOLATE SWIRL picked up his 6th win of the season last week in line to catch driver Randy Getto where they held on by a whisker over Red Dirt Lovenlife. The classy 11-year-old got some big-time post relief last week & was able to land on the lead where he loves to be & went wire to wire in 2:00.2 over an off track. He stays put in this optional \$7,000 claimer where he has found plenty of success for Heather Hawkins & he gets Mark Pezzarello back in the bike today. A mid pack post right behind the starting car will see him & Mark blasting out of there again today to try & go back-to-back in the anchor leg of the pick 5.
2	COLD CREEK GUERERO dropped & popped two starts back in line to the Big M in 1:59.4. He took a jump back up to the \$1001L5 level where he has been a mainstay & got an unfortunate shuffle but did makeup over 5 lengths in the stretch to get a cheque. He takes a small step back down the class ladder today to the \$801L5 level & gets a great inside post to work with today. He will be the other one in here firing out for the lead with Chocolate Swirl & is worth a look in multi leg wagers.
3	SPICYSONOFABEACH got an excellent patient steer from catch driver Adam Lynk last week. Adam was able to find a helmet to follow with the speedy free legged son of Pang Shui & rallied home well to finish third on the jump up in class. He has just 1 win from 21 starts this season, but I feel like he has taken strides forward in his first year as an aged pacer for Heather Hawkins. Kevin Bailey hops back aboard today & he can spice up the exotics at this level once again this week.

RACE 7 SELECTIONS

3	DADDYS EYES made a break behind the gate two starts back & got an unfortunate post last week in line to catch driver Randy Getto, but Randy was able to get the 28-time winner around the track twice for a clean line. He comes into this contest for Shann Cox with 1 win under his belt in 17 starts, that win coming earlier on in the season at a big price in line to Mark Pezzarello who hops back behind the free legged pacer today. A much-improved post & reuniting with the top dash winning driver is a recipe for success so I like him to round out the pick 4.
4	ROCKINFORREAL takes another drop down the class ladder today after a ground saving fourth place finish last week at the \$355L5 level. The 16-time winner like our top choice has 1 win in 2026 coming back on September 19th. He gets a mid pack post to work with for Jason MacNeil today who can find a helmet to follow in here. This is as cheap as he has been in quite sometime so a drop & pop would not shock me one bit.
1	POPLAR ARTIE tried a wire-to-wire front end speed mission last week off the rail at this level but weakened in the final quarter finishing third. The 10-year-old son of Mach Three & Keigan Madden get rail control to work with again today & will be your early leader. He can grab another share today.

RACE 8 SELECTIONS

2	ELECTRAFLYING was impressive in her Northside debut last week for Danny Campbell. Larry Snow right lined the filly in the second quarter & she cleared up the backstretch with ease & was a wrapped-up winner by over 2 lengths in 2:00.3. She climbs up one rung on the class ladder today to this NW5 level & loses Larry Snow to one of his own horses, so Carey Romeo picks up a very live catch drive here. She gets a great inside post & with Crosscut to her inside will be handed the lead in here. She looks poised to start her second chapter of her racing career 2 for 2 so she will be my best bet of the day.
8	WHIMS WONDER took a new seasonal best of 1:59.1 in this optional \$5,000 claimer two starts back for Travis Campbell & Mark Pezzarello. Last week she was locked in on the rail & found a seam but interfered with Maverick Treasure so she was placed back to fifth. She comes back in the same class today for Travis & Mark with a back tier post, if Mark can push through from the back tier & follow Electraflyng out when the wings fold, she could land right in the pocket behind her. She is our best bets major danger with the form she is in right now & a Campbell brother exactor looks highly likely here.
1	CROSSCUT picked up another good cheque last week off the rail in line to Keigan Madden finishing third to D A Playersdelight & Howmac Powerball. He gets rail control again today with trainer Joey Poirier hopping back aboard. He should be well situated in here to land somewhere on the ticket again today.

PETER'S PICKS

RACE 9 SELECTIONS

2	HUGH HEFF the back-to-back horse of the year at Northside comes into the first week of Governors Cup eliminations with 4 wins on the year & a seasonal best of 1:56. He has drawn as bad as any horse in North America this year as you can see looking down his lines but that changes today as Hughie & Randy get a good inside post to work with for the first time in a while. He still has his main rival of 2026 Alritealritealrite to his inside but that one has not brought his "A" game the last few weeks. I can see Alritealritealrite going off as a heavy favourite in this short field so with that one not in the best form I will look for some value with the classy 52-time winner today.
1	ALRITEALRITEALRITE has been disappointing the last two starts where he was a beaten favourite in both. Stablemate Thunder Alley was too sharp for him on October 12th & last week the son of Lazarus did not fire at all from the dreaded post 6. He gets rail control today in the second Governors Cup elimination for Kevin Bailey. He will be sent off as a chalk favourite in this short field of 5 & it would not shock to see him get his picture taken for the 14th time in his career, but I have not liked what I have seen from him the last two weeks so I will play against him today.
5	RANKED CONTENDER also has not had the best luck at the draw as he gets stuck with the outside post today in this short field of 5. The Pete MacKinnon trainee was a rallying second in last week winners over for the Big M coming home in 29.1. The outside post should not bother him as he does his best racing in the late stages, he will pick up the pieces again, but the race script does not favour him one bit.

PETER'S PICKS **RACE 10 SELECTIONS**

4	SUNSHINE LUCAS has taken some major steps forward in his second year at the races for Kevin Bailey in 2026. The just 1-time winner from 14 starts in 2025 as a 2-year-old comes into this contest with 3 wins in 2026 & 12 on the board finishes from 18 starts. He made his first start in nearly a month on October 12th at this \$451L5 level & got a ground saving trip to be fourth. He did not race last week but comes into this one fresh & he gets a mid pack post to work with today. This colt has plenty of ability & I think Kevin can workout a great trip in this spot to hopefully get his picture taken at an attractive price.
2	KISS ME IM IRISH the classy 42-time winner & multi time mare of the year at Northside takes a monster drop down the class ladder today from the \$801L5 to this \$451L5 level, the same class she won at back on September 26th. She got away third last week in line to longtime pilot Mark Pezzarello but off a ground saving trip could not capitalize & had to settle for fourth. She gets a great inside post to work with today for Mark & will be the clear-cut favourite in here. I will look for value elsewhere, but she is the logical one in the back end of the late daily double.
1	FARMERS FIELDSTONE gets rail control after being parked out at this level last week. The daughter by Artspeak held tough & re rallied in the stretch to finish fourth. With rail control today she will get a much less taxing trip & should land somewhere on the ticket.

In Loving Memory
SCOTT KNIGHT

1974 - 2026

Scott Knight was a respected driver, dedicated horseman, and a valued member of the harness racing community. For more than 25 years he was one of Western Canada's top drivers and a current Director of Harness Racing B.C., representing the members of our industry with dedication and pride.

Scott was more than a driver — he was a friend, a valued member of our racing family, and an inspiration to many. His passing leaves a profound void in our community, but he will be remembered for the friendships he forged, his passion for harness racing, and the lasting impact he leaves on our sport.

Scott leaves behind his wife, Lindsey Knight, his sons, Logan and Jayden, and his stepchildren, Cole, Maci and Braylee, along with many family members and friends who loved him dearly.

AS A TRIBUTE FOR SCOTT AND HIS FAMILY,

We are asking our horsemen to put

BLUE RIBBONS

on their horses to show support and get Scott's memory over the finish line

10 MORE TIMES ON SATURDAY.

NSD
NORTHSIDE DOWNS

Northside Downs Horsemen, Management and fans pass on Our deepest condolences go out to Scott's family, friends, and everyone affected by this tragedy.

Aragonite Iron Tough In Northside Top Class

This past Monday (Oct. 12) in the Winners Over Pace at Northside Downs, Thunder Alley kept Aragonite parked out and maintained his position on top to deliver a 1:57.3 victory. On Saturday (Oct. 17), Aragonite got his revenge.

With rail position in the \$1,600 top class feature, driver Carey Romeo asked Aragonite to push forward and make the top ahead of Thunder Alley (driven by Kevin Bailey). Bailey took the tuck into the pocket down the backside as Aragonite rambled through fractions of :27.4 and :57.4, but moved back out to challenge before the 1:27.4 third station. Aragonite clearly held onto that grudge from earlier this week and kept his rival at bay for the final 400 metres, coming home in :29.3 for the 1:57.2 decision. Ranked Contender (Ardon Mofford) closed well to grab the place position, back 1-1/2 lengths, with Pay Line (Roddy Gillis) in for third ahead of Thunder Alley.

A six-year-old gelded son of Sportswriter-Fade Away, [Aragonite](#) is owned by trainer Colin Rankin along with Nova Scotia-based Sherry Gillis of Sydney, Cathy Rankin of Dutch Brook and Debra Rankin of Sydney. Now a 12-time winner in his career with \$75,392 in earnings, Aragonite returned \$7.60 to win and looks to factor in the local edition of the Governor's Cup Series set to commence next week.
