Regulations and Information

General

All Pari-Mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by the Canadian Pari-Mutuel Agency. All tickets should be held until the race is declared official and the prices are posted. Notice boards are located in the Grandstand. The approximate odds represent only the probable payout price of the win pool at the time they are posted and have no bearing on the payout price of any other pool.

Where the appropriate odds for any horse posted at "1 to 9" the pay out price based on a \$2.00 ticket in the win pool may be \$2.10. Where the approximate odds for any horse are posted as "99:1", the pay out price based on a \$2.00 ticket in the win pool may be greater than \$200.00.

As per Provincial Regulatory Rules, no person under the age of 19 shall purchase or cash a Pari-Mutuel ticket.

A winning ticket is valid indefinitely.

Entries and Mutuel Fields

"Entry" means two or more horses in the same race which for the purpose of pari-mutuel betting are coupled or considered as the same betting interest. The most common reason for the coupling of horses in entry is the fact that they are owned by the same person. "Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel system. Subject to the Regulations, a bet on one horse of an entry or mutual field shall be considered a bet on all horses in the entry or mutual field starts in the race. All tickets purchased on the entry or mutual field remains valid.

Daily Double Betting (Including Late Double)

A "Daily Double" is a betting transaction in which a purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools opened on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holder of tickets on such horses, coupled with the winner of the first daily double race shall participate in a Consolation Daily Double.

Exactor Betting

An Exactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different betting interest to finish in the exact official order of finish, in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Quinella Betting

A Quinella bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different interest to finish, in either order to finish in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Triactor Betting

A Triactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first three horses representing different interest to finish, in the exact official order to finish, in the race in which the pool is operated.

Superfecta Betting

A Superfecta is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interest to finish in the exact official order of finish, in the race on which the feature is operated.

Pick 3, 4, 5, 6, and 7 Pools

The Pick 3, 4, 5, 6, and 7 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of the 3, 4, 5, 6, or 7 successive races specified for the Pick 3, 4, 5, 6, and 7 respectively. Winning tickets and a mandatory payout of the pick 3, 4, 5, 6, and 7 are determined in the following sequence: a) winners of all legs, b) most winners, c) most second place finishes or d) sequentially thereafter. Where no tickets have been sold coupling the official winners of every leg of the Pick 3, 4, 5, 6, and 7 and a mandatory payout does not apply, 25% of the day's net pool is paid out as detailed above while 75% is accumulated and carried over.

Pick 3, 4, 5, 6, and 7 Scratches

In the event a Pick 3, 4, 5, 6, or 7 ticket designates a selection a horse which is scratched, excused or determined by the judges to be a non-starter in any of the races comprising the pick 3, 4, 5, 6, or 7 the favorite as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratched occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favorites is identical, the selection with the lowest program number shall be substituted for the scratched horse.

Refunds

Subject to the regulations, all monies in all pools on a race are refunded where the race is cancelled, declared no contest, postponed beyond the racing card for which it was scheduled, subject to a change in distance after betting has commenced, or where the running or the finish of the race can not be properly judged.

Common Pool Wagering (Intertrack Betting)

Subject to the regulations, in the unlikely event of a communications or computer system failure, various courses of action may result depending on the nature of the breakdown. Bets from the affected sites, including advance bets, may be refunded. Customers will be advised of the course of action.

Outstanding uncashed tickets from January 1, 2019 to March 31, 2019: \$6,684.21.

The Breaking Rule

All prices in Canada must be broken to the nickel as per section 204 of the Criminal Code of Canada. For every \$1.00 bet, the minimum winning amount you will get is \$1.05 for each dollar wagered.

Drug Testing

Drug testing ensures the integrity of all races contested at Northside Downs and in conjunction with the Atlantic Provinces Harness Racing Commission pre-race blood gas analysis are conducted at random on selected horses. Post race urine tests are conducted according to the Canadian Pari-Mutuel Agency regulations.

Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

2 Types of bets

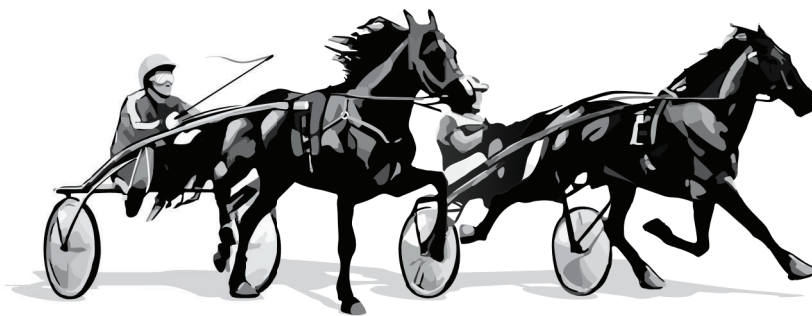

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	UUU	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	UUUU	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	UUUUUU	Pick the winners of two designated consecutive races.
Triactor*	UUUUUUU	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	UUUUUUUU	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.
Pick 4	UUUUUUUU	Pick the winner for 4 consecutive races, big payoff possible. This typically starts in race 4. They you pick race 4-5-6 and 7
Pick 5	UUUUUUUUU	Pick the winner for 5 consecutive races, big payoff possible. This typically starts in race 2. They you pick race 2-3-4-5 and 6

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit

3 Choosing your horse

How to read the program

All of the numbers and letters in the program might seem confusing or overwhelming at first but focusing on these sections makes choosing a horse simple.

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

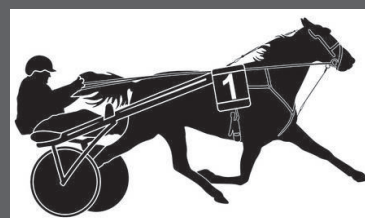

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

Race 1 Selections

#1 DUSTY LANE BAUER was sent off as the heaviest of favourites at this level last start & was a good runner-up to Sports Destiny. The rookie colt by Somewhere Fancy got settled away third for Mark Pezzarello from the rail & rallied well in the stretch passing one opponent in his 30.3 closing quarter. He gets rail control again being the lone two-year-old in the field of 7 & I like his chances to break his maiden today.

#4 WOODMERE BEDARD has hit the board at a 50% rate in 2026 but has still yet to break his maiden. His good gate speed will have him on or near the lead for regular catch driver Red Doucet as he searches for career win #1.

#2 TRUST ME HANOVER made his first appearance since the end of May in a qualifier by himself where he went in 2:07.2. The 3-year-old son by Bettors Delight gets an inside post to work with today & should he forwardly placed early to land on the ticket for the first time in 2026.

RACE 2 Selections

#2 WINDEMERE RYAN has been in for the optional \$9,000 claiming tag over the last two months for team Leblanc. The classy veteran takes a drop out of that class today into this \$801L5 level, he has had some outside posts in his last 3 starts but gets a great inside spot on the wings today. The 38-time winner & Harold will be your early leader in here & will be hard to catch in the opening leg of the pick 5.

#4 CHOCOLATE SWIRL went a great trip in his most recent start from the dreaded post 6, Mark Pezzarello right lined the 19-time winner in the second quarter & held tough to finish a good runner up to a front running Red Rum She Wrote. He has been a mainstay in this optional \$7,000 claimer the last month or so & with a slightly improved post today looks to be in with a great shot.

#1 MAVERICK TREASURE has a stale date last racing over 4 weeks ago on August 8th. The lightly raced son of Malicious had a great first half in 2026 taking 5 wins from just 10 starts including a new lifetime mark of 1:59.3 at the Inverness Raceway in line to Zach Mullins who reunites with the gelding today. Rail control should see him get a great trip in here, but I would like to see a start before putting him any higher.

Pick 5 Horse Racing

The Pick 5 in horse racing is a multi-race wager that requires the bettor to select the winners of five consecutive races. It is a type of exotic bet that can offer significant payouts with relatively low risk. The Pick 5 is usually offered on the last five races of the day, but can sometimes be offered on other races. The minimum bet is usually \$2, with the minimum payout being \$2.50. The payouts can be considerably larger, depending on the number of horses in each race and the number of bets placed. To hit the Pick 5, you need to have a good understanding of the horses, the track condition, and the jockey form. It's important to do your homework and research the horses before placing a bet. It's also important to develop a betting strategy. You can use a variety of strategies, such as spreading your bets, betting on favorites, or focusing on longshots.

 PLEASE STAY 2 FEET FROM THE FENCE WHEN THE STARTING GATE IS IN MOTION

Peter's Picks

RACE 3 Selections

#4 BIG ENGINE gets some considerable class relief today for Evan Wilson. The classy 25-time winner drops from the \$351L5 to the \$201L5 today, he left from the dreaded post 6 last start & was taken to the back finishing sixth. He is 0 for 13 in the win column so far in 2026 but a post right behind the starting car should see Evan using his wicked gate speed to land on the front, a wire to wire drop & pop is in the cards for him today to break the goose egg.

#5 A FIGHTING CHANCE finished a disappointing fifth at this level last time where he was sent off as the odds-on favourite. The improving stud son of Bet The Moon & Mark Pezzarello tried a three wide move in the third quarter but could not capitalize. He slides out one spot on the gate today & I think a more aggressive approach early could see him in contention for career win #3 at hopefully an attractive price.

#1 POPLAR ARTIE takes a drop back down to the \$201L5 level where he was a runner up finisher in back-to-back starts on August 8th & 13th. He was a non-factor from an outside post on a jump up in class last start but with rail control this week in line to trainer John Hawco he should be forwardly placed to land on the ticket for the 6th time in 2026.

Peter's Picks

RACE 4 Selections

#1 RED DIRT LOVENLIFE capitalized two starts back as my best bet of the day, the 16-time winner drove off to win by 4 lengths for a drop & pop score in her first win of the year in 2:00.3 with a snappy 29.1 closing quarter. She took a big jump up the class ladder on August 29th & was a hard charging fourth in a dead heat for regular pilot Shawn Lynk. Redmond Doucet will get the catch drive call between the wheels today & I think a take no prisoners approach is her key to her second win on the season to start the pick 4.

#3 KISS ME IM IRISH has a stale date of over a month coming into this contest last racing back on August 8th. The multi time mare of the year at the Downs takes a drop down in class today & gets a good post to work with for regular pilot Mark Pezzarello. If she is ready to rock, she will be tough to handle in here I would not take too short of a price with the time off, however.

#4 CROSSCUT this 35-time winner has been an ATM machine for Caleb MacNeil & Joe Poirier since they worked out a few quirks at the beginning of the year. He was in for a \$7,000 claiming tag for the majority of August but started September off taking a drop down to the \$5,000 optional claiming tag at the Inverness Raceway & was a solid fourth from a far outside post. Keigan Madden picks up the lines today & if they mix it up early, he may pick up all the pieces.

RACE 5 Selections

#1 **HOWMAC NAPOLEON** never seen the pylons in his last start & put forward one terrific effort finishing second to Whenitrainsitpours. The 30-time winner left out from post 3 & was parked every step but held iron tough throughout the mile, fighting off a barrage of horses late to finish second. He draws rail control today in the slight drop down the class ladder for Ryan Campbell who gets along best with Napoleon. He will be the shortest of prices on the tote board with the post advantage & his early gate speed, he looks to be a free square in multi leg wagers.

#2 **DON'T TELL KIM** is winless in 9 tries so far in 2026 but the 19-time winner & daughter of Source of Pride has hit the ticket in 4 of those attempts. She gets a great inside post to work with today & should get a pocket trip behind the heavy chalk. She has been competitive at this level when drawing inside so I like the Jake Jacobs trainee to round out the exactor.

#3 **COWBOY GILLES** also has a donut in the win column in 2026, but the classy veteran was a rock solid third place finisher two starts back at a similar level. An inside spot to work with today for regular pilot Adam Lynk should see him forwardly placed so he can add some value to the exotics in this spot.

RACE 6 Selections

#2 DAVID LLOYD GEORGE is 1 of 2 class droppers in here, the 31-time winner has hit the board in 6 of 17 starts including 3 wins this season, one of which coming at a similar level back on July 20th in line to co-owner Keigan Madden. He gets a much-improved post on the drop down in class so a wire to wire down the road score like he did in his most recent win is his ticket to the winner's circle in the anchor leg of the pick 5.

#7 SPICYSONOFABEACH used his patented quick brush of speed just after the 1/8th pole on August 29th for regular pilot Kevin Bailey, clearing to the front & putting up some hot fractions along the way but got collared in the late stage of the mile by Keeperoftherealm. He has hit the board in 7 of 15 starts for Heather this year & he gets a back tier post to work with today. If his great brush can be saved for the final quarter, he will be right with them when they cross the finish line once again.

#6 THE IRONMAN loves having catch driver Redmond Doucet in the sulky, the 22-time winner was second best to Southfield Sandy in his most recent start at the Inverness Raceway in line to Doucet. Red also piloted this guy to his seasonal best mark back on August 1st of 2:00.3. He gets stuck with a tough far outside post today but with Red aboard he can spice up the bottom of the triactor & superfecta.

RACE 7 Selections

#8 RANKED CONTENDER has been a mainstay in the top-class winners over the past year or so for Peter MacKinnon, the 15-time winner was a runner up to Alritealritealrite back on August 1st but since then has had some tough luck at the draw & had a sick scratch between starts. He takes a drop out of the top class to the \$1001L5 level but does get stuck with a tricky back tier post for catch driver Redmond Doucet. If anyone can work out a great trip from a tricky post it is Red, so I like him to drop & pop in the final leg of the pick 4.

#2 RED RUM SHE WROTE put the hammer down from the rail last start for Martin Bates & cruised to a seasonal best score of 2:00. The 2025 Governors Cup champion has been rounding into form as the 2026 season has gone on, recording 9 on the board finishes from 15 starts. She gets an inside post today as she continues to re climb the class ladder, she has some speed to her inside in the form of Beers on Me but if her & Martin can land on the lead, she is usually very touch to get around.

#4 PAYLINE raced well in both of his starts Old Home Week & returned to his home track in the winners over but got a tough post & was a non-factor. He takes a drop back down in class for Roddie today & with a mid pack post he should get a helmet to follow in here & if the front-end collapses, he may pickup all the pieces.

RACE 8 Selections

#1 SAVOIR DUHARAS jiggy jogged two starts back for team Leblanc in a seasonal best performance of 2:00.4. The son of Sunshine Beach has 3 wins so far in 17 starts in the first half of 2026 & gets rail control to work with today after leaving from the tricky back tier post 7 at a similar level in his most recent. This race goes through him & if Harold can point this guy to the lead, he may be tough to catch as he looks for career win #20.

#3 GENTRY SEELSTER blew up the tote board on August 13th for team Snow/Poswiata, the classy 24-time winner circled them from a back tier post in the \$351L5 to pickup his second win on the season. He got a rugged first over trip in his most recent, he takes a small drop back down the class ladder today & gets a good post to work with for Larry today, he will be in the mix when the win photo is taken.

#5 DONTBLVMEJUSTWATCH racked up just shy of \$8,800 in 2025 including multiple top-class victories, 2026 hasn't been as kind as the son of He's Watching comes into this race with just 1 win from 14 tries. His lone win did come in line to co-owner/driver Randy Getto back on August 8th in 1:58.3. He gets a tricky outside post on the drop down in class today, I wouldn't be one bit shocked if he got the job done here, but I will look for value elsewhere.

RACE 9 Selections

#3 ALRITEALRITEALRITE was hounded by Aragonite for three quarters of the mile last start & was just collared in the final strides by Hugh Heff in a dazzling 1:56.4 performance. The speedy stud son of Lazarus has been an excellent addition to the top class ranks since being acquired by his connections, with regular pilot Kevin Bailey out of town with his babies Mark Pezzarello gets a very live catch drive on the 11-time winner. He gets a good post to work with today & if he lands on the lead again, I think he will be tough to catch this time around with his main rival drawing the far outside.

#6 HUGH HEFF is starting to gain momentum for team Getto after a bit of a slow start for his standards, the back-to-back horse of the year at the Downs had just 1 win over the Regent Street oval before his seasonal best 1:56 score back on August 8th & capitalized on a great steer by Randy last start to get up in the final strides in 1:56.4. He drew good for all of 3 starts & now gets the dreaded post 6 that he is oh so familiar with. It would take a patented overland grind you down journey from Hughie today but in his current form, he is more than capable of going back-to-back regardless of the post.

#1 REVENANT draws rail control today after finishing fifth in his most recent effort at the top-class winners over. Prior to that start he had landed on the ticket in 5 straight starts & he reunites with Zach Mullins today who has driven the classy 36-time to some big wins in the past. I think he would take a two-hole trip behind our top choice & I like him to rebound to land on the ticket today.

Peter's Picks

RACE 10 Selections

#1 CHECK YOUR SOURCE got a very slick steer from Keigan Madden last start from an outside post to finish second to Tobins Party. The 7-year-old son by Source of Pride is winless in 14 starts so far in 2026 for Caleb MacNeil & Joe Poirier but has had some tough posts throughout the year. He draws rail control today for the first time in forever & was Keigan Maddens choice to drive over two others he normally drives in here. I think it is 4 left turns and a trip to the winner's circle for the first time in 2026 so he will be my best bet of the day.

#3 LAST CHANCE dropped & popped last week from a back tier post in line to catch driver Shawn Lynk. She cleared Starship SLX just before the 3/4 pole & cruised to an easy win in 2:03. She climbs back up the class ladder today & gets Mark Pezzarello between the wheels, she should get a great trip in here & is our best bets main threat.

#5 BOYS TURN takes a drop down the class ladder today for team Snow/Poswiata after being a non-factor at the \$451L5 level last week. The classy 38-time winner & Larry get an outside post to work with today & I think a bounce back effort is in play here to land somewhere on the ticket.
