Regulations and Information

General

All Pari-Mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by the Canadian Pari-Mutuel Agency. All tickets should be held until the race is declared official and the prices are posted. Notice boards are located in the Grandstand. The approximate odds represent only the probable payout price of the win pool at the time they are posted and have no bearing on the payout price of any other pool. Where the appropriate odds for any horse posted at "1 to 9" the pay out price based on a \$2.00 ticket in the win pool may be \$2.10. Where the approximate odds for any horse are posted as "99:1", the pay out price based on a \$2.00 ticket in the win pool may be greater than \$200.00.

As per Provincial Regulatory Rules, no person under the age of 19 shall purchase or cash a Pari-Mutuel ticket.

A winning ticket is valid indefinitely.

Entries and Mutuel Fields

"Entry" means two or more horses in the same race which for the purpose of pari-mutuel betting are coupled or considered as the same betting interest. The most common reason for the coupling of horses in entry is the fact that they are owned by the same person. "Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel system. Subject to the Regulations, a bet on one horse of an entry or mutual field shall be considered a bet on all horses in the entry or mutual field starts in the race. All tickets purchased on the entry or mutual field remains valid.

Daily Double Betting (Including Late Double)

A "Daily Double" is a betting transaction in which a purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools opened on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holder of tickets on such horses, coupled with the winner of the first daily double race shall participate in a Consolation Daily Double.

Exactor Betting

An Exactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different betting interest to finish in the exact official order of finish, in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2-), the payout will be on the horses finishing first and third.

Quinella Betting

A Quinella bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different interest to finish, in either order to finish in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2-), the payout will be on the horses finishing first and third.

Triactor Betting

A Triactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first three horses representing different interest to finish, in the exact official order to finish, in the race in which the pool is operated.

Superfecta Betting

A Superfecta is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interest to finish in the exact official order of finish, in the race on which the feature is operated.

Pick 3, 4, 5, 6, and 7 Pools

The Pick 3, 4, 5, 6, and 7 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of the 3, 4, 5, 6, or 7 successive races specified for the Pick 3, 4, 5, 6, and 7 respectively. Winning tickets and a mandatory payout of the pick 3, 4, 5, 6, and 7 are determined in the following sequence: a) winners of all legs, b) most winners, c) most second place finishes or d) sequentially thereafter. Where no tickets have been sold coupling the official winners of every leg of the Pick 3, 4, 5, 6, and 7 and a mandatory payout does not apply, 25% of the day's net pool is paid out as detailed above while 75% is accumulated and carried over.

Pick 3, 4, 5, 6, and 7 Scratches

In the event a Pick 3, 4, 5, 6, or 7 ticket designates as a selection a horse which is scratched, excused or determined by the judges to be a non-starter in any of the races comprising the pick 3, 4, 5, 6, or 7 the favorite as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratched occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favorites is identical, the selection with the lowest program number shall be substituted for the scratched horse.

Refunds

Subject to the regulations, all monies in all pools on a race are refunded where the race is cancelled, declared no contest, postponed beyond the racing card for which it was scheduled, subject to a change in distance after betting has commenced, or where the running or the finish of the race can not be properly judged.

Common Pool Wagering (Intertrack Betting)

Subject to the regulations, in the unlikely event of a communications or computer system failure, various courses of action may result depending on the nature of the breakdown. Bets from the affected sites, including advance bets, may be refunded. Customers will be advised of the course of action.

Outstanding uncashed tickets from January 1, 2019 to March 31, 2019: \$6,684.21.

The Breaking Rule

All prices in Canada must be broken to the nickel as per section 204 of the Criminal Code of Canada. For every \$1.00 bet, the minimum winning amount you will get it \$1.05 for each dollar wagered.

Drug Testing

Drug testing ensures the integrity of all races contested at Northside Downs and in conjunction with the Atlantic Provinces Harness Racing Commission pre-race blood gas analysis are conducted at random on selected horses. Post race urine tests are conducted according to the Canadian Pari-Mutuel Agency regulations.

Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U U	Pick the winners of two designated consecutive races.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.
Pick 4	U U U U U U U U	Pick the winner for 4 consecutive races, big payoff possible. This typically starts in race 4. They you pick race 4-5-6 and 7
Pick 5	U U U U U U U U	Pick the winner for 5 consecutive races, big payoff possible. This typically starts in race 2. They you pick race 2-3-4-5 and 6

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit

3 Choosing your horse

How to read the program

All of the numbers and letters in the program might seem confusing or overwhelming at first but focusing on these sections makes choosing a horse simple.

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

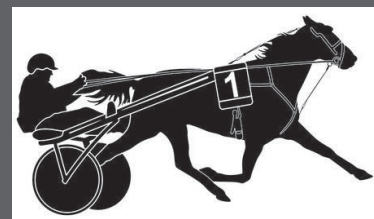

Helpful facts for betting

- Some racetracks have a television simulcastcommentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses withcurrent odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the **FAVOURITE** pay 32% of the time
PLACE BETS on the **FAVOURITE** pay 53% of the time **SHOW BETS** on the **FAVOURITE** pay 67% of the time

GERRY SNOW
January 1949 - April 2026

On behalf of Northside Downs and the Cape Breton Horseowner's Association and the racing community, we would like to express our deepest condolences to Gerry's family and many friends.

Gerry started his harness racing career in 1974, where he got his first win, on his very first drive aboard Bay Lucky. The rest of the 70's he drove horses like Miramichi Bert, Illa Dee, Ian Adios and Medocrest Admiral.

In the 1980's, along with John Ratchford, Callie Rankin and John Macdonald, dominated in the driver's challenge against Flamboro Downs. Gerry won the trophy as he accumulated the most points during the challenge. He made appearances to the winner's circle with Meadowbrook Ted, Katahdin Boy, Steelette Lady, Steelette Mist and Joe's Piper.

During the 1990's until the closing of Tartan Downs he drove a lot of horses like Stacey's Echo where he got her 100th win in her final racing season, Peppy Alche, Biggie, Garden Mist, Island Quincy, Why Worry Us and Kings Castle.

When racing returned to Northside Downs that was his most enjoyable years driving horses like Julia Down, Ramnoran, Iona Katie, Forbidden Fantasy, Andro Peanut, Western Cooking, Marching Band, Jake Sully, Pictonian Fancypas and Private Practice.

Gerry drove on every track in the Maritimes and a few in Ontario. When Gerry wasn't driving, he was an amazing blacksmith. Gerry was a magician when it came to putting shoes on horses and making sure they didn't hit their knees. No one could do that better than Gerry.

Gerry was inducted into the Cape Breton Horseman's Hall of Fame in 2019 with a stat line of 5,210 Drives, 832 Wins, 714 Seconds and 603 Third place finishes.

Gerry's Family would like to thank everyone who came here today to celebrate his life and career.

RACE 1 Selections

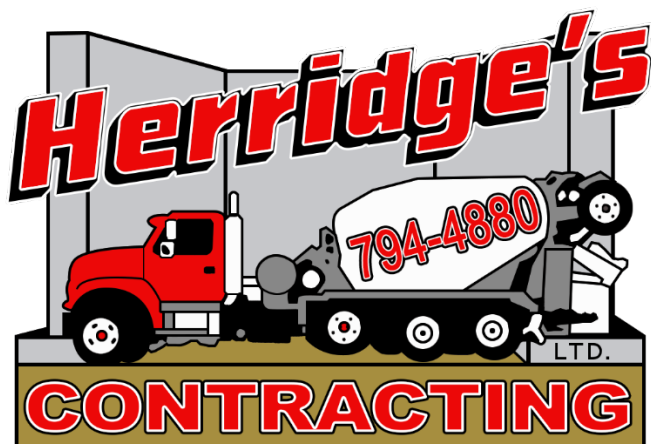

#1 **CLASSY LINGANER** didn't see the racetrack at 2, now 3 makes his first career start off the rail. He really impressed me in his lone qualifying effort, where he was a hard charging second for Larry Snow, closing home in 30.3 for a mile of 2:06.4. One of two Danny Campbell trainees & he's also one of two horses by Rhondas Belle in this dash as the #3 **A FIGHTING CHANCE** is his older brother. In what will be a great betting race to kickoff the card, we will side with the first-time starter son of Tobago Cays hoping he starts his career off 1 for 1.

#5 **BLONDIES BOY** finished second in this class the first two weeks for Richie O'Donnell & Mark Pezzarello. Both weeks there was a 1-9 chalk to kickoff the card, so he has been the best of the rest in this condition to start 2026. With no chalk on paper this week, the Somewhere Fancy colt could get an aggressive steer from Mark here with the horses to his inside having a combined 5 lifetime starts. He has a real good shot at breaking his maiden here.

#7 **TRUST ME HANOVER** was second to a free-wheeling Maverick Treasure up until the head of the stretch in his latest, he ended up fading to fourth & pacing his own mile in 2:06.3. He gets a back-tier draw to work with so we'll see what kind of trip Martin can map out to hit the ticket.

RACE 2 Selections

#1 **JIMS BIG THRILL** got a textbook steer last week from trainer Warren MacKinnon, getting away in the pocket behind stablemate Afair Somewhere, Warren was able to find a seam in the final quarter to tip 3 wide down the stretch & got up in the final strides to win in 2:02. He takes a step up in class today but gets rail control & regular pilot Ardon Moffard back in the bike, so I expect an aggressive steer & I love his chances to go back-to-back to kickoff the pick 5.

#2 **CHECK YOUR SOURCE** went some big individual fractions last week in his opening half trying to keep up to a runaway Kraken Seelster. The 16-time winner by Source Of Pride finished fourth in that one & stays in for the \$7,000 claiming price tag today. In a race that could very well lineup in programmed order, Joey can map out a nice trip from the good post & potentially pickup win #1 of the 2026 season.

#4 **HOWMAC NAPOLEON** is the lone class dropper in here after racing in the \$1200L5 the first two weeks, finishing third & sixth in those respective starts but did pace faster in last weeks effort. He does his best racing when on the lead but with some early speed to his inside he may get roughed up if he leaves out of there. I'll opt to use him underneath today, but I would still include him in pick 5 tickets.

Pick 5 Horse Racing

The Pick 5 in horse racing is a multi-race wager that requires the bettor to select the winners of five consecutive races. It is a type of exotic bet that can offer significant payouts with relatively low risk. The Pick 5 is usually offered on the last five races of the day, but can sometimes be offered on other races. The minimum bet is usually \$2, with the minimum payout being \$2.50. The payouts can be considerably larger, depending on the number of horses in each race and the number of bets placed. To hit the Pick 5, you need to have a good understanding of the horses, the track condition, and the jockey form. It's important to do your homework and research the horses before placing a bet. It's also important to develop a betting strategy. You can use a variety of strategies, such as spreading your bets, betting on favorites, or focusing on longshots.

Peter's Picks

RACE 3 Selections

#1 **SUNSHINE LUCAS** kicked off the 2026 season with a win on May 9th in 2:03.3, a new lifetime mark. He drew the dreaded post 6 last week & had some traffic troubles but still salvaged a third out of it. He takes a step up in class today & faces more experienced horses compared to what he has raced against at this point in his young racing career but does get rail control to work with for Kevin Bailey. He has shown the most ability this year of the six horses in here, so he has a great shot at picking up his second win of the season & third lifetime.

#3 **COWBOY GILLES** the veteran pacer has picked up a pair of fourth place finishes in his return year to the races for team Lynch & regular pilot Adam Lynk. The known stone cold closer has developed a new page in his playbook, he's been leaving well when the wings fold & with not much early speed to his inside, he should be well positioned here. It would be great to see him return to the winners circle in 2026 & he could do it here.

#4 **GOTITFROMMYMOMMA** makes her 2026 debut today after a 2:06.4 winning effort in her lone qualifier. She had a donut in the win & place column in 2025 but did have 8 third place finishes from 18 starts, I think she can hit the ticket in her seasonal debut.

RACE 4 Selections

#1 KOUNTRY DIAMOND drops out of the top-class winners over for the first time this year after a third-place finish on opening day & a fifth placed fourth effort in his latest. The son of Lazarus had no chance last week with an outside draw & some slow fractions but still raced well, he steps down to this \$1201L5 condition and draws rail control for Leonard MacLellan. Ryan Campbell gets the catch drive call today with Mark to his outside on Kiss Me Im Irish, Ryan has drove him to wins in the past so there is major "drop & pop" potential here, he is my best bet of the day and one to consider singling to start the pick 4.

#7 PAY LINE has hit the ticket in both starts in 2026 for Roddie Gillis, finishing third with broken equipment in his latest pacing in 2:00.2 with a sharp closing quarter of 29.2. He gets a back tier draw to work with today leaving behind our top choice so I'm hoping Roddie can be right on Ryan's helmet the whole way & spice up my exactor.

#5 CANDID CAMERON is red hot to start 2026, winning both starts in gate to wire fashion for Larry Snow & Colin Rankin. He gets a \$9,000 claiming price tag today, so he stays in the same class that he was in last week. A tougher outside post will see him racing racing off the pace for the first time this year. I don't think he extends his win streak to 3, but he's too sharp right now to leave off the ticket.

Race 4-5-6-7

Explanation of Pick 4 in Horse Racing

The Pick 4 in horse racing is a multi-race wager where bettors must correctly select the winners of four consecutive races on a single race card. This type of bet is more challenging than single-race bets and can yield larger payouts if all four winners are correctly predicted. The Pick 4 bet is structured so that you select the winning horse in each of the four designated races, with each win increasing the potential payout. If one selection fails to win, the entire wager is void. The Pick 4 bet is a sophisticated way to enjoy horse racing, combining strategy, risk, and the excitement of the sport.

Peter's Picks

RACE 5 Selections

#5 **MAVERICK TREASURE** absolutely romped in the opener last week for the Big M, running up the score by over 15 lengths for a new lifetime mark of 2:03.1. He gets the same post to work with today & steps up to the NW4 condition. He seems to be putting it all together to start his 4-year-old campaign making 2 good starts, we will back the Malicious gelding even with the tough post & slight step up in class.

#4 **SAULSBROOK HONEY** is one that we picked on top in both of her starts to start 2026, she was a hard charging second in her first start of the year & had 0 racing luck last week, she couldn't find a seam up the inside & had to settle for fourth. Trainer John Hawco will take over driving duties this week. This mare has been loaded with pace in both races she's been in & looks sharp right now so if John can workout a good trip, she'll be right there when they cross the wire.

#3 **SONNY JAX** has picked up a pair of show finishes in his first two starts of 2026. He went a hard first over trip last week but still managed to hang onto third pacing in 2:02.3. The Colin Rankin stable is red hot to start the year, so he cannot be left off your ticket.

RACE 6 Selections

#2 **LAST CHANCE** was able to pick up a couple of cheques to start her 2026 campaign for owner/trainer/driver Richie Baryluk. The Arthur Blue Chip mare gets some serious post relief & takes a considerable drop in class compared to what she has faced the first two weeks of the season. In what looks to be a wide-open race on paper, we will take a shot on the 8-time winner & Richie to cap off the pick 5.

#3 **BOYS TURN** had no chance in his 2026 debut last week, drawing the dreaded post 6, he was able to pickup a cheque in that one, pacing in 2:03. The classy 10-year-old veteran & 36-time winner stays in the same class but does slide in 3 spots on the gate. He loves to be on the front or out & going early, so I expect an aggressive steer from Larry who is off to a fantastic start in 2026. I would use him on both pick 4 & 5 tickets.

#1 **SAVOIR DUHARAS** also exits the NW965L5 like our top choice, he was a non-factor in that one, but I thought he raced well opening day in this condition he's dropping back down to today. He gets rail control to work with & we saw on closing day in 2025 what he can do with it, he jiggy jogged by over 9 lengths in 2:00.4. He draws the best in a great betting race, so he is very logical in this spot.

RACE 7 Selections

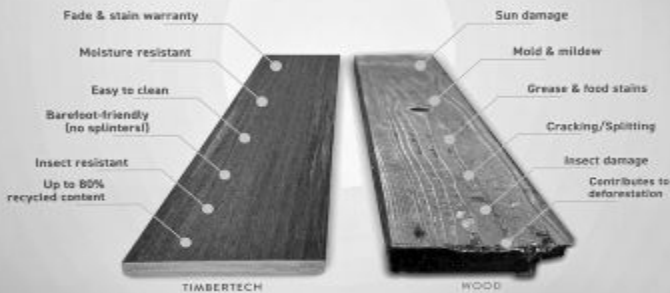

#7 **MAPPOS LION** did not disappoint in his 2026 debut at 1-9, winning by over 5 lengths in 2:00.4. He made front & tapped the breaks in that one & simply scooted away from his rivals and was under wraps finishing in 29.3. He has some new challengers this week in the form of the Dana Getto trainees, who he will be leaving behind with post 7. He won't get handed the lead off the car in this one so it will be a different looking trip for the 31 time winner & Ryan this week, but like I said last week, anytime he is entered to race here, he will simply be the one to beat & I don't see it happening today.

#1 **DONTBLVMEJUSTWATCH** had an incredible 2025 for his connections & trainer Dana Getto, recording 6 wins from 26 starts & banking just shy of \$8,800. He was a winner the last time we seen him at the Downs in a pari mutual race, stopping the clock in 1:57.1 on closing day. Randy gave the son of He's Watching a nice rating in the qualifier & he looked strong finishing. Mark Pezzarello picks up the catch drive today & with rail control; I expect it to be all systems go to start 2026.

#2 **HUGH HEFF** the reigning, defending back-to-back horse of the year at the Downs makes his 2026 debut today after winning his qualifying effort last week for Randy in 2:02.4 with a 30.1 closing quarter. The incredible 48-time winner at just 6 years old got 16 of those wins in 2025 & hitting the board in 23 of of 25 starts. He did upset Mappos Lion once last year; I just don't see him doing it today first start off the shelf.

Peter's Picks

RACE 8 Selections

#1 **SEES THE BAY** ships east from Ontario for Kevin Bailey, Kevin bought the 4 year old Downbytheseaside gelding before his start on April 29th & was able to pickup a win at Flamboro in his most recent, stopping the clock in 1:58. He mainly raced in the \$7,000-\$8,000 claiming ranks in Ontario so he should fit in real well here in this NW4 spot. He gets rail control to work with in his Northside debut & I can see it being 4 left turns & a trip to the winners circle to cap off the day.

#4 **DAVID LLOYD GEORGE** has had a tough start to the 2026 season, but the American Ideal gelding gets some serious class relief today & doesn't draw the dreaded post 6. My good friend Keigan Madden & wife Sienna are expecting a baby as they announced earlier in the week so big congratulations there. I would love to see George rebound in a big way here for them & he certainly can. He hasn't been this low in the class ladder since arriving in Cape Breton as far as I can remember & if he has, he was the easiest of winners so big "drop & pop" potential here if he brings his A game.

#6 **WINE N CHEDDAR** gets blessed with the dreaded post 6 again today but she was able to overcome it last week, where she was a hard charging second for the Big M in 2:02.2. The Warren MacKinnon stable is off to a blazing start in 2026 so the stone cold closer cannot be left off your ticket.
