Regulations and Information

General

All Pari-Mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by the Canadian Pari-Mutuel Agency. All tickets should be held until the race is declared official and the prices are posted. Notice boards are located in the Grandstand. The approximate odds represent only the probable payout price of the win pool at the time they are posted and have no bearing on the payout price of any other pool.

Where the appropriate odds for any horse posted at "1 to 9" the pay out price based on a \$2.00 ticket in the win pool may be \$2.10. Where the approximate odds for any horse are posted as "99:1", the pay out price based on a \$2.00 ticket in the win pool may be greater than \$200.00.

As per Provincial Regulatory Rules, no person under the age of 19 shall purchase or cash a Pari-Mutuel ticket.

A winning ticket is valid indefinitely.

Entries and Mutuel Fields

"Entry" means two or more horses in the same race which for the purpose of pari-mutuel betting are coupled or considered as the same betting interest. The most common reason for the coupling of horses in entry is the fact that they are owned by the same person. "Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel system. Subject to the Regulations, a bet on one horse of an entry or mutual field shall be considered a bet on all horses in the entry or mutual field starts in the race. All tickets purchased on the entry or mutual field remains valid.

Daily Double Betting (Including Late Double)

A "Daily Double" is a betting transaction in which a purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools opened on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holder of tickets on such horses, coupled with the winner of the first daily double race shall participate in a Consolation Daily Double.

Exactor Betting

An Exactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different betting interest to finish in the exact official order of finish, in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Quinella Betting

A Quinella bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different interest to finish, in either order to finish in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Triactor Betting

A Triactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first three horses representing different interest to finish, in the exact official order to finish, in the race in which the pool is operated.

Superfecta Betting

A Superfecta is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interest to finish in the exact official order of finish, in the race on which the feature is operated.

Pick 3, 4, 5, 6, and 7 Pools

The Pick 3, 4, 5, 6, and 7 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of the 3, 4, 5, 6, or 7 successive races specified for the Pick 3, 4, 5, 6, and 7 respectively. Winning tickets and a mandatory payout of the pick 3, 4, 5, 6, and 7 are determined in the following sequence: a) winners of all legs, b) most winners, c) most second place finishes or d) sequentially thereafter. Where no tickets have been sold coupling the official winners of every leg of the Pick 3, 4, 5, 6, and 7 and a mandatory payout does not apply, 25% of the day's net pool is paid out as detailed above while 75% is accumulated and carried over.

Pick 3, 4, 5, 6, and 7 Scratches

In the event a Pick 3, 4, 5, 6, or 7 ticket designates as a selection a horse which is scratched, excused or determined by the judges to be a non-starter in any of the races comprising the pick 3, 4, 5, 6, or 7 the favorite as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratched occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favorites is identical, the selection with the lowest program number shall be substituted for the scratched horse.

Refunds

Subject to the regulations, all monies in all pools on a race are refunded where the race is cancelled, declared no contest, postponed beyond the racing card for which it was scheduled, subject to a change in distance after betting has commenced, or where the running or the finish of the race can not be properly judged.

Common Pool Wagering (Intertrack Betting)

Subject to the regulations, in the unlikely event of a communications or computer system failure, various courses of action may result depending on the nature of the breakdown. Bets from the affected sites, including advance bets, may be refunded. Customers will be advised of the course of action.

Outstanding uncashed tickets from January 1, 2019 to March 31, 2019: \$6,684.21.

The Breaking Rule

All prices in Canada must be broken to the nickel as per section 204 of the Criminal Code of Canada. For every \$1.00 bet, the minimum winning amount you will get is \$1.05 for each dollar wagered.

Drug Testing

Drug testing ensures the integrity of all races contested at Northside Downs and in conjunction with the Atlantic Provinces Harness Racing Commission pre-race blood gas analysis are conducted at random on selected horses. Post race urine tests are conducted according to the Canadian Pari-Mutuel Agency regulations.

Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

2 Types of bets

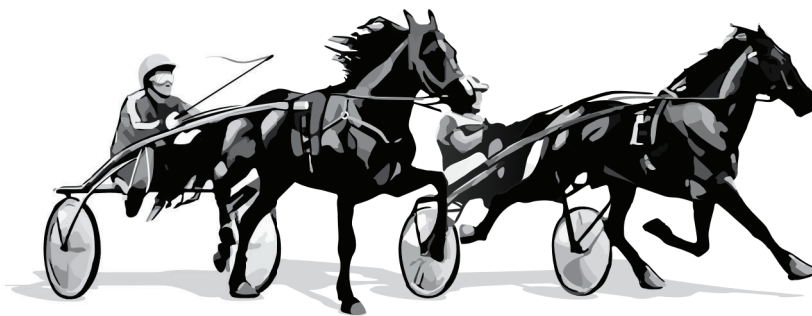

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	UUU	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	UUUU	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	UUUUUU	Pick the winners of two designated consecutive races.
Triactor*	UUUUUUU	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	UUUUUUUU	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.
Pick 4	UUUUUUUU	Pick the winner for 4 consecutive races, big payoff possible. This typically starts in race 4. They you pick race 4-5-6 and 7
Pick 5	UUUUUUUUU	Pick the winner for 5 consecutive races, big payoff possible. This typically starts in race 2. They you pick race 2-3-4-5 and 6

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit

3 Choosing your horse

How to read the program

All of the numbers and letters in the program might seem confusing or overwhelming at first but focusing on these sections makes choosing a horse simple.

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

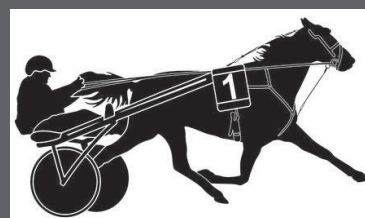

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the **FAVOURITE** pay 32% of the time
PLACE BETS on the **FAVOURITE** pay 53% of the time **SHOW BETS** on the **FAVOURITE** pay 67% of the time

SONNY JAX

is 1 of 2 class droppers in this bottom level condition today. The 5-year-old son by Pang Shui for team Rankin made his first start back off a qualifier last week against the \$351L5 level & got a perfect pocket ride behind eventual winner Red Dirt Legacy finishing third in 2:03. He gets an outside post to work with today for Larry Snow & looks hard to play against on the drop down in class to kickoff a 10-dash card.

1

EYESSOSWEET

put the hammer down at this level last week in line to the Big M & raced well in her second start in the Fiander stable finishing second to Topofthebarmatmags. She put up a hot opening half of 1:00.3 displaying some excellent early speed. Ardon pilots her again this week & they get rail control being the lone rookie in the field of 6, she will be right there with them again when the win photo is taken.

4

STARSHIP SLX

is the other class dropper in here coming off a fifth-place finish at the level above this one in line to catch driver John Hawco. The 4-time winner gets a middle of the pack post to work with today & should get a helmet to follow to land somewhere on the ticket.

BIG BOY HILL

tried a first over move at this level last week but could not reel in a sharp Payline & had to settle for fourth. The 31-time winner for Joe Nearing has been competitive in the mid-upper level conditions in 2026 hitting the board in 9 of 20 starts. He gets a spot right behind the starting car for Carey Romeo Jr today who has piloted him to the winner's circle before. He is versatile & can find a helmet to follow in here or do the heavy lifting like last week so I will take a stab on him to start the pick 5.

1

ELM GROVE QWIGGLY

went a monster mile last week on a drop down in class for Larry Snow, the 24-time winner was parked for over 3/4 of the mile & held tough to finish second to Red Rum She Wrote. He takes a step back up the class ladder today to the \$1001L5 level where he was a winner at back on August 29th. He gets rail control today & is in with a great shot at career win #25.

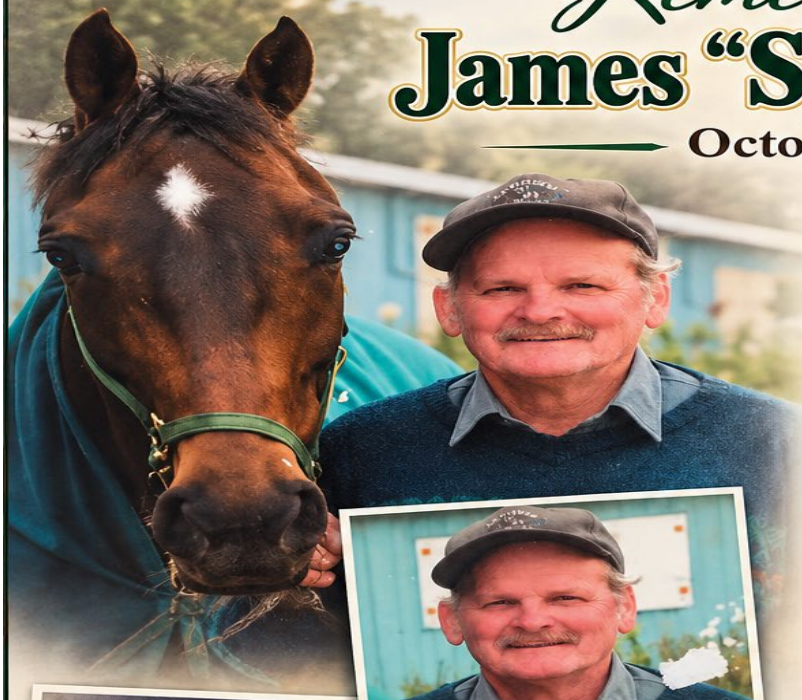

2

DON'T ASK LOGAN

just missed going wire to wire in the Celtic Financial series final last week for the hot tandem of Jake Jacobs & Mark Pezzarello. The classy 44-time winner put the hammer down on Igot Socks last week but was just nosed out in a photo with the Inverness invader taking the \$4,000 final. He jumps up to the \$1001L5 level today for Mark & gets a good inside post to work with, he is an ageless wonder & should land somewhere on the ticket today.

Remembering James "Squint" Dicks

October 24, 2017

On October 24th, 2017, **James Dicks**, better known as "**Squint**," lost his battle with Alzheimer's, leaving behind six children, many grandchildren, and countless memories with those who knew and loved him.

Squint spent many years playing the horse game, sharing his passion for harness racing at tracks near and far. He drove horses at many tracks, including **Blue Bonnets Raceway in Montreal**, and spent countless hours around the horses he loved.

Some of the horses he trained over the years included **Dunacton Kurt**, **Mighty JR**, **He's A Ten**, and one of his favorites, **Smarty Sam**. Another memorable horse was **Rock Spring Tom**, who had Squinty yelling, "*I'm talking to you, Tommy!*" for all to hear.

Jim was well known for his quick wit and the one-liners that seemed to simply roll off his tongue. His personality, humor, and love of the horses left a lasting impression on everyone who had the pleasure of knowing him.

In his final years, as Alzheimer's took away many of his memories, it seemed that the one thing he *never forgot* was the ponies.

That passion for harness racing continues today through his children and grandchildren, especially his grandson, **Aidan**, who is carrying on Jimmy's love of the sport and is now exploring his own horse racing career in **Ontario**.

A FIGHTING CHANCE took a shot in the Celtic Financial series but got stuck with an outside post & was a non-factor in his elimination. The stud son of Bet The Moon raced at this level last week & from the outside post 6 tried a first over challenge but failed to reel in American Starlight to finish fourth in 2:01.4. Mark Pezzarello hops back aboard today who has driven him to his 2 lifetime wins. I expect an aggressive steer from a mid pack post today & I like him to score win #3 for team Blanchard.

2

FERN HILL JUBILEE was sent off as the odds-on-favourite at this level back on September 26th, but things went awry & she had to comeback the following week in a qualifier & put up a respectable 2:03.1 mile. She gets a great inside post to work with today for the Big M & could find herself on the lead. If she brings her "A" game, she can get her picture taken.

1

ELM GROVE QWINN hit the board for the third time in 2026 last week in line to Keigan Madden, Keigan worked out a great trip with the Rollwithitharry daughter & she fired home a 29.4 closing quarter. She gets rail control to work with today & should get a garden trip in here, I would include her in multi leg wagers.

CROSSCUT hit the ticket once again last week for Joe Poirier & Caleb MacNeil in this optional \$5,000 claimer. The classy 35-time winner tried it first up on the class dropping Dontblvmejustwatch & fired home a 29.3 closing quarter to get up for the deuce over Maverick Treasure. He gets an outside post to work with for Joey today & should have some fractions to chase in here with the early speed to his inside. I will take a shot the trip works out & the classy McArdle gelding gets up in the final strides to start the pick 4.

1

RED DIRT LEGACY took a drop down to the \$351L5 level last week & with rail control cruised to an easy wire to wire win in 2:01.4 by 5 lengths for her third win in 2026. The Richie O'Donnell trainee gets rail control again & gets catch driver Carey Romeo Jr between the wheels today, she is a different horse when on the lead so if she can stack them up & get another good rating, she can go back-to-back at Northside.

3

WHIMS WONDER shocked them at this level back on August 29th from the far outside post 6 in a worst to first effort. Since then, the 14-time winner for Travis Campbell has had some tough luck at the post draw. She gets a much better spot to work with today & picks up leading dash winner Mark Pezzarello. She cannot be left off your exotic & multi leg tickets.

PETER'S PICKS

RACE 5 SELECTIONS

1

WENITRAINSITPOURS

takes a big drop down the class ladder today to the \$351L5 level. She took a drop down to this class back on August 29th & capitalized on a fading front end to win in 2:03. She was a handy second to a class dropping Windemere Ryan two starts back for Mark Pezzarello in 1:59. She gets the coveted rail on the drop down in class for Mark & I expect them to take no prisoners today. She is one to single in pick 4 & 5 tickets so she will be my best bet of the day.

7

BOBJOHNSKI

took a big step up in class last week & from the far outside post 6 was able to land third going to the opening quarter & got a ground saving trip to get a cheque. He drops back down today to the \$351L5 level & gets a back tier post to work with right behind our best bet. He should be glued to her helmet in here & is poised to hit the ticket for the 7th time in his 14th start in 2026.

5

ROLLINREAD

was a beaten favourite at the \$601L5 level last week. The big son of Rollwithitharry could not land on the lead in line to Red Doucet & had to settle for fifth. He takes a significant drop down in class today for team Morrison but gets a tough outside post to work with. He will not find the front again today, so we think a smaller share is likely from the outside post.

IN MEMORY OF JOHN RATCHFORD

A Life Dedicated to Harness Racing

Harness racing was more than a pastime for **John Ratchford**. It was a huge part of his life.

Throughout the '70s and beyond, John, along with his brother **Dave** and sometimes **Greg**, raced horses at the old Cape Breton Sports Centre, which would eventually become Tartan Downs in Sydney. John owned many horses over the years, but his favorite of all time was **Scotch Genessee**. A big, gentle horse by Ted Genessee, Scotch Genessee was purchased by John in 1973 and raced until 1978. There was something special about that horse. When the time eventually came to put Scotch Genessee down, John said he felt as though a part of him died too. Another of John's horses, **Vivid Coutness**, competed in the **1974 Gold Cup and Saucer**.

John enjoyed many horses throughout the '70s and '80s, but some of his greatest success came not as an owner, but as a driver. He drove nearly **900 winners** during his career and was introduced as one of the foremost catch drivers from the Maritimes during a Driving Competition in the 80's. John rarely owned more than one or two horses at a time, but by the late '70s and early '80s, his services as a catch driver were in considerable demand. That success culminated in **1983**, when John won the driving championship in Sydney.

He drove his **final race** in **1998**, aboard **Miss Flamingo Too**, a filly he and his wife Linda had purchased for just **\$2,500** at the Atlantic Select Yearling Sale. She turned out to be quite a purchase. As a two-year-old in 1997, Miss Flamingo Too earned approximately **\$67,000** and took a mark of **1:59**, establishing records at the time that would stand for several years.

Even after his driving days were over, John continued purchasing yearlings at the Atlantic Select Sale, always hoping to find another good one capable of competing in the Atlantic Sire Stakes. He loved travelling the Maritime circuit.

In the mid-2010s, John also **managed Northside Downs**, the racetrack in North Sydney. It was another chapter in a lifetime spent around the sport he loved.

But perhaps one of the greatest joys harness racing ever gave John came through his Grandson, **Carey Romeo**. Carey developed the same love for harness racing, and John took tremendous pride in watching his grandson race at Northside Downs. The photograph accompanying this story was taken in **May 2011**, moments after Carey won his first horse race. John was somewhere between laughing and crying. That smile required no posing. It was pure pride.

Right to the end, the racetrack remained one of his happiest places.

John is fondly remembered and deeply missed by his loving wife, **Linda Ratchford**, his five children, his grandchildren, and the many people whose lives crossed his through harness racing.

For John Ratchford, harness racing wasn't simply something he did. It was part of who he was. And seeing those orange and black colours going around the track today would undoubtedly make him very proud.

PETER'S PICKS

RACE 6 SELECTIONS

2

CANDID CAMERON has been a mainstay at the upper-level conditions since the 2026 season began for team Rankin, he takes a major drop down the class ladder today from the \$840L5 level to the \$451L5 level. He sports an impressive 4 wins & 13 top 3 finishes in 22 starts so far this year & he gets reunited with Larry Snow today. He gets an inside spot on the wings today & looks to be headed right to the front & cruise to lifetime win #32 at a short price on the drop & pop.

1

SIDEKICK reunites with Mark Pezzarello today who last drove the 15-time winner back on August 13th to a seasonal best of 2:00.1. He was a solid second at the \$351L5 level last week for catch driver Red Doucet. He gets rail control today for Mark & while he loves the front, he would love a perfect pocket ride behind the class dropping Candid Cameron today. He should get a great trip in here to land on the ticket for the 7th time in 2026.

7

SHADOWCROSS HOOPER tried his luck in the Celtic Financial series & got a spot in the \$2,500 consolation but unfortunately got the dreaded post 6 but still managed to get a slice of the pie finishing fifth. Carey Romeo Jr gets the call today on the big son of Ameripan Gigolo from a back tier post, he can follow the two selected above him to spice up the exotics.

PETER'S PICKS

RACE 7 SELECTIONS

1

DONTBLVMEJUSTWATCH did not disappoint as my best bet of the day last week as the now 33-time winner & Randy Getto scored off the rail on a drop down in class in 2:00.4. He continues to re climb the class ladder & is rounding into much better form winning 2 of his last 3. He gets rail control again today for Randy but does have some early speed to his outside. I think he comes right back this week for Randy off the rail to go back-to-back in the anchor leg of the pick 4.

2

KOUNTRY DIAMOND got a perfect pocket trip last week behind Payline but could not capitalize as the front runner was too much to handle but the son of Lazarus stopped his own clock in 1:58 for the runner up spot. He takes a drop down the class ladder today to the \$810L5 level, the same class he was a going away winner at back on August 8th. He gets a great inside post to work with today & should appreciate the easier class to be right in contention when the win photo is taken.

7

WINDEMERE RYAN dropped & popped two starts back for team Leblanc & catch driver Keigan Madden in a seasonal best effort of 1:58.3. He took a big jump up in class last week & got stuck with a tough outside post but still managed to pace in 1:59.1 while picking up a cheque. A slight drop down in class & a back tier spot behind some wicked early speed has him poised for another top 3 finish today for catch driver Shawn Lynk.

August 23, 1946 - September 12, 2026

On September 12th of this year, the racing community lost long time horseman Charlie Aucoin. Charlie was a coal miner for 35 years but found his true passion in the early 70's when he teamed up with longtime friend Julie Reuland to purchase his first horse Miramichi Beth. This was the beginning of a lifetime passion that lasted over fifty years.

Charlie had owned several horses over the years, including RE's Byrd and Bound For Glory with Georgie Reuland, SB Artist with longtime friend Peter MacKinnon and most recently stake winner Pictonians Cyrus and his personal favorite Broadway Bill with his nephew Jamie Hogan. Charlie always found a way to sneak away from work to look after his horses and was known to be an exceptional caretaker. He was committed to making sure they were jogged no matter what the weather, even if everyone else was taking the day off.

Charlie considered Tartan Downs to be his home track, but he loved travelling to tracks around the Maritimes where he found and made many lifelong friends. He had a deep sense of humor and was known for his quick wit. He was also well known for his love of food, and road trips were always planned around multiple pit stops at various restaurants along the way. If there is a racetrack in Heaven, we know he is there with all those that have gone before him cheering on from the skies. His presence will be truly missed by his family, friends, and his horses at home.

COLD CREEK GUERRERO takes a big drop down in class today to the \$601L5 level after being a mainstay at the \$1001L5 level since the beginning of August. The speedy son of Dali comes into this contest today with 4 wins from 18 starts in 2026 so far with a seasonal best of 1:56.4 taken here earlier in the summertime. The Big M & the 12-time winner get a back tier post to work with today, so I expect him to be out & going early as he looks like the clear cut one to knock off here.

1

SPICYSONOFABEACH paced his first ever sub 2:00 mile last week for Heather Hawkins & Mark Pezzarello. The speedy free-legged son of Pang Shui had a back tier post in the Celtic Financial series consolation & closed home well in 29.3 to get up for the deuce for a good slice of the \$2,500 pie. He gets rail control to work with today for Mark & after last weeks performance he is in with a great shot at career win #7.

2

FARMERS FIELDSTONE has been a mainstay in this optional \$5,000 claimer/\$601L5 level for Richie & Sandra O'Donnell being a consistent cheque getter & finishing as well as second back on September 19th. She gets a good inside post to work with for catch driver Carey Romeo Jr today & she should get a ground saving trip in here to land on the ticket.

PETER'S PICKS

RACE 9 SELECTIONS

2

ALRITEALRITEALRITE got rail control in last weeks top class winners over & it proved to be over at the draw as the now 13-time winner scored for Mark Pezzarello in 1:56.3 holding off a hard charging Ranked Contender on the end of it. The stud son of Lazarus gets his main pilot Kevin Bailey back between the wheels today & they get another great inside post to work with. The two that finished in behind him last week both draw posts 5 & 6 today so another wire-to-wire score for win #11 on the season looks to be inevitable here.

5

RANKED CONTENDER is red hot right now recording 4 straight top 2 finishes for Peter MacKinnon, the Tobago Cays gelding is having another bang-up season here at Northside 14 top 3 finishes from 20 starts. He almost got career win #17 last week in line to catch driver Zach Mullins as he was airborne in the final stages of the mile just missing Alritealritealrite. The Big M hops back aboard today who also gets along great with RC. He can find another helmet to follow in here today & should be poised for another great piece in the top class.

6

HUGH HEFF may as well start taking the #6 saddle cloth home every week as he gets the dreaded far outside post once again for team Getto, the third time in five starts without a handicap. He raced well last week for Randy going one of his hard patented first over trips finishing third in 1:56.4. The tough post will see him overland early in the mile once again, but the incredible 52-time winner will still give them all they can handle.

PETER'S PICKS

RACE 10 SELECTIONS

1

MOONLIGHT made an unfortunate break in his Celtic Financial series elimination where it looked like at the very least, he was getting a spot in the consolation. His qualifying effort for Keigan Madden was a nice & steady one last week in 2:03.3. The speedy free-legged son of Bet The Moon reunites with Shawn Lynk today & they get rail control to work with. Shawn gets along best with him & while the rail is a tricky spot for him & priority #1 today is a clean line, if he gets away up close with a helmet to follow, he will be hard to find off in the closing stages.

5

ZAIDANS LUCK has drawn as bad as any horse at Northside this season. The 13-time winner was a non-factor fifth last week at the \$351L5 level but gets to take a drop down in class today. He gets stuck with another outside post, but he does get Mark Pezzarello between the wheels today for the first time in quite sometime. I expect Mark to use the big chestnuts gate speed to crossover to the lead from the far outside. He is a different horse if he makes the choo-choo & if he does, he will be hard to catch in the go home pace.

7

POPLAR ARTIE made last weeks \$4,000 Celtic Financial series final but unfortunately got stuck with a tricky back tier post. The classy 19-time winner faces easier company today & catch driver Keigan Madden once again gets a back tier post to work with today. He can get a ground saving trip in here to spice up the exotics.

Igot Socks Slugs It Out To Win Celtic Series Final

Igot Socks feuded first-over with Dont Ask Logan throughout the back half in the \$4,000 Celtic Financial Series final and prevailed by a head in the back-and-forth battle on Saturday, Oct. 3 at Northside Downs.

Igot Socks raced outside through much of the :27.3 first quarter, then briefly dropped into the two-hole on the turn before reemerging to march on leader Dont Ask Logan (Mark Pezzarello) to the half in :57.3. Igot Socks crept forward through the turn and down the backstretch, edging ahead by a half-length at three-quarters in 1:27.2, but Dont Ask Logan replied on the turn to enter the lane on level terms. The two clashed to the line, but an indomitable Igot Socks reached up for the 1:58.3 score. Mj Rae (Andrew MacLean) finished third.

Igot Socks has now won four of his last five starts, including his Celtic Financial Series elimination, after starting the season one-for-11. Don Beaton trains the Lambretta-Reimburse gelding, now 31-for-107 lifetime with \$60,465 in earnings, and co-owns him with Anita Gillis of Judique, N.S. The win price was \$7.10.

Boys Turn (\$7.50) took the \$2,500 Celtic Financial Series Consolation in 1:59.3 with Adam Lynk aboard for trainer Lawrence Snow.

Alritealritealrite went all the way to repeat in the \$1,600 Winners Over Pace in 1:56.3. The Heather Hawkins-trained stallion shot out from the rail and led the field in post-position order to the quarter in :29.1 but was under fire from the first-over Hugh Heff (Randy Getto) through the half in :58.4 and three-quarters in 1:27.1. Alritealritealrite repelled Hugh Heff turning for home, then held off a circling Ranked Contender (Zach Mullins) to win by three-quarters of a length. Hugh Heff finished with grit for third.

Alritealritealrite, a resident of the Winners Over class since the summer, has 10 wins from his 23 starts this year. The five-year-old son of Lazarus N-Hot Spot Hanover was acquired by owners Terri Morrison of Marion Bridge, N.S., Irwin Claener of New Waterford, N.S., Kirk MacRae of Ben Eoin, N.S and Angus MacEachern of Howie Center, N.S in March. He is now 13-for-70 with \$198,962 in career earnings. The win payout was \$3.30.
