Regulations and Information

General

All Pari-Mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by the Canadian Pari-Mutuel Agency. All tickets should be held until the race is declared official and the prices are posted. Notice boards are located in the Grandstand. The approximate odds represent only the probable payout price of the win pool at the time they are posted and have no bearing on the payout price of any other pool.

Where the appropriate odds for any horse posted at "1 to 9" the pay out price based on a \$2.00 ticket in the win pool may be \$2.10. Where the approximate odds for any horse are posted as "99:1", the pay out price based on a \$2.00 ticket in the win pool may be greater than \$200.00.

As per Provincial Regulatory Rules, no person under the age of 19 shall purchase or cash a Pari-Mutuel ticket.

A winning ticket is valid indefinitely.

Entries and Mutuel Fields

"Entry" means two or more horses in the same race which for the purpose of pari-mutuel betting are coupled or considered as the same betting interest. The most common reason for the coupling of horses in entry is the fact that they are owned by the same person. "Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel system. Subject to the Regulations, a bet on one horse of an entry or mutual field shall be considered a bet on all horses in the entry or mutual field starts in the race. All tickets purchased on the entry or mutual field remains valid.

Daily Double Betting (Including Late Double)

A "Daily Double" is a betting transaction in which a purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools opened on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holder of tickets on such horses, coupled with the winner of the first daily double race shall participate in a Consolation Daily Double.

Exactor Betting

An Exactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different betting interest to finish in the exact official order of finish, in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Quinella Betting

A Quinella bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different interest to finish, in either order to finish in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Triactor Betting

A Triactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first three horses representing different interest to finish, in the exact official order to finish, in the race in which the pool is operated.

Superfecta Betting

A Superfecta is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interest to finish in the exact official order of finish, in the race on which the feature is operated.

Pick 3, 4, 5, 6, and 7 Pools

The Pick 3, 4, 5, 6, and 7 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of the 3, 4, 5, 6, or 7 successive races specified for the Pick 3, 4, 5, 6, and 7 respectively. Winning tickets and a mandatory payout of the pick 3, 4, 5, 6, and 7 are determined in the following sequence: a) winners of all legs, b) most winners, c) most second place finishes or d) sequentially thereafter. Where no tickets have been sold coupling the official winners of every leg of the Pick 3, 4, 5, 6, and 7 and a mandatory payout does not apply, 25% of the day's net pool is paid out as detailed above while 75% is accumulated and carried over.

Pick 3, 4, 5, 6, and 7 Scratches

In the event a Pick 3, 4, 5, 6, or 7 ticket designates as a selection a horse which is scratched, excused or determined by the judges to be a non-starter in any of the races comprising the pick 3, 4, 5, 6, or 7 the favorite as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratched occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favorites is identical, the selection with the lowest program number shall be substituted for the scratched horse.

Refunds

Subject to the regulations, all monies in all pools on a race are refunded where the race is cancelled, declared no contest, postponed beyond the racing card for which it was scheduled, subject to a change in distance after betting has commenced, or where the running or the finish of the race can not be properly judged.

Common Pool Wagering (Intertrack Betting)

Subject to the regulations, in the unlikely event of a communications or computer system failure, various courses of action may result depending on the nature of the breakdown. Bets from the affected sites, including advance bets, may be refunded. Customers will be advised of the course of action.

Outstanding uncashed tickets from January 1, 2019 to March 31, 2019: \$6,684.21.

The Breaking Rule

All prices in Canada must be broken to the nickel as per section 204 of the Criminal Code of Canada. For every \$1.00 bet, the minimum winning amount you will get is \$1.05 for each dollar wagered.

Drug Testing

Drug testing ensures the integrity of all races contested at Northside Downs and in conjunction with the Atlantic Provinces Harness Racing Commission pre-race blood gas analysis are conducted at random on selected horses. Post race urine tests are conducted according to the Canadian Pari-Mutuel Agency regulations.

Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

2 Types of bets

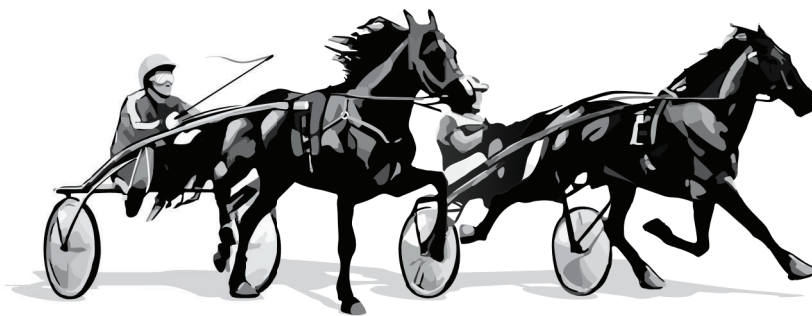

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	UUU	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	UUUUU	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	UUUUUU	Pick the winners of two designated consecutive races.
Triactor*	UUUUUUU	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	UUUUUUUU	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.
Pick 4	UUUUUUUU	Pick the winner for 4 consecutive races, big payoff possible. This typically starts in race 4. They you pick race 4-5-6 and 7
Pick 5	UUUUUUUUU	Pick the winner for 5 consecutive races, big payoff possible. This typically starts in race 2. They you pick race 2-3-4-5 and 6

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit

3 Choosing your horse

How to read the program

All of the numbers and letters in the program might seem confusing or overwhelming at first but focusing on these sections makes choosing a horse simple.

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

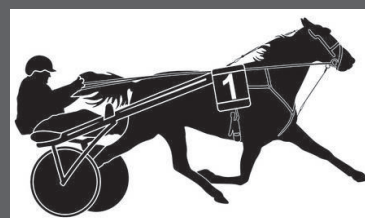

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the **FAVOURITE** pay 32% of the time
PLACE BETS on the **FAVOURITE** pay 53% of the time **SHOW BETS** on the **FAVOURITE** pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Peter's Picks

RACE 1 Selections

#2 SATURDAYNIGHTFEVER was a great runner up finisher to heavy chalk Woodmere Quest in his last start, the lightly raced son of Dancin Lou has been improving with every start since arriving at the Downs for Angus Gillis & Martin Bates, he gets a good inside post to work with today for Martin so I will take a shot on him to break his maiden to kickoff a 10 dash card.

#6 SPORTS DESTINY is one of two class droppers in this race today. The son of Sportswriter narrowly missed going all the way in his most recent for Kevin Bailey getting collared by Moonlight late in the stretch. He draws the dreaded post 6 today but his great early speed should see him forwardly placed to be in the hunt for his second lifetime win.

#1 DUSTY LANE BAUER has hit the board in 2 of 3 tries at this level for Richie O'Donnell & Mark Pezzarello. Rail control is where the freshman Somewhere Fancy colt will leave from today, so I like him to land somewhere on the ticket again.

RACE 2 Selections

#1 BEERS ON ME went down the road at this level two starts back off the rail for team Murphy & regular pilot Adam Lynk. Adam stacked them up going into the opening turn & did not look back hanging on to win by a neck in 1:58.2. He gets the coveted rail control again today & I think the same tactics as that day will be in play today so I like him to start the pick 5.

#7 COLD CREEK GUERERO wired this class in the last start before the break for the Big M. Off the rail the 12-time winner was pointed right to the front by Ardon & cruised to a seasonal best 1:56.4 by over 5 lengths with a snappy 28.2 final quarter. A back tier draw sees him leaving behind our top choice so he should get a good trip in here, he must be included in pick 5 & early double tickets.

#3 ELM GROVE QWIGGLY got a tough outside post in his most recent start so we will write that one off. If you look below those the son of Rollwithitharry had hit the board in 5 straight starts at this level. A much-improved post to work with today should see him out & activated early for Larry Snow so he cannot be left off tractor & superfecta wagers.

Pick 5 Horse Racing

The Pick 5 in horse racing is a multi-race wager that requires the bettor to select the winners of five consecutive races. It is a type of exotic bet that can offer significant payouts with relatively low risk. The Pick 5 is usually offered on the last five races of the day, but can sometimes be offered on other races. The minimum bet is usually \$2, with the minimum payout being \$2.50. The payouts can be considerably larger, depending on the number of horses in each race and the number of bets placed. To hit the Pick 5, you need to have a good understanding of the horses, the track condition, and the jockey form. It's important to do your homework and research the horses before placing a bet. It's also important to develop a betting strategy. You can use a variety of strategies, such as spreading your bets, betting on favorites, or focusing on longshots.

Peter's Picks

RACE 3 Selections

#1 STARSHIP SLX gets some major post relief today for owner/trainer/driver Kevin Bailey. The 4-time winner has drawn 5,6, or 7 in his last 5 starts but despite the tough luck at the draw has hit the board in 2 of those efforts. He finished third at this \$201L5 level two starts back pacing in 2:02.1 for Kevin. His best start since arriving at the Downs came in his first start that is not charted on your program where he had the rail & finished second at a higher level than this. I think Kevin takes no prisoners today off the rail so he will be my best bet of the day.

#7 LAST CHANCE was a drop & pop winner at this level back on July 20th for catch driver Keigan Madden in 2:00.4. She has raced as high as the \$451L5 in her last four starts but has failed to hit the board in any. She gets a back tier draw to work with today behind our best bet, so I like her to round out our exactor as she should get a great trip here.

#8 ELM GROVE QWINN jiggy jogged two starts back by 10 lengths for Evan Wilson in 2:03 at the bottom level condition to get her 9th lifetime win. A tricky back tier post to work with today but I think if Evan can map out a ground saving trip, she can spice up the triactor & superfecta.

RACE 4 Selections

#4 ROCK AND TWIST was a vet scratch sick on the Thursday evening card before the break, the classy 36-time winner has been racing as high as the top-class winners over for team Hawco but takes a considerable drop down to the \$460L5 today. On August 8th he rallied to third late in the mile from a tough post at the \$601L5 level where he fired home a 29.2 closing quarter. A mid pack post to work with today should see him float out & his great closing kick should see him primed for a drop & pop to start the pick 4.

#2 SAULSBROOK HONEY has hit the board in her last 3 starts including back-to-back runner up finishes at this level. Regular pilot Shawn Lynk narrowly missed at a big price two starts back with the daughter of Big Jim & was second best to Whims Wonder in her most recent. She gets a great post to work with today so we will use her to round out our John Hawco trainee exactor.

#1 SIDEKICK got his second win on the year in his most recent for trainer Jake Jacobs & Mark Pezzarello. Mark was able to map out a perfect pocket ride to capitalize late in the mile to score in 2:00.2. He takes a slight step up the class ladder today but with rail control should see him land somewhere on the ticket.

Peter's Picks

RACE 5 Selections

#4 A FIGHTING CHANCE got taken out in his most recent start due to interference early in the mile but the steadily improving stud son of Bet The Moon rallied well to finish third in 2:02.1. He was an easy winner the start before that one in 2:01.2 for regular pilot Mark Pezzarello. A mid pack post to work with today should help so I will go with him to pickup lifetime win #3 in a wide-open looking race.

#1 TOBINS PARTY takes a drop down the class ladder today after making a break from the back tier post in his most recent effort. He is 0 for 11 in the win column so far in 2026 but if you look back at the start on July 25th he just missed finishing second in 1:59.3. He gets rail control today so if Adam can get him through the first turn, he can be a major threat late in here.

#5 CHECK YOUR SOURCE was also interfered with in his most recent start & never saw the pylons. He takes a step down the class ladder today for trainer Joe Poirier who will give the lines to Keigan Madden today. If he can get forwardly placed from the outside, he can be right there when the win photo is taken.

RACE 6 Selections

#1 RED RUM SHE WROTE draws the coveted rail control for the first time in a long time for Martin Bates. The 2025 Governors Cup champion had a slow start to 2026 for her standards, but the classy 41-time winner has looked more like herself as the season has progressed. She takes a drop down from the \$1001L5 today & with the post advantage merits all respect in here, the anchor leg of the pick 5 goes through her.

#2 ROLLINREAD had a great first half of the year for team Morrison hitting the board in 8 of 14 starts including 2 wins one of which coming on August 8th. He loses regular pilot Shawn Lynk today but gets a great post to work with. If he can land in the pocket behind our top choice, he should be keen to round out the exactor.

#8 DONTBLVMEJUSTWATCH has just 1 win in 13 starts so far in 2026 after recording 6 from 26 in 2025. The classy son of He's Watching picked up that win two starts back for Randy Getto in 1:58.3 at the \$601L5 level. He gets a tricky back tier post to work with today, so I prefer to use him on the bottom of the exotics.

RACE 7 Selections

#8 **WENITRAINSITPOURS** is lightly raced so far in 2026 with just 4 starts under her belt for Jamie Hogan & Bettie Lou Aucoin. She made her first start after a month layoff on August 13th before the break at the \$601L5 level finishing sixth but was race timed in 2:01. She gets some considerable class relief today & reunites with Mark Pezzarello. A tricky back tier post should help her price in here so we will take a stab on the class dropper.

#3 **HOWMAC NAPOLEON** was a beaten favourite at this level in his most recent start from a tough outside post. He slides in two spots on the gate today & with his great early speed he could be on an early speed mission to try & go wire to wire for his 31st lifetime win. He could be extremely hard to catch in here & is the other I would consider for multi leg wagers.

#1 **SONNY JAX** got a textbook steer by Kevin Bailey in his most recent start at this level narrowly missing by a nose to Gentry Seelster. He draws rail control today for Larry Snow & should get a great trip in here to hit the board for the 8th time in 2026.

RACE 8 Selections

#1 SUNSHINE LUCAS just missed picking up his 5th lifetime win on August 13th for Kevin Bailey, the talented son of Sunshine Beach tried to go right down the road but was collared in the stretch by a class dropping Red Dirt Lovenlife. Kevin & the colt get rail control to work with today as they step back up to the NW5 level, he should get a great pocket trip behind Sunny Bo or try another wire-to-wire score.

#2 SUNNY BO is a classy 35-time winner for team Hawco that has been competitive in the claiming ranks since arriving at the Downs earlier this year. He was a beaten favourite at this level in his last two starts, one being a just beaten third place finish & a fourth place finish from a tricky back tier post. He gets a great inside post to work with for John today so if he minds his manners, he should be on the lead & may be tough to catch.

#4 FARMERS FIELDSTONE has hit the board in 7 of 15 starts so far in 2026 for Richie O'Donnell. She was a just beaten second for catch driver Adam Lynk two starts back in this optional \$5,000 claimer. A mid pack post to work with today for regular pilot Mark Pezzarello has her poised to land somewhere on the ticket.

RACE 9 Selections

#1 ALRITEALRITEALRITE had rail control on August 13th & cruised to a seasonal best mark of 1:56.1. Regular pilot Kevin Bailey put the speedy son of Lazarus right on the engine & did not look back firing home a 28.1 final quarter which he made look effortless. He gets rail control again today to start the second half of the season in the top-class winners over & a repeat of what happened on Thursday evening before the break looks highly likely here.

#2 HUGH HEFF the back-to-back horse of the year at the Downs was second best to Alritealritealrite on August 13th as he came first over for Randy in the second quarter but could not reel in his rival finishing second but still put forward a real gutsy effort of 1:56.2. He gets a great post to work with today & if the one to his inside doesn't bring his "A" game, he can find the winners circle for the 52nd time in his career.

#7 REVENANT is aging like a fine wine, the classy 36-time winner has been racing great recording 7 on the board finishes in 10 starts including three straight third place finishes in the winners over. He gets a good back tier post to work with today for Shawn Lynk & should round out a chalky looking triactor.

RACE 10 Selections

#5 BOYS TURN is a classy 38-time winner by Shadow Play for team Poswiata/Snow, he has been a main stay in the optional \$5,000 claimer for most of 2026 recording two wins & five top three finishes in 14 starts. He was interfered with in his most recent start from a back tier post before the break. He gets an outside post to work with today for Larry, but this is a spot where Larry can map out a great second or third over trip to find the winners circle at hopefully an attractive price.

#4 SPICYSONOFABEACH has hit the board in 6 of his 14 starts so far in 2026 for Heather Hawkins while taking a new lifetime mark of 2:00 earlier in the year. He has one real wicked brush of speed but can tend to get a little weak in the later parts of the mile. He gets a mid pack post to work with today for Kevin Bailey so if a good trip can be mapped out, he can get his picture taken.

#1 BLONDIES BOY is the lone 3-year-old in a group of aged racehorses. The Somewhere Fancy Colt has taken steps forward in his second year at the races recording 3 wins with a lifetime best score of 2:01.4 & 9 on the board finishes in 15 starts. He gets rail control today which should give him a ground saving trip or possibly be the early leader in here.

Alritealritealrite Rebounds To Northside Winners Over Score

Alritealritealrite showed last week's sixth-place finish was nothing more than a stutter as the stallion wired the field in the \$1,600 Winners Over Pace for his fourth victory in his last five starts at Northside Downs on Thursday, Aug. 13.

Back on the inside after being handicapped with the six-hole last time, Alritealritealrite was in front the moment the wings folded and never relinquished control. The 3-5 favourite reeled off :29.1 and :58.3 early fractions for Kevin Bailey, then was joined by perennial Northside top-class contender Hugh Heff (Randy Getto) down the backside. Alritealritealrite rebuffed the pursuer past three-quarters in 1:28 and created daylight to his rivals on the final turn, and the Heather Hawkins trainee dug in down the lane to resist late pushes by Hugh Heff and Revenant (Shawn Lynk) for the 1:56.1 victory.

Hugh Heff finished second, a length behind the winner, with Revenant third.

[Alritealritealrite](#) has proven a strong acquisition by owners Terri Morrison of Marion Bridge, N.S., Irwin Claener of New Waterford, N.S., Kirk MacRae of Ben Eoin, N.S. and Angus MacEachern of Howie Center, N.S. The five-year-old intact son of Lazarus N-Hot Spot Hanover has eight wins in 11 starts since moving to Nova Scotia for those connections, bringing his seasonal record to eight-for-18. He had won three Winners Overs in a row prior to a sixth-place finish on Aug. 8. Thursday's win was his 11th lifetime from 65 career starts, bringing his bankroll to \$196,578. He paid \$3.40 to win.
