Regulations and Information

General

All Pari-Mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by the Canadian Pari-Mutuel Agency. All tickets should be held until the race is declared official and the prices are posted. Notice boards are located in the Grandstand. The approximate odds represent only the probable payout price of the win pool at the time they are posted and have no bearing on the payout price of any other pool. Where the appropriate odds for any horse posted at "1 to 9" the pay out price based on a \$2.00 ticket in the win pool may be \$2.10. Where the approximate odds for any horse are posted as "99:1", the pay out price based on a \$2.00 ticket in the win pool may be greater than \$200.00.

As per Provincial Regulatory Rules, no person under the age of 19 shall purchase or cash a Pari-Mutuel ticket.
 A winning ticket is valid indefinitely.

Entries and Mutuel Fields

"Entry" means two or more horses in the same race which for the purpose of pari-mutuel betting are coupled or considered as the same betting interest. The most common reason for the coupling of horses in entry is the fact that they are owned by the same person. "Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel system. Subject to the Regulations, a bet on one horse of an entry or mutual field shall be considered a bet on all horses in the entry or mutual field starts in the race. All tickets purchased on the entry or mutual field remains valid.

Daily Double Betting (Including Late Double)

A "Daily Double" is a betting transaction in which a purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools opened on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holder of tickets on such horses, coupled with the winner of the first daily double race shall participate in a Consolation Daily Double.

Exactor Betting

An Exactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different betting interest to finish in the exact official order of finish, in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2-), the payout will be on the horses finishing first and third.

Quinella Betting

A Quinella bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different interest to finish, in either order to finish in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2-), the payout will be on the horses finishing first and third.

Triactor Betting

A Triactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first three horses representing different interest to finish, in the exact official order to finish, in the race in which the pool is operated.

Superfecta Betting

A Superfecta is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interest to finish in the exact official order of finish, in the race on which the feature is operated.

Pick 3, 4, 5, 6, and 7 Pools

The Pick 3, 4, 5, 6, and 7 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of the 3, 4, 5, 6, or 7 successive races specified for the Pick 3, 4, 5, 6, and 7 respectively. Winning tickets and a mandatory payout of the pick 3, 4, 5, 6, and 7 are determined in the following sequence: a) winners of all legs, b) most winners, c) most second place finishes or d) sequentially thereafter. Where no tickets have been sold coupling the official winners of every leg of the Pick 3, 4, 5, 6, and 7 and a mandatory payout does not apply, 25% of the day's net pool is paid out as detailed above while 75% is accumulated and carried over.

Pick 3, 4, 5, 6, and 7 Scratches

In the event a Pick 3, 4, 5, 6, or 7 ticket designates as a selection a horse which is scratched, excused or determined by the judges to be a non-starter in any of the races comprising the pick 3, 4, 5, 6, or 7 the favorite as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratched occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favorites is identical, the selection with the lowest program number shall be substituted for the scratched horse.

Refunds

Subject to the regulations, all monies in all pools on a race are refunded where the race is cancelled, declared no contest, postponed beyond the racing card for which it was scheduled, subject to a change in distance after betting has commenced, or where the running or the finish of the race can not be properly judged.

Common Pool Wagering (Intertrack Betting)

Subject to the regulations, in the unlikely event of a communications or computer system failure, various courses of action may result depending on the nature of the breakdown. Bets from the affected sites, including advance bets, may be refunded. Customers will be advised of the course of action.

Outstanding uncashed tickets from January 1, 2019 to March 31, 2019: \$6,684.21.

The Breaking Rule

All prices in Canada must be broken to the nickel as per section 204 of the Criminal Code of Canada. For every \$1.00 bet, the minimum winning amount you will get it \$1.05 for each dollar wagered.

Drug Testing

Drug testing ensures the integrity of all races contested at Northside Downs and in conjunction with the Atlantic Provinces Harness Racing Commission pre-race blood gas analysis are conducted at random on selected horses. Post race urine tests are conducted according to the Canadian Pari-Mutuel Agency regulations.

Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U U	Pick the winners of two designated consecutive races.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.
Pick 4	U U U U U U U U	Pick the winner for 4 consecutive races, big payoff possible. This typically starts in race 4. They you pick race 4-5-6 and 7
Pick 5	U U U U U U U U U	Pick the winner for 5 consecutive races, big payoff possible. This typically starts in race 2. They you pick race 2-3-4-5 and 6

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit

3 Choosing your horse

How to read the program

All of the numbers and letters in the program might seem confusing or overwhelming at first but focusing on these sections makes choosing a horse simple.

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

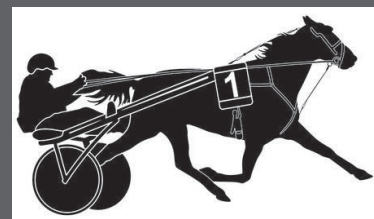

Helpful facts for betting

- Some racetracks have a television simulcastcommentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses withcurrent odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the **FAVOURITE** pay 32% of the time
PLACE BETS on the **FAVOURITE** pay 53% of the time **SHOW BETS** on the **FAVOURITE** pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Peter's Picks

RACE 1 Selections

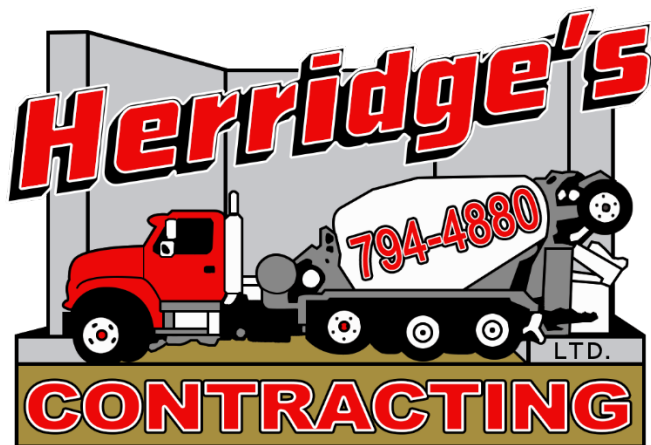

#1 **BLONDIES BOY** draws rail control for the first time in 2026 for the strong connection of Mark Pezzarello & Richie O'Donnell. He has been a runner up in each of his 3 tries to start his 3-year-old campaign. He sat the pocket the entire way last week behind eventual winner A Very Fancy Man. He had a horse to his outside finishing, so Mark was unable to give the Somewhere Fancy colt a clear shot at the winner. With the post advantage I will give him the nod to break his maiden to start the early Daily Double.

#5 **A VERY FANCY MAN** was an impressive winner last week for catch driver Carey Romeo & Danny Campbell. Carey put the hammer down early & didn't look back going gate to wire for the Somewhere Fancy colts first lifetime win in 2:04.4. He gets an outside post to work with today, but I still expect Carey to be aggressive when the wings fold. He's in with another good shot today to go back-to-back, I just wouldn't take too short of a price on him.

#6 **WINDEMERE FLUSTER** never saw the pylons last week & refused to go away finishing third for the Big M & Norm Fiander in 2:05. She gets the dreaded post 6 to work with again today but I expect Ardon to have the Articulor mare out & going again early. Another effort like last week & she can hit the ticket again.

First Daily Double Starts in this race

RACE 2 Selections

#1 WINDEMERE RYAN hasn't had a good post to work with since joining team Leblanc but has still posted 3 nice efforts to start the season despite not drawing well. He draws rail control today & takes a drop down in class to this \$965L5 condition. The classy 35-time winner banked over \$45,000 in 2025 including 8 wins. He does his best racing when he's on the lead, so fully expect Harold to guard the rail in this spot. The race goes through him & he is the clear choice to kickoff the pick 5.

#3 KRAKEN SEELSTER made a miscue behind the gate in his latest, spoiling his chances before the race even started. He takes a drop back down in class where he absolutely romped two starts back by over 11 lengths in 1:59.3. He faces much tougher foes today than he faced in that one. He gets a mid pack draw to work with for the Big M, but I don't expect him to be able to free wheel on the lead like the day he won. If he minds his manners, he's one of the better ones in here & our top selections main threat.

#2 REVENANT kicks off his 12-year-old campaign today. He qualified nicely on May 16th finishing second to Hugh Heff in 2:02.4 with a 30.3 closing quarter. The classy 34-time winner & longtime top condition pacer at the Downs gets a good post to work with in his 2026 debut. Shawn can map out a good trip & is one to put in your pick 5 ticket.

Pick 5 Horse Racing

The Pick 5 in horse racing is a multi-race wager that requires the bettor to select the winners of five consecutive races. It is a type of exotic bet that can offer significant payouts with relatively low risk. The Pick 5 is usually offered on the last five races of the day, but can sometimes be offered on other races. The minimum bet is usually \$2, with the minimum payout being \$2.50. The payouts can be considerably larger, depending on the number of horses in each race and the number of bets placed. To hit the Pick 5, you need to have a good understanding of the horses, the track condition, and the jockey form. It's important to do your homework and research the horses before placing a bet. It's also important to develop a betting strategy. You can use a variety of strategies, such as spreading your bets, betting on favorites, or focusing on longshots.

RACE 3 Selections

#2 **GOTITFROMMYMOMMA** raced well in her 2026 debut finishing second to heavy favourite Sunshine Lucas, pacing her own mile in 2:03.3. She was able to leave hard when the wings folded & gets a better post to work with today for team Campbell. I expect Ryan to try & cut his own mile with the Mach Of Ballykeel mare today as she is in search of her third career win. You could make a case for a handful of horses in this race but with the improved post & start under her

belt, she is the one to beat.

#4 **RED DIRT LEGACY** is the only horse in here taking a drop down in class. She left from the back tier in the \$451L5 condition last week where they went some blistering fractions up front. Her & Mark finished as a good third on May 16th in this class. I think Mark uses her gate speed to his advantage today to get the Shanghai Phil mare forwardly placed. She cannot be left off the ticket no matter if it's a pick 5 or exotic wager.

#1 **BYRONROSE** makes his first appearance as a 4-year-old today. The Grey stallion qualified last week for the team of Carey Romeo & Jake Jacobs in 2:05.4 with a 30.4 closing quarter. He had 2 wins in 13 starts & 5 top three finishes in 2025 with a seasonal best of 2:03.1. He showed ability at 3 so hopefully he can put forward a nice effort to kickoff his 2026.

RACE 4 Selections

#3 **MAVERICK TREASURE** is off to a blazing start in his 4-year-old campaign. He started the year off with an out of the clouds second place finish & has since gone back-to-back including a new lifetime mark of 2:01.2 in his latest for the Big M & trainer Warren MacKinnon. He seems to have taken a big step forward in his first year as an aged horse. He takes another step up the class ladder today to this NW5 condition & this will certainly be his toughest test to date. He gets a decent post to work with today but does have some speed to his inside. He has been in incredible form to start 2026 & his hard to go against here to start the pick 4.

#1 **SHADOW OF A DAUT** has had an unfortunate start to his 10-year-old race season. Suffering broken equipment in his latest & was a locked & blocked fifth in his first start of the year. The classy 28-time winner gets rail control to work with for reigning driver of the year Mark Pezzarello. He notoriously does his best racing when on the lead so if Mark can guard the pylons & ration out some good fractions, he may be hard to catch.

#7 **POPLAR ARTIE** was on the bad side of a Regent Street parking ticket last week. He held tough for most of the mile but faded to sixth. He gets a back tier post to work with today & reunites with Shawn Lynk who guided the veteran pacer to a win on May 16th. I think he can follow Shadow Of A Daut out & be well positioned early to hit the ticket.

Race 4-5-6-7

Explanation of Pick 4 in Horse Racing

The Pick 4 in horse racing is a multi-race wager where bettors must correctly select the winners of four consecutive races on a single race card. This type of bet is more challenging than single-race bets and can yield larger payouts if all four winners are correctly predicted. The Pick 4 bet is structured so that you select the winning horse in each of the four designated races, with each win increasing the potential payout. If one selection fails to win, the entire wager is void. The Pick 4 bet is a sophisticated way to enjoy horse racing, combining strategy, risk, and the excitement of the sport.

RACE 5 Selections

#1 RED RUM SHE WROTE the 2025 Governors cup champion started her 2026 off on May 16th finishing a good second to Mappos Lion. She then drew the dreaded post 6 & was a non-factor in her latest. She takes a rare drop down in class from the winners over to this \$1201L5 condition for Martin Bates. She gets rail control to work with, the same post she had when she went gate to wire in the \$5,000 final last November. She is the clear cut one to beat in this spot & I expect a big bounce back from the classy mare who is in search of career win #40, making her my best bet of the day.

#2 COLD CREEK GUERERO has raced well since arriving at the Downs. Picking up a win in his debut & has since raced well in this optional \$9,000 claiming condition. Trainer Warren MacKinnon gave a good steer last week from the dreaded post 6 for a fourth-place finish in 2:00.1 with a 29.3 last quarter. Warren will drive again today & he leaves to the outside of our top choice, so a two-hole trip is likely here & he will round out our chalky looking exactor.

#6 CANDID CAMERON refuses to slow down in his 12-year-old campaign for Colin Rankin, recording back-to-back wins to start 2026. He then drew an outside post in his latest & never saw the pylons & was still only beaten half a length by Kountry Diamond. He slides out one spot on the gate today to the far outside post 6 but that will only help his price. A win here would give him #30 lifetime & put him over \$150,000 in career earnings, but it'll be a tough feat from all the way out there.

RACE 6 Selections

#4 SAULSBROOK HONEY has had 0 racing luck in her first 3 starts of the 2026 season. She shook loose late for Shawn Lynk on opening day just getting beat in a 5-horse photo. Her last 2 starts she has had 0 racing room late in the mile but looked to be full of pace. She stays put in this \$451L5 condition & gets a mid pack draw to work with. She has some speed to her inside so Shawn will have to work out a trip, but the daughter of Big Jim is one I will go price shopping with in a tough race to round out the pick 5.

#1 WHIMS WONDER drew the dreaded post 6 in 2 of her first 3 starts to start her 2026 season. The one good post she did have came on May 16th where she never saw the pylons finishing second to Poplar Artie in 2:03.1. She draws rail control for Larry Snow & Travis Campbell, so I expect it to be a less taxing trip & for it to be all systems go off the rail today. This mare is notoriously tough off the front making her the one to beat.

#6 LAST CHANCE was hopelessly locked & blocked in her latest for Richie Baryluk. Richie got a two-hole trip behind winner Savoir Duharas but never got the racing room to take a shot at him. She did pace her own mile in 2:01.4 with a nice closing kicker of 29.1. She takes a serious drop-in class today but does draw the worst of the bunch. The bad draw should help her price here & I would not leave her off multi leg tickets.

RACE 7 Selections

#2 SPICYSONOFABEACH has raced hard in his first two starts as an aged horse. Both starts against mid-high level condition pacers. He moved first up on Jim's Big Thrill last week & held tough to finish fourth & raced well in his 2026 debut finishing second in 2:02.1. The high-speed son of Pang Shui gets a much-improved post this week for Mark Pezzarello & Heather Hawkins. This is the toughest race to handicap of the day as you can truly make a case for all 8 in here, but we will side with the talented 4-year-old in the hopes he gets a helmet to follow this week.

#1 SAVOIR DUHARAS climbs up to this optional \$7,000 claiming condition for team Leblanc after an impressive win last week in 2:01.1 with a snappy 29.1 final quarter. The 8-year-old son of Sunshine Beach gets another rail to work with today. I thought last week was the best he has looked since arriving at the Downs last year. It's steeper competition for him today, but another effort like last weeks & he may be tough to beat to round out the pick 4.

#6 GENTRY SEELSTER was simply on cruise control in his qualifier for Larry Snow. He stopped the clock in 2:00.1 with a :30 flat final quarter. He gets blessed with the dreaded post 6 in his 2026 debut. He looked fantastic during & after the qualifying mile but obviously draws very tough today in a full field of 8. I'll use him for a smaller share today.

RACE 8 Selections

#6 MAPPOS LION is 2 for 2 to kickoff 2026 for the team of Hailee Currie, Carol Campbell & trainer Lee Collins. There was no backing down fractions last week as Ryan cleared to the lead just before the opening quarter from the back tier post 7 & the 32-time winner never looked back, scoring in 1:57.2 by just over 3 lengths. He gets handicapped to the outside post 6 today but he has simply been wrapped up in both starts under the wire. There looks to be a whole lot left in the tank & it'll take an unbelievable effort to knock him off right now the only problem being you'll have to settle for \$2.10 on the tote board again.

#5 HUGH HEFF was an impressive second in his seasonal debut for Wayne Hardy, Susan Macsween & the Getto brothers, pacing in 1:58 with a nice 28.1 final quarter. The winners over this week is classified by earnings made in their last 5 starts so he gets an outside post to work with today. The back-to-back horse of the year makes his second start of the year & is our clear choice to round out the exactor. He was able to upset Mappos Lion last year & anything can happen in a horse race.

#1 THUNDER ALLEY romped on opening day for Kevin Bailey & Heather Hawkins, going gate to wire in 1:58.4 by 5 lengths. He then got blessed with two awful posts in the next two weeks but did fire home some nice closing quarters in those. He gets rail control today, so I expect him to be the early leader. I don't think he can fend off the two we pick above him, but he can hit the ticket.

Peter's Picks

RACE 9 Selections

#7 **WINE N CHEDDAR** has been able to finish second in back-to-back weeks despite drawing the far outside post 6 in both starts. She entered this optional \$5,000 claiming condition last week & trainer Warren MacKinnon had the stone-cold closing mare rolling late pacing her own mile in 2:02.3. Warren gets the drive on the 11-time winner again today as the Big M is on her stablemate who she will leave behind. I think Warren can map out another good trip here today & if they race up front a little bit, she may just blow up the tote board in the finale.

#1 **AFAIR SOMEWHERE** gets his third rail in four starts for the Big M. He entered this \$5,000 claiming condition last week & left from the back tier post 7, finishing a good third to Sees The Bay & Wine N Cheddar. With rail control again today I expect Ardon to put the hammer down & guard the pylons. He already has a win under his belt off the rail in 2026 & he has a real good shot at picking up #2 today.

#8 **SONNY JAX** the 10-time winner was rolled right along last week putting up some hot early fractions but held tough & raced well finishing second to Maverick Treasure in 2:02. He gets a back tier post to work with today & gets catch driver Shawn Lynk who gets along very well with the now 5-year-old Pang Shui gelding. He hasn't missed the ticket in 2026 yet, so we must include him to round out the tractor.

Coming Soon – Rolling Pick 3

With a Carry Over

A standard Pick 3 bet requires you to **pick the winners of three consecutive races** on a single ticket. It is similar to a Daily Double, which covers two races, but the Pick 3 extends this to three races, offering higher potential payouts due to increased difficulty and a single takeout applied to the pool rather than multiple takeouts for individual win bets. We will provide **rolling Pick 3s** that cover every three-race stretch throughout the day

Watch our for it in our next card and ask any of our staff for help with this or any other bets.

Mappos Lion Repeats Impressively At Northside

The field was deeper, but the result remained the same for Mappos Lion after another powerhouse performance in the top class at Northside Downs on Saturday, May 23.

On paper, the trailing post seven could have been viewed as a handicap in the \$1,600 Winners Over Pace, but Dontblvmejustwatch and driver Mark Pezzarello gave 1-9 choice Mappos Lion a gift by leaving hard for command from the inside starting spot. Ryan Campbell kept Mappos Lion tight to Pezzarello's helmet and got away in the pocket early.

Clearing to the lead through a :28 opening quarter, Mappos Lion had things his way on the front end from there. After back-to-back :30.2 panels through the middle half, Mappos Lion roared home in :28.3 to trip the timer in 1:57.2. Hugh Heff closed well for driver Randy Getto to finish second some three lengths back of the winner with his stablemate Dontblvmejustwatch next across the wire.

Now a 32-time winner with more than \$320,000 in earnings, [Mappos Lion](#) (Sunshine Beach - Pacific Playmate) is trained by Lee Collins for owners Hailee Currie of Rocky Point, P.E.I. and Carol Campbell of Baddeck, N.S. He returned \$2.10 to win.
