Regulations and Information

General

All Pari-Mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by the Canadian Pari-Mutuel Agency. All tickets should be held until the race is declared official and the prices are posted. Notice boards are located in the Grandstand. The approximate odds represent only the probable payout price of the win pool at the time they are posted and have no bearing on the payout price of any other pool.

Where the appropriate odds for any horse posted at "1 to 9" the pay out price based on a \$2.00 ticket in the win pool may be \$2.10. Where the approximate odds for any horse are posted as "99:1", the pay out price based on a \$2.00 ticket in the win pool may be greater than \$200.00.

As per Provincial Regulatory Rules, no person under the age of 19 shall purchase or cash a Pari-Mutuel ticket.

A winning ticket is valid indefinitely.

Entries and Mutuel Fields

"Entry" means two or more horses in the same race which for the purpose of pari-mutuel betting are coupled or considered as the same betting interest. The most common reason for the coupling of horses in entry is the fact that they are owned by the same person. "Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel system. Subject to the Regulations, a bet on one horse of an entry or mutual field shall be considered a bet on all horses in the entry or mutual field starts in the race. All tickets purchased on the entry or mutual field remains valid.

Daily Double Betting (Including Late Double)

A "Daily Double" is a betting transaction in which a purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools opened on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holder of tickets on such horses, coupled with the winner of the first daily double race shall participate in a Consolation Daily Double.

Exactor Betting

An Exactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different betting interest to finish in the exact official order of finish, in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Quinella Betting

A Quinella bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different interest to finish, in either order to finish in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1-, 2-2), the payout will be on the horses finishing first and third.

Triactor Betting

A Triactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first three horses representing different interest to finish, in the exact official order to finish, in the race in which the pool is operated.

Superfecta Betting

A Superfecta is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interest to finish in the exact official order of finish, in the race on which the feature is operated.

Pick 3, 4, 5, 6, and 7 Pools

The Pick 3, 4, 5, 6, and 7 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of the 3, 4, 5, 6, or 7 successive races specified for the Pick 3, 4, 5, 6, and 7 respectively. Winning tickets and a mandatory payout of the pick 3, 4, 5, 6, and 7 are determined in the following sequence: a) winners of all legs, b) most winners, c) most second place finishes or d) sequentially thereafter. Where no tickets have been sold coupling the official winners of every leg of the Pick 3, 4, 5, 6, and 7 and a mandatory payout does not apply, 25% of the day's net pool is paid out as detailed above while 75% is accumulated and carried over.

Pick 3, 4, 5, 6, and 7 Scratches

In the event a Pick 3, 4, 5, 6, or 7 ticket designates as a selection a horse which is scratched, excused or determined by the judges to be a non-starter in any of the races comprising the pick 3, 4, 5, 6, or 7 the favorite as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratched occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favorites is identical, the selection with the lowest program number shall be substituted for the scratched horse.

Refunds

Subject to the regulations, all monies in all pools on a race are refunded where the race is cancelled, declared no contest, postponed beyond the racing card for which it was scheduled, subject to a change in distance after betting has commenced, or where the running or the finish of the race can not be properly judged.

Common Pool Wagering (Intertrack Betting)

Subject to the regulations, in the unlikely event of a communications or computer system failure, various courses of action may result depending on the nature of the breakdown. Bets from the affected sites, including advance bets, may be refunded. Customers will be advised of the course of action.

Outstanding uncashed tickets from January 1, 2019 to March 31, 2019: \$6,684.21.

The Breaking Rule

All prices in Canada must be broken to the nickel as per section 204 of the Criminal Code of Canada. For every \$1.00 bet, the minimum winning amount you will get is \$1.05 for each dollar wagered.

Drug Testing

Drug testing ensures the integrity of all races contested at Northside Downs and in conjunction with the Atlantic Provinces Harness Racing Commission pre-race blood gas analysis are conducted at random on selected horses. Post race urine tests are conducted according to the Canadian Pari-Mutuel Agency regulations.

Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

2 Types of bets

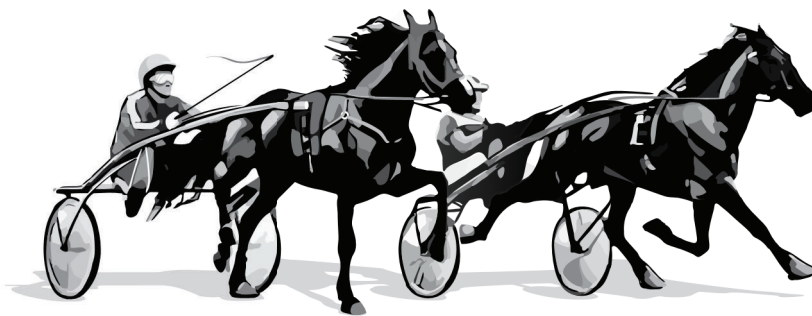

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	UUU	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	UUUU	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	UUUUUU	Pick the winners of two designated consecutive races.
Triactor*	UUUUUUU	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	UUUUUUUU	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.
Pick 4	UUUUUUUU	Pick the winner for 4 consecutive races, big payoff possible. This typically starts in race 4. They you pick race 4-5-6 and 7
Pick 5	UUUUUUUUU	Pick the winner for 5 consecutive races, big payoff possible. This typically starts in race 2. They you pick race 2-3-4-5 and 6

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit

3 Choosing your horse

How to read the program

All of the numbers and letters in the program might seem confusing or overwhelming at first but focusing on these sections makes choosing a horse simple.

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

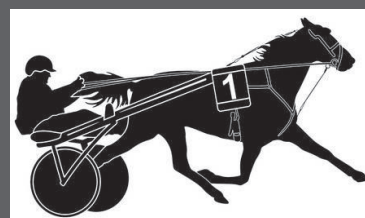

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the **FAVOURITE** pay 32% of the time
PLACE BETS on the **FAVOURITE** pay 53% of the time **SHOW BETS** on the **FAVOURITE** pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Peter's Picks

RACE 1 Selections

#3 GALWAY BAY has had a rock-solid start to his sophomore campaign for owner/trainer/driver Monica Sutherland, recording two wins & three seconds in just six starts & lowered his lifetime mark to 2:00.3 back on June 14th. His lone stakes test came two starts back where he was a very game second to Blazing Cays in a "B" division, stopping his own clock in a career best 1:58.4. In a compact field I expect Monica to be the first over challenger, hunting down Woodmere Novak. This colt is improving with every start & he is in with a great shot to pickup his first stakes win at three to kickstart a 12 pack stakes filled card.

#1 WOODMERE NOVAK hit the board twice in three stake efforts so far in 2026 for co-owner/trainer/driver Zach Mullins. The son of Bet the Moon took a mark of 1:59.4 at two & has put forward a couple big efforts in his last two starts, narrowly missing here at the Downs in a division of the Pinkney & was a third in his latest from the back tier post at the Inverness Raceway. I expect him to cut this mile out in a short field of four & it should make for a good stretch drive between him & Galway Bay.

#2 WOODMERE BEDARD dipped his toes into the stakes circuit for the first time in his young racing career last start & while he did not get a prize, did pace his best mile to date of 2:01.4 from an outside post. Brett Leblanc picks up the catch drive today in this \$6,000 ATSS "B" division, he would have to drop a few more seconds to contend with the two above him, but I can see him rounding out the tractor.

RACE 2 Selections

#5 CANDID CAMERON was red hot to start the 2026 season for team Rankin, hitting the board in six straight starts including a seasonal best 1:59.1. Since then, has had some tough draw luck & faced some stiff completion in the optional \$9,000 claimer. He takes a considerable drop down in class today to this \$620L5 condition & picks up the hot catch driving services of Shawn Lynk. An outside to post to work with so Shawn has some options to race off the pace on a helmet or fire the classy 29-time winner out of there when the wings fold. I like him to drop & pop to start the pick 5 today which offers a juicy \$569 carryover.

#1 PAYLINE has had a bit of a slow start to 2026 in comparison to his wicked 2025 season for owner/trainer/driver Roddie Gillis. The 7-year-old son of Betterthancheddar was a perennial Winners Over horse for most of last season banking over \$7,500, he has not had the best post luck in his nine starts this season but has hit the board in five of those efforts. He finally draws rail control today for Roddie, so I expect it to be a catch me if you can type of trip today. There is major rebound potential here & he is the other I would consider using in pick 5 tickets.

#2 PLAY N BAD the handsome chestnut took his talents to the Truro Raceway on July 3rd & raced well with Marc Campbell in the bike, picking up a third pacing his own mile in 1:57.4 with a 29.1 closing kicker. He is still 0 for in the win column but has been an ATM machine since arriving in Cape Breton. He gets a good post to work with for catch driver Brodie MacPhee & should land on the ticket.

Pick 5 Horse Racing

The Pick 5 in horse racing is a multi-race wager that requires the bettor to select the winners of five consecutive races. It is a type of exotic bet that can offer significant payouts with relatively low risk. The Pick 5 is usually offered on the last five races of the day, but can sometimes be offered on other races. The minimum bet is usually \$2, with the minimum payout being \$2.50. The payouts can be considerably larger, depending on the number of horses in each race and the number of bets placed. To hit the Pick 5, you need to have a good understanding of the horses, the track condition, and the jockey form. It's important to do your homework and research the horses before placing a bet. It's also important to develop a betting strategy. You can use a variety of strategies, such as spreading your bets, betting on favorites, or focusing on longshots.

#4 LAST CHANCE thankfully was not harmed in the accident last week; the Arthur Blue Chip daughter has hit the board just twice in eight attempts so far in 2026 after a stellar 2025 season banking over \$5,000 & five wins. She takes a massive drop down in class today to this bottom level condition for owner/trainer Richie Baryluk who will call on the catch driving services of Brodie MacPhee today. Brodie has some very live catch drives today & this mare looks to be the freest of squares in multi leg wagers on the card & is one to single in pick 5 tickets.

#3 WINDEMERE FLUSTER narrowly missed getting her picture taken for the first time since arriving in the Fiander stable last week, Shawn Lynk had the big Articulator mare out & rolling early just the way she likes it. She could not get past a stubborn Red Dirt Legacy pacing in 2:02.1 & recording her sixth top 3 finish in just nine starts. She has been knocking on the door all year, but another second-place finish looks to be her ceiling with the big chalk Last Chance in here.

#5 DON'T TELL KIM finished third to Red Dirt Legacy & Windermere Fluster in this class last week for the hot trainer/driver duo of Carey Romeo & Jake Jacobs. The 19-time winner from Source of Pride gets another outside post to work with today but should find herself well situated with her good gate speed, she can hit the ticket for the third time in four starts in 2026.

#5 ZAIANS LUCK has no luck at the draw as he has left from one of 4.5. or 6 in all nine of his starts in 2026. He has raced as high as the \$801L5 this season & takes a massive drop down in class today to this \$201L5 condition, he faced similar foes two starts back & Carey Romeo sent the chestnut gelding right down the road to his first win on the season in 2:02.3. Carey opted to drive elsewhere today so Brett Leblanc will get the catch drive call on the Jake Jacobs trainee. Even with the tough outside post, I expect Brett to have the 12-time winner revved up when they leave the gate so we will side with him on the class drop in a great betting race to start the pick 4.

#2 BY RON ROSE like his stablemate we picked above takes a drop down in class to this bottom level condition for trainer Jake Jacobs, the grey son of Tobago Cays showed flashes of speed at three in his first year at the races but is still trying to put it all together in his first year as an aged horse. He made a break in his most recent start & had some tough posts before that, he picks up 2025 leading dash winner Mark Pezzarello for the first time today & gets a good post to work with. Mark can map out a nice trip from this spot & I can see a Jake Jacobs exactor in the making here.

#4 THE IRONMAN is another class dropper from the \$351L5 condition for Joe Nearing, he left from the same post he'll have today last week & Adam Lynk was able to pick up a third with the son of Shadow Play pacing his own mile in 2:01.1. He should be another one in contention early with his great gate speed & catch driver Zach Mullins can send one with the best of them, so I would not leave him out of multi leg wagers.

RACE 5 Selections

#3 RED RUM SHE WROTE is turning the ship around on her 2026 season, the 2025 Governors Cup champion picked up her first win on the year two starts back in the \$351L5 for Martin Bates in 2:00.1, she followed that up with a gusty second place finish to Crosscut last week where she was way wide coming for home. She climbs back up to the \$1001L5 today for Martin & gets a good post to work with. She has some inside speed to worry about, but I can see one of her patented first over rip your heart out type of trips today so I will take a shot with the 40-time winner.

#1 BIG BOY HILL was my top choice in the \$815L5 where he left from the mid pack post 4 for Keigan Madden, he got away towards the back of the bus but was able to rally in the stretch to finish third pacing his own mile in 1:59.4. He steps back up to the \$1001L5 today but does draw rail control for Keigan. He has some major early speed to his outside in the form of Chocolate Swirl so we could see an early tussle between the two.

#2 CHOCOLATE SWIRL picked up his first win in over 4 years last week as my best bet of the day for Heather Hawkins & Mark Pezzarello, scoring in gate to wire fashion by over four lengths in 1:59 with a nice 29.1 final quarter. He gets a \$9,000 claiming tag today & gets Kevin Bailey in the sulky; he has potential to go back-to-back in this extremely competitive group of 7.

RACE 6 Selections

#2 JIMS BIG THRILL started his 2026 off red hot by recording two wins early in the meet, since then he has had to face the likes of Mappos Lion, Hugh Heff & Sea Laird. He was a beaten favourite in his most recent at the Truro Raceway finishing fifth in their \$551L5 condition. He returns to his home track today dropping way down to the \$451L5 & gets a great post to work with for Brodie MacPhee. He has some speed to his inside in the form of Bobjohnski who is fresh off a win, but the 20-time winner is poised to drop & pop & is my best bet of the day in the anchor leg of the pick 5.

#8 SAVOIR DUHARAS stacked Wine N Cheddar & Rollinread up three wide to the opening cutthroat quarter last week of 27.4, he faded to sixth in that one but was competitive in the optional \$7,000 claimer when he drew well. He takes a big drop down in class today & gets a back tier post to work with for local fan favourite Brett Leblanc. He should get away great behind Jim's Big Thrill & will round out our exactor.

#6 SUNSHINE LUCAS has missed the board just once in nine starts so far in his sophomore season for Kevin Bailey. Kevin's son Greg gave the Sunshine Beach colt a great drive last week from an outside post, rallying late to finish third in 2:01.3. He stays put in this NW4 but gets another tough outside post to work with, I can see him rallying late again to pickup another slice.

Peter's Picks

RACE 7 Selections

#2 WINDEMERE BRITT cruised to his second "A" division win on the season last start for Kyle Williams & his connections, Paul Langille stole a 1:01 half & scooted away winning by a length in 1:58.4. The extremely speedy son of Somewhere Fancy has been incredible in his second season at the races so far, lowering his lifetime mark to 1:55.2 in his seasonal debut while firing home a 27.3 closing quarter. Brodie MacPhee picks up another very live catch drive here & gets a great post to work with. He should find himself on the lead in this short but competitive field of 5 colts & he gets top call to get the largest slice of the \$16,220 purse.

#4 ZERO TWO SIXTY like our top choice, captured the "A" division at the Inverness Raceway in his most recent start with Marc Campbell aboard, the son of Tobago Cays stopped the clock in 1:57.4 winning by a comfortable 2 lengths. The star colt banked just over \$70,000 at two & has not missed a beat at three already recording three top two finishes in stakes action. Danny Gillis picks up the drive today & he gets an outside post to work with in this compact field. He is a very versatile colt & could find himself on our top choices helmet, if he does so, he is more than capable of going back-to-back in ATSS action.

#5 SMILIN WITH LOU loves Northside Downs as he reigns a perfect 2 for 2 records over the Regent Street oval, the uber fast son of Blood Money took his division of the Pinkney stake here back on June 20th, scoring in 2:00. He followed that up with a very impressive win at the Inverness Raceway in an "A" division, getting a new speed badge of 1:56.1 while firing home a 27.4 closing quarter. He draws the widest of the bunch but that should not matter as he does his best racing in the final stages. I will use him underneath but another effort like his last & he can extend that streak to 3 for 3 over Northside.

RACE 8 Selections

#5 BEERS ON ME takes a drop down in class today to the \$351L5 for team Murphy & regular pilot Adam Lynk. The 5-year-old son of Source of Pride has been racing in the \$601L5 condition with his best finish being a third to Don't Ask Logan three starts back. He gets an outside post to work with today for Adam but the known closer should have some serious speed to chase in here. I can see Adam getting second or third over cover in here & picking them off late in the mile to pickup his first win in 2026.

#7 AMERICAN STARLIGHT took a step up to this NW3 event last week for Jake Jacobs & team Mitchelitis, she could not reel in a sharp Spicysonofabeach but was a very respectable second pacing her own mile in 2:00.3, her fastest since arriving at the Downs. She loses regular pilot Carey Romeo but picks up the hot hands of Kevin Bailey, a back tier draw should have her up close early & she is racing too good to leave off the ticket.

#2 ELM GROVE QWINN started her 2026 season off last week with the dreaded post 6. She stays put in the same class today but gets a much-improved post to work with & gets the catch driving services of Zach Mullins. Zach & trainer Jamie Hogan teamed up for a hat trick last year so we will throw her in to try & spice up the exotics with the driver change & improved post.

#5 WINDEMERE RYAN delivered at a large price last week but due to interference to Rock and Twist was disqualified to fifth. The classy 9-year-old son of Malicious drops back down into the \$801L5 where jiggy jogged back on June 13th in 2:01.2. He gets an outside post to work with today & picks up co-owner Brett Leblanc in the sulky; Brett drove him back on June 6th in the \$1001L5 where he was a game third. I expect Brett to rifle the 36-time winner off the gate to hit the front & not look back.

#3 WINE N CHEDDAR is in the form of her life right now, the daughter of Betterthancheddar is on a three-race win streak with the last two being consecutive lifetime scores of 1:59.2 & then last weeks tremendous 1:58.1 effort in line to Shawn Lynk where she never saw the pylons until she drew off on her opponents at the 7/8ths. She stays put in this optional \$7,000 claimer & gets Brodie MacPhee in the bike today who drove her to her win two starts back. She is hard to go against the way she is racing but we will side with the class dropper over her.

#1 ROLLINREAD was unleashed off the wings by catch driver Mark Pezzarello last week putting up torrid fractions of 27.4, 56.4, 1:27.2 before letting go to a pesky Wine N Cheddar. He held tough to finish second & gets rail control to work with for Mark again today. He has not been worse than second in his last four outings, so he is hard to leave off exotics.

#4 OCEANVIEW LOU narrowly suffered defeat two starts back in an ATSS "A" division at the Inverness Raceway, Brodie MacPhee put the Blood Money cold on the burner & rated him great, just getting picked off by Smilin With Lou who had to fire home a 27.4 final quarter to beat him. He took his lifetime mark of 1:55.4 for Adam Merner in the start before that & was an impressive winner from a far outside post at the CDP in his most recent for Brodie. He comes back to the Cape today & gets an outside post to work with in a compact but extremely competitive group of 5 colts. Brodie can leave with him like he did in Inverness or stalk & race off the pace like he did on July 4th, this is a great betting race even with it being a small field, so I will take a shot on the 3-time winner.

#3 DARBIES FANCY the lone local entry was a winner here two starts back on June 20th in a division of the Pinkney stake for Mark Pezzarello in 1:58 off the rail. He could not reel in a sharp Zero Two Sixty last start in an ATSS "A" division at the Inverness Raceway, but he still put forward a good effort of 1:58.1. He draws the middle of the gate in the short field & the versatile colt may have to do most of the road work again in this one if he wants to get his picture taken.

#1 TOBINS GEM was second to Darbies Fancy in a division of the Pinkney stake here back on June 20th for team Rennison, the speedy son of Flameproof Hanover came first up in that one but could not collar the local colt, pacing his own mile in 1:58.1. He came first up on Oceanview Lou in his most recent stakes test at the Inverness Raceway, fading to fifth in the stretch. He should get a much less taxing trip from the rail today with the queen of the Maritimes in the bike.

#2 ALRITEALRITEALRITE tested the waters of the Winners Over for the first time last week & while his four-race win streak ended to defeat to Mappos Lion, he did not go down without a fight. Kevin Bailey put the son of Lazarus right on the choo-choo issuing a Regent Street parking ticket to Kountry Diamond. Mappos Lion cleared him just before the 3/4 pole, but he did not give up, firing home a 28.1 last quarter pacing his own mile in 1:56.2. Brett Leblanc gets the catch drive call today; Brett drove him to his first win on Cape Breton soil back on June 6th. He gets a great post to work with today & no Mappos Lion to worry about, so he automatically becomes the one to beat in here.

#4 RANKED CONTENDER also had his win streak snapped by the hands of Mappos Lion last week finishing fourth pacing his own mile in 1:58 for Shawn Lynk. He took his talents to the Inverness Raceway on Wednesday & just narrowly missed a worst to first last quarter move finishing second to McIand. He returns to his home track today & gets Brodie MacPhee between the wheels today, if Brodie can get him within striking distance turning for home, he may just get his picture taken.

#6 HUGH HEFF finished third to Mappos Lion & Alritealritealrite last week, he paced his own mile in 1:58 for Randy with a 28.4 closing quarter where he was almost four wide around the last turn. The back-to-back horse of the year at the Downs gets stuck with another awful post today so if you think he picks up the illustrious win #50, you should get a great price for his standards.

RACE 12 Selections

#4 MAVERICK TREASURE was getting away in the pocket behind Chocolate Swirl last week before making a miscue in the first turn. Trainer Warren MacKinnon shipped him up to the Inverness Raceway Wednesday evening & Zach Mullins drove the 4-year-old son of Malicious to a new lifetime mark of 1:59.3, which was a gutsy effort. He returns to his home track today with his new speed badge & gets Brodie MacPhee in the sulky, I can see Brodie having a big day & a repeat effort of Wednesday night should find him right in contention in the go home pace.

#1 HOWMAC NAPOLEON dropped down to this level last week for catch driver Shawn Lynk from the back tier post 7 but had some traffic troubles finishing sixth. He stays put in the same class today & gets rail control to work with for Brett Leblanc who gets along very well with Napoleon, driving him to career win #30 back on June 6th. This race goes through him & a Brett Leblanc late daily double looks highly possible.

#2 ROCKINFORREAL took a small drop down in class last start & was a very gutsy third place where he spent a lot of the mile on the outside from an outside post. He faces similar today & gets a much-improved post for Jason MacNeil. He should get a less taxing trip today & can hit the board for the third time in five starts.
